

Affidavit – State Capture by SARB & Banks – Theft of Gold

February 2020

I, Adriaan Rudolph Fondse, the deponent, with Identity Number 590603 5008 088, residing at 336 Bourke Street, Muckleneuk, Pretoria, declare as a grown man and concerned citizen of South Africa that I am authorised to dispose of this affidavit. The content of this affidavit regarding “The apparent theft of approximately 178000 (hundred and seventy-eight thousand) metric ton of gold from the South African Reserve Bank” supported by evidence provided which is within my personal knowledge and experience to the extent disclosed herein as it follows from the content, unless being pronounced otherwise. I also confirm that this affidavit is one of several that follow after the initial disclosure of with the Constitutional Court with Reference 3/1/SCC/775 which other affidavits will focus on; - **(1)** The deliberate blocking, thieving, of money earmarked for projects in South Africa through interplay between the Banks and SARB, in order to force economic hardship facilitating forced failure of businesses with extremely cheap liquidations to embezzle the wealth of South Africa; **(2)** Utilization and misappropriation of Section 33 of the South African Reserve Bank Act, and footman fraternization benefit schemes to erode public money and pension funds, organised obstruction of justice through State Departments, nullifying the effect of the South African Constitution regarding fair legal processes but enforcing of side-stepping of the Law; **(3)** Bank officials and SARB Officials illegal manipulation of the AGM’s, obstruction of justice promoting thievery, alteration and implementation of legislation without proper procedure designed by approximately eight persons without public scrutiny coercing beneficial changes to them; **(4)** The theft/heist of the Constitution of South Africa and or the democratic dispensation of South Africa by political connected Banking Cartel members; **(5)** Others .

I therefore affirm this affidavit under oath.

Introduction

State capture was formally announced on the 2nd February 1835 in the British Parliament by Lord Macaulay and has since focussed on maintaining the suffocating grip via the financial systems employed throughout the world. All trade being measured against the London Stock Exchange, creation and funding of wars, the fixing of gold price, destructive trade practices of currencies, best explained by;
