1. Background regarding the matter.

I the undersigned UCc-1 Judge, Adriaan Rudolph Fondse with appointment No. U423C640C-1J7*, appointed under "**Aboriginal Marshal Martial Law Oath: Sui Juris Sui Generis Oath: BOND Number 19073**", duly appointed by the **Alpha Omega Trust** as the Divine Government, that funded all financial controlling institutions worldwide, as Mandate, Consultant, Mediator,

Collector Agent, Consolidator, Negotiator in Name, Place and Stead with authority, substitution of HM King ASM of ASBLP group, and Julius Divinagracia with **power of substitution**, representing the final authority worldwide in Name of Signatory/Trustee/Keeper/Holder, reminding all the addressees that the financial system as presented, the Quantitative Financial System **‘to be owned’** by some banker families and managed by Governments is false, for it does not represent the interest of the citizens/public of the world, and **held no truth**. Refer to **Annexure 03 and 04**.

Figure 1 World Financial System Ownership

Figure 1 above with linked notes is self-explanatory. The Bretton Woods Agreement was negotiated in July 1944 by delegates from 44 countries at the United Nations Monetary and

³ Cancelled due to failure to fulfil the Alpha Omega Trust conditions/determinations for the peoples of the world (fraud {including Anti-Trust behaviour} and theft, murder practices by the Rothschilds and other banking families) with Prejudice.

⁴ **One World Order is in fact a disorder – where the Thieving Families owns everything including the human soul.** "They [who] seek to establish systems of government based on the regimentation of all human beings by a handful of individual rulers call this a new order. **It is not new and it is not order.**" - March 15, 1941 – President Theodore Roosevelt.

⁵ Investment in Gold, started from 30th June 1912, including the present Banker trust Company and City Bank Farmers Trust Company (Historical District Council) under delegated management by the World Bank. <https://asblpcompanies.com/about/>

⁶ Investment started approximately on 12th June 1930 as rescue because of the International Community's declaration of bankruptcy in Geneva.

BIS was established in the context of the Young Plan (1930), which was to deal with the reparation of payments imposed on Germany by the Treaty of Versailles, replacing/take over the functions performed by "Agent General" located in Berlin.

⁷ Investments with the promotion of the Bretton Woods Agreement (1944) led to the establishment of the World Bank (WB), The International Monetary Fund (IMF) and the International Finance Corporation (IFC).

Financial Conference held in Bretton Woods, New Hampshire. Under the Bretton Woods System, gold was the basis for the U.S. dollar and other currencies were pegged to the U.S. dollar's value.

Red Dragon – Rothschilds?? “The Red Dragon is a boss monster in Lost Kingdoms.” They were covetous, evil creatures, interested only in their own well-being, vanity and the extension of their treasure hoards. They were supremely confident of their own abilities and were prone to making snap decisions without any forethought.

I will not spend additional words to prove the existence of the White Spiritual Boy and Spiritual Wonder Boy Accounts the institution and Centre of Institutional Knowledge that they do exist, but will address the reasons why a song is being sung, as if in a choir, by all bank's officials and government officials, that the accounts do not exist; -

Bretton Woods System

For something SO IMPORTANT to be denied that it does not exist can only point to the following; -

- It does exist, but it is in the process of being swindled from the world population and in order to do that, with a prevailing lie enforced by the Official channels of Government, a continuous lie has to be bombarded to the public on who owns that wealth through the Alpha Omega Trust. So, if true, the Government and bank officials has to be complicit.

money laundering and thievery practice), smoothing the thieving practices. (I deny that the Rothschild did hesitate to concocted complete fraudulent documentation, in order to claim control over the same funds)

(Dr. Jose P. Rizal born 19 June, 1861, Calamba, Philippines—died December 30, 1896, Manila <https://www.hawaii.edu/cps/rizal.html>) – A man dead for more than a hundred years cannot suddenly become a brother in an account to which he had no entitlement to whatsoever, or aligned in whatsoever way, more than a hundred years after his death – but it makes sense with the Rothschilds thieving practices and cannot confirm or deny the Rothschilds lie.

I deny that the same does not apply for the name “Antonio Diaz Santiago” as stated above.

I deny that Pres. Ferdinand Marcos according to the record, was not a CIA plant, as an incompetent attorney being offered a large some of money to brought forth another angle of attack to steal the money.

I deny that Judge Antonio Tirol Carpio of the Philippians, is the same person as referenced as “Judge Bernardo Carpio” that does not reflect on the Supreme Court Justice List of the Philippians <https://elibrary.judiciary.gov.ph/supremecourtjustices/associatejusticelist/160>

I deny that the use of Bible title and names are not by design used to create the impression that the incorporated persons have a relationship with the Hebrews (Israel) as nation which they have not, similar to the Ashkenazi Jews who have no ancestry relationship the Hebrews (Israel).

