**Presence of more than 1200 Pallets of USD cash and the letter "On behalf of Green Dragon Industries S.A." attached as Annexure 01.**

Dear Minister Makis Keravnos, Governor Hafize Gaye Erkan and Staff,

As introduction, the writer Adriaan Rudolph Fondse, a UCc-1 Judge leading the recovery of the Alpha Omega Trust assets and wealth being largely embezzled by the Rothschilds Asset Management Group by corrupted politicians, financial institutions management Universities Research Academics willing to falsify science for a murderers remuneration that continued for decades on end, accepting gratification/bribery in various forms including positions secured through lobbyist groups. Turkey seems to be different in many ways, which is plausible.

With reference to the currencies held in on cash pallets of which I am informed about, I deny the ownership thereof belonging to any other entity than the Alpha Omega Trust.

The writer being appointed by Special Power of Attorney by the principles of the Alpha Omega Trust “as Mandate, Consultant, Mediator with Power of Substitution as collecting agent, Consolidator, negotiator and/or mediator regarding the custodianship of historical assets and related benefits intended for protecting institutional purpose and interests of Divine Government, whether held by Government, business, agreements and or allotments by rights and investments made on our behalf in various business transactions (Local and International), Trusts, Institutions or Investments from which ever source, to be our Mandate & Consultant, Collector Agent, Consolidator, Negotiator and/or Mediator in our Name, Place and Stead.”

In support of the aforementioned, I do refer to public domain press release of Judge Anna von Reitz addressed to the United States Republic Presiding President at the time regarding the cancellation of the international treaties (Annexure 02), not being challenged and/or disprove. The **WRIT 111** regarding same subject is attached for your convenience.

Since the base principle of all universe and legal systems is that agreements made must be kept referring to the original agreements made with the Rothschild Asset Management Group to manage the wealth as per the trust directives which are reflected in the Committee of 300, World Bank Group, USA, INFINITY BANK STATEMENTS. Since the reference agreement(s) with the US Treasury, the DOD and the Federal System and other financial systems worldwide, was not made under duress, they stand. We deny that it is not eminent from the referenced agreement, that the agreement involving the US Treasury and the DOD of the United States Republic, which automatically excludes the United States of America Inc not being an illegal entity, is not being cancelled with prejudice as confirmed by Judge Anna von Reitz, which also includes; -

- the US Department of Defence,
- the US Department of Treasury,
- the Rothschilds Asset Management Group,
- the Federal Reserve System,
- the World Bank,
- the BIS
- the Central Banks,
- the IMF,
- the Prime Banks,
- The Commercial Banks
- Etc, to name a few.

We deny that Alpha Omega Trust that funded all of the above, were presented with acceptable asset management report(s) and similarly the World’s population as undetachable beneficiaries. According to information, we deny that the Rothschilds Asset Management Group and the Committee of 300 that were tasked to oversee the management of the wealth was not criminal aligned, with criminal intent, to defraud and steal from the Alpha Omega Trust and the world

population as beneficiaries. Organisations like the CFR, The Trilateral Commission, Bilderberg Meetings, utilising/misusing 'TECH **STARTUPS**' and front multinational media companies such as COMCAST NBC UNIVERSAL, DISNEY, CBS, VIACOM, NEWS CORPORATION, AT&T, to create opposing public opinions for war and genocide, filling the UN, WB (Global Young MP Initiative Program & The Parliamentary Network on the World Bank and the IMF), IMF, BIS, BANKS, WEF, UN Capital Development Fund, Multilateral Investment Guarantee Agency, Forex- Gain Capital Group, International Labour Organisation, UN Development Program, World Federation of Exchanges, International Organisation of Securities Commission, International Association of Insurance Supervisors, UN Department of Economic and Social Affairs, Organisation of African Union, Organisation of American States, Asia Pacific Economic Cooperation, Council of European Union, Association of South East Asian Nation, World Trade Organisation, International Association of Prosecutors, International Association of Investigators, International Organization of Standardisation, World Intellectual Property Organization, International Chamber of Commerce, International Chamber of Commerce Court of Arbitration, INTERPOL, Federal Reserve System, etc. with knavish input via intelligence agencies such as the CIA, FBI, IRS, American Bar, Vatican church setup as a bank, WHO, etc.) filled with parrots chirping to the tune of the Crown Company, House of Orange, Rothschilds, Rockefellers, Du Pont's, Medici, etc., who promotes fake curricula enforced through bribery at schools and universities to name a few. In addition, we deny that the poor financial status and related discord throughout the world, the constant conflicts destruction of earth's habitat with the idiotic support of government structures affected by lobbyists groups, administering bioweapons to the world population through fake science by design, is not gross mismanagement of earth's habitat.

