

PUBLIC WARRANT PROHIBITING THE USE OR IMPOSITION OF COVID 'VACCINES'

**Issued from the verdict of the International Common Law Court of Justice
In the Matter of Crimes against Humanity by Pfizer, GlaxoSmithKline, et al
(Case Docket No. 09152021-A001, January 15, 2022)**

LET IT BE KNOWN that the Court has outlawed all COVID 'vaccines' and prohibited their use or imposition after lawfully convicting their manufacturers, including the corporations known as Pfizer Ltd., and GlaxoSmithKline Ltd., of Crimes against Humanity and of producing the COVID 'vaccines' through the trafficking, torture, organ removal, murder, and genocide of children, indigenous people, and other involuntary experimental test subjects.

ACCORDINGLY, as a dangerous substance derived from crime and genocide, the COVID 'vaccines' have been ordered by the Court to be seized and prohibited from sale, distribution, use, or application.

THIS WARRANT OF THE COURT authorizes the bearer to lawfully decline and refuse to receive the COVID 'vaccines' without legal or other consequences, in accordance with their own health and safety, and the lawful verdict and sentence of the Court.

LET IT BE KNOWN that anyone who attempts to impose or administer the COVID 'vaccines' on the bearer of this Warrant or on any other person, or who otherwise compels them to receive the said 'vaccinations', is in violation of the Law and this Warrant, is engaged in criminal assault, obstruction of justice, and the aiding and abetting of convicted felons, and can be arrested and charged as an accessory to a crime.

THIS WARRANT HAS THE FULL FORCE AND EFFECT OF THE LAW.