I deny that I was not reliably informed that large sums of the White Spiritual Boy funds were illegally transferred to the “One World Order” accounts by compromised high level bankers.

As is evident from Figure 1 “World Financial System Ownership” a loooong-term plan from the Rothschild and banking families were in operation; -

If the American people allow private banks to control the issue of their currency, first by inflation, the banks and corporations that will grow up around {the banks} will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered. - (2) I deny that the declaration of bankruptcy of the International Community and banks during 1930 in Geneva was not a thieving exercise to dislodge/steal the invested gold of the Alpha Omega Trust from the Trust without the knowledge of the unsuspecting Alpha Omega Trustees and the formation of the Bank of International Settlements. Still today this declaration is poorly substantiated or not substantiated at all which is an illegal bankruptcy. I deny that the gold taken in, and not returned, were the wealth utilised to take control in shares of the “bankrupt financial institutions.”*
 - (3) I deny that the Bretton Woods Agreement in 1944 was another opportunity, while the world was in serious lack towards the end of the WW II and the Alpha Omega Trust, was again morally obligated to fund the establishment of the World Bank, International Finance Corporation, International Monetary Fund, The United Nations and Multilateral Investment Guarantee Agency.*
 - (4) I deny that the Green Hilton Memorial Agreement signed by President John F Kennedy, President Soekarno from Indonesia (M1 and Chair of the Alpha Omega Trust at the time) co-signed by William Vocker of UBS, who according to information was a leading figure at Bohemian Grove rituals. The Green Hilton Memorial Agreement were the foundation of the dissemination of wealth across the globe into all banks and Central Banks for the benefit of the people as NASARA/NESARA. The Murder of President Kennedy, Dr Verwoerd, Ghandi and the ousting of President Soekarno by the CIA funded operation with Military Rival Suharto allow for the abolishment of the gold standard in 1970 by the same gang, who has embezzled most of the gold which balances were not required for reporting after the abolishment of the gold standard.*
 - (5) I deny that the Final attempt to uniformly withheld the wealth earmarked for the world population via the Alpha Omega Trust’s, White Spiritual Boy- and Spiritual Wonder Boy accounts are not in progress at the moment with the illegal amendment passed during the committee of 300 minted process of 2007.*

m) From the World Bank Group USA - Committee of 300 - final audited statements with Reference no: ASBLP - 0330 - 2012 and page 98 item 610 European Central Bank (Germany Headquarter) the instruction of the Alpha Omega Trust is minted as "Account no. 778758872 with account name of White Spiritual Boy and with standing balance of US\$ ∞ and Account no. 77762534AM-602 with account name Spiritual Wonder Boy and with standing balance of US\$ ∞ confirmed as an Eternal Deposit (while under time deposit, its principal balances and its interest cannot be touched and/or loaned and/or programmed) that having maturity rate of 4% per annum and per 30 years of maturity and upon maturity; **50% shall be forcibly used for whatsoever Development Program and 50% shall be automatically and forcibly maintained and preserved for another 30 years until lasted for eternity."**

The same conditions as referenced above is minted for the other Germany based banks from item 611 to 624.

NB!!! Please show by objective evidence that the Germany Banks and the German Government did comply to the Alpha-Omega Trust instruction which would have matured on January 1, 1997? In the event that it did not happen, know that the officials would publicly be charged with Anti-Trust behaviour and Treason against their own people.

Transfer to private servers or the Sender (50%) and Receiver (50%) spilt in favour of the Bankers preference accounts is/was never part of the agreement but a gatekeeper's mechanism to protect the criminal Rothschilds system. It is on all accounts illegal and does not reflect any of the prescribed trust conditions enforced by same criminal gang.

For example, a small economy worth for arguments sake \$4.2 billion nett income per year, who is in need of a proper investment to provide sustainable electricity supply at cost of approximately \$12 billion, will never develop, because the investment/loan sealing falls outside the illogical margins dreamt-up and prescribed by the same gang, implemented via the World Bank, IMF, Central Banks, and cascaded down to the commercial banks.

<https://www.change.org/p/immediate-release-of-debt-burden-for-all-citizens-of-the-european-continent-we-say-yes-to-payment-1-11>