As a result of the termination as referenced the US State Departments inclusive of the Congress and the House of Representatives, the Federal Reserve, the Rothschilds Asset Management Group, the World Bank, the IMF, Deutsche Bank, the fake QFS System, etc. **are hereby ordered to immediately seize disbursement of any financial asset originating from the Alpha Omega Trust, or assets being generated through the use of the assets of the Alpha Omega Trust, without the explicit approval of the writer, being appointed as "the recovery custodian" of the Alpha Omega Trust with power of replacement, to act uniformly according to the Alpha Omega Trust directions in support of the development, maintenance and protection of humanities habitat on earth.**

This letter therefore  **Cancels the authorised approval, authentication and allocation of the referenced "Green Dragon Industries S.A. with REG 2049190" as an illegitimate receiver/beneficiary and orders/claim the control thereof to be immediately assigned and transferred to the Alpha Omega Trust and with authorised signature of the writer.**

The writer is also acutely aware that about the fact that "The Decision Maker for Maturity of the Spiritual Wonder Bay – Maria Cristina – her origin, difficulties and whereabouts. Refer to page **189 of WRIT 111.**

Similarly, the writer is also aware of the averments made in the TIK-TOK video <https://vm.tiktok.com/ZM6d4YxHj/>, although much of the achievements of President Trump is plausible, the averments at best represents not more than a third of the truth for indecency and

independency oversight can only reside with the ALPHA OMEGA TRUST from where the assets originate and to whom it belong. **The control of the wealth returns to the ALPHA OMEGA TRUST, which is not negotiable to and by any earthly force!!! Refer to WRIT 111.**

So be it!!!

Dear Mr Trump, March First 2020

You are advised that the Trusteeship of the Philippine Government will terminate and be removed from said "independent government of Philippines", established in 1934, at midnight, March 3, unless certain conditions are met.

The Government of the Philippines is under demand to make correction of the following circumstance within three days of publication, or forfeit all trust assets back to the Donors, including the actual Julius Divinagracia. Rent on the Philippine Islands and the cost of defending the Philippine Islands during World War II and since then, will become due and payable on March 4, 2020, unless this matter is successfully concluded in our favour.

Julius Divinagracia entered the United States as a Permanent Resident and change his name to protect his identity more than twenty years ago. He adopted the State where he lives as his permanent home and domicile and has followed all the protocols his adopted State and the United Nations of America require to take this action, which stands published upon the Public Record.

Julius Divinagracia is under the protection of our government and has adopted a State of the Union as his permanent home and domicile.

He is not under any obligation of United States political asylum or citizenship.

He is neither a Territorial or a Municipal citizen of any kind.

An imposter of the Philippines has assumed his identity and has attempted to pass himself off as Julius Divinagracia, resulting in this nonsense.

<https://www.slideshow.net/ICJ-ICC/2017-uns-a-divinagracia-treaty>

This is Public Notice worldwide, that is a fraudulent and criminal action having no basis in reality, and it will not be honoured by the United States of America as anything valid.

**Many hundreds of people worldwide have cause to know the truth.**

We have the records and proof and we are not pleased with this dishonest attempt to (again) substitute a "ringer" just as the same Parties substituted their criminal commercial corporations and infringed upon our trademarks to promote confusion between "The United States of America Incorporated" and our government – The United States of America.

Any attempt to pass this fraud artist off as Julius Divinagracia is destined for failure and any action taken to acquiesce to this substitution will come to ruin. We denounced this as a complete and utter fraud owing immediate correction:

<https://www.google.ca/imgres?imgurl=https://i.ytimg.com/vi/DOE-xfopGM0/hqdefault.jpg&imgrefurl=https://www.youtube.com/watch?v%3DDOE-xfopGM0&tbid=G8VZjPLCipl7GM&vet=1&docid=6SolhYhrs0HbhM&w=480&h=360&q=julius+divinagracia&source=sh/x/im>

We call upon you as Commander-in Chief to bring forward the lawful, legal and correct claims of Julius Divinagracia without allowing any further obfuscation, fraud, criminal interference, or obstruction. The funding for your government and many other governments depends on this chicanery being addressed and corrected.

No justice can result from further fraud and injustice. This pattern of behaviour must be overcome.

As of this afternoon, Julius Divinagracia has removed the Rothschilds and the United States from their Trusteeships, with prejudice, together with rejecting any role of the US Trustees and repudiation any presumption of bankruptcy

or abandonment of his assets. All treaties and papers and agreements signed by this Pilipino Interloper are denounced as open fraud.

The independent government of the Philippines has three days to get their man out of Shanghai and to come to Jesus. You, Mr Trump, and the Pacific Fleet are being requested and required to act in our behalf.

Whoever has promoted this substitution of a Third Party claiming to be Julius Divinagracia in order to replace an American State National and to dispose of his assets under conditions of fraud and deceit is an international criminal – and any such person are to be identified, bound over and charged.

No funds from Alpha Omega or White Spiritual Boy or any other Legacy Accounts can be addressed or released without consultation with and approval of both our government and the actual man, Julius Divinagracia, who stand upon our shores and who is owned all right, title and interest in his private property and heirship, and who is the only one on Earth empowered to make treaties and disbursements in his name.

It is your sworn duty and the duty of every member of the American Armed Forces including all those under contract of the U.S. -Military, to uphold and protect the persons of all Americans as per Article IV of The Constitution of the United States of America.

Julius Divinagracia is an American, and his Good Name and Identity has been stolen, subjected to international theft, abuse and false contracting processes.

We believe that your duty in this matter is clear and that the government of the Philippines has been, at the very least, derelict in its responsibilities as Trustees of American Assets. They have been given three days to get this Mess straighten out. The clock is ticking.
