

Resolution to Nullify Tax Exemptions for the Roman Catholic Church

Submitted to the Municipal Government of _____

on the _____ day of _____ in the year _____

WHEREAS the Roman Catholic Church (hereafter called the “the Church”) is in gross violation of the terms of its tax-exempt status under Canadian law and the Income Tax Act by using its revenue for purposes other than the works of charity and the advancement of religion,

AND WHEREAS the Church has publicly admitted that it is responsible for genocide in the Indian Residential School system that was established and largely run by that Church for over a century, at the cost of tens of thousands of children’s lives,

AND WHEREAS thirteen traditional indigenous nations across Canada have recently banished the Church from their territories and are confiscating and reclaiming the Church’s wealth, properties and lands as reparations for the Church’s self-admitted genocidal crimes,

AND WHEREAS the Church operates and is governed by a standing policy called “*Crimen Sollicitationas*” that requires that all Catholics break the law and engage in a Criminal Conspiracy by concealing rape and other harm done to children in the Church and not informing the police of that harm,

AND WHEREAS the Church is actively engaged in the trafficking of *in utero* and newborn children through a “Baby for Adoption” (BFA) protocol with Catholic hospitals and adoption agencies across Canada and internationally,

AND WHEREAS the Church is unlawfully appropriating substantial revenue from Canadian taxpayers through a secret "Financial Concordat" agreement that has never been approved by Parliament or any court of law,

AND WHEREAS the Church is actively committing and concealing these crimes and is perpetrating a Criminal Conspiracy, assault, and fraud on the Canadian people in violation of Canadian sovereignty and the rule of law,

AND WHEREAS this Municipal Government and the people of its community are prohibited by law and morality from funding, aiding or abetting, or being an accessory to these wrongs, either intentionally or unintentionally, or by appearance, commission, or omission,

AND WHEREAS International Law and the laws of Canada prohibit the funding or the aiding and abetting of Transnational Criminal Organizations like the Church that engages in these and other crimes;

THEREFORE, BE IT RESOLVED that in accordance with the rule of law, the Municipal Government of _____ hereby nullifies the tax exemptions and any privileges and considerations presently granted to the Roman Catholic Church within the boundaries of this municipality,

AND BE IT FURTHER RESOLVED that this Municipality considers that these actions and policies by the Roman Catholic Church constitute a real and present danger to the children of our community, and the funds raised by that Church to constitute criminal largesse, and that accordingly, the police and the public are ordered and encouraged to do everything in their lawful power to prevent this criminality by the Church and its officers and clergy,

AND BE IT FURTHER RESOLVED that this resolution and its accompanying evidence be immediately issued by this Municipality to the Roman Catholic Church and actively shared with the people and media of our community to educate them concerning this threat to children, public safety, and the law.

AND LET IT BE FURTHER RESOLVED that if the Municipal Government of _____ refuses to pass this resolution and take action to implement these measures and prevent the aforementioned criminal actions by the Church, the members of this Municipal Government who refuse to do so be publicly charged as willing accessories to the aforementioned crimes and Criminal Conspiracy.

This resolution has been distributed and is being implemented in many municipalities across Canada and in indigenous communities. It is offered by the people and the voters of this community in conjunction with the sovereign Republic of Kanata and its allied indigenous nations.