- n) Throughout the world the writer has never encounter a person who did not understand from the above, that the above funding of development program, did not mean the ownership of the funds, after maturity belongs to the public of the country. Similarly, the public of the country has 100% claim to future disbursements, for the same reason as per the statutes of the ALPHA OMEGA TRUST. In addition, the writer does not applaud continuation of a double jeopardy system, recruiting funding with an interest burden onto the public, allowing systemic expropriation by illicit means, while the public has legal access to sufficient funding belonging to them, withheld from them in secrecy.
- o) The writer does not look favourable towards arguments of law, relating to delaying the inevitable, because the position is confirmed by the International Court of Justice and the International Criminal Court by ratifying the owner's instruction of the ALPHA OMEGA TRUST as minted with the signatory of both complete benches in unity.
- p) I deny that worldwide, the citizens are not being systemically expropriated by Anti-Trust behaviour of the Rothschilds Asset Management Group of Scammers, Thieving, Murderers and Genocide Workers worldwide as the Ghazarian Mafia, with a horde of footmen supporting expropriation and genocide. Many Governments is known to be created as controlled opposition, according to the John D Rockefeller, who are conveniently overlooking the history, the criminality and fact that the world's financial system's asset management agreement of the ALPHA OMEGA TRUST with the Rothschild Asset Management Group, was terminated during 2016, **by the then Representative Julius Divinigracia with prejudice**. It is also denied that it does not follows logically, that the 4% Asset Management Fee entitled to the Rothschilds Asset Management Group by agreement, could ever overtake the investment growth of the Alpha Omega Trust (protecting the assets of the World's population) even with moderate or low growth, unless large scale of fraud and theft continued to embezzled the capital assets of the ALPHA OMEGA TRUST, as is evident from the UBS capital theft facilitated even **under the auspices and accountability promises offered and published in reporting by the World Bank Group**. As from the Rothschilds own acknowledgment the aforesaid were practiced, but the scale of the operation is enormous which by itself constitutes transgressions of all human rights and encapsulates genocide and menticide.

q) As can be seen from the practices demonstrated over centuries confirmed in the recorded quotes below from the Rothschilds, Rockefellers, Morgan and the practices demonstrated by the banking family group, together with the willing footmen in governments, the financial, legal and medical paternities is totally corrupted, considering themselves as above the **law which they are not**. The law by design is intended to benefit all, inclusive of the right to life, healthy environment, non-destructive non-genocidal medical care, access to the financial system, equality before the law, pursuit of happiness is 'RES COMMUNIS' (a thing common to all, that could not be the subject of ownership), with demonstrated generational incorrigibility abusing the rights of all humanity, being demonstrated generationally as an enemy of the human race – 'hostis humani generis'

"Let me issue and control a nation's money **and I care not who writes the laws.**" Mayer Amschel Rothschild (1744-1812)

Quote by Guhe Schapper Rothschild, wife of Mayer Amschel Rothschild **during 1849.** <https://www.online-translator.com/translation/english-russian/metro%20goldwyn%20mayer>

The Rothschild brothers of London writing to associates in **New York, 1863** *"the few who understand the system will either be so interested in its profits or be so dependent upon its favours that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantage that capital derives from the system, will bear its burdens without complaint, and perhaps without even suspecting that the system is inimical to their interests,"*

The above confirms the common knowledge that the 'Ghazaryan Mafia' sect, was and is the catalyst for almost all known wars {forcing perpetual war economics - and legal systems based on the sustained creation of scarcity by secrecy, which results in poverty and destruction of habitat and economy} all around the world since time and remembrance utilising war as a money spinner, funding both sides of wars created. With ample opportunity controlling the religious- and academic education systems **the curriculums are falsifications without recourse.** They took control over the Vatican and managed it as an illegal bank "Istituto

2. THE ORDER

These orders are formulated/based upon/extracted from the base principles of law (maxims) that; -

- “the safety of the nation (humanity population) is the highest right” – *‘salus populi suprema lex’* (the tread against humanity has reached a critical point where governments do not act in the interest of their peoples, but according to the highest bidder).
- Escape planning, side stepping, use of sidestepping to evade/delay legitimate authority – *‘tergiversation’* cannot be accommodated/allowed/tolerated/considered, because the highest legal/law formations commonly known as the International Court of Justice (ICJ) and International Criminal Court (ICC) and the governments of the world and opposition to governments, are being formed by the wealthy ¹³ or super rich a rampant disregard of humanity’ rights and habitat are being installed ensuring their demise.
- Delaying the order and waiving the obligation to do whatever is right immediately, is to support the demise of humanity and its habitat, ignoring the urgent requests for action, to protect and secure humanity’s rights to existence. – *‘periculum in mora.’*

[2.1] All the assets recorded within the Committee of 300 minute of the World Bank Group will return to the management and control of the Alpha Omega Trust with immediate effect.

[2.1.1] All assets held by any trust originated from “Mayer Amschel Rothschild (1744-1812) and all business interests or inheritance from the same source, are ordered forfeited as reparation to all nations, which is viewed as little very late, for incorrigibleness and abusing the rights of all humanity, being demonstrated generationally as an enemy of the human race – *‘hostis humani generis’* All

¹³ The Chronicles of the Learned Elders of Zion & Rockefeller Greed:

The world’s countries to be brought under their control by War Economies, Economic Crises, Global Destruction, brought about by sexual perversion by pervasiveness (beyond customary bounds, unrestrained & harmful, repugnance, brutally & uncontrolled applied to the innocent) whether forceful or by deceit, to create a climate of spiritual demoralization and moral corruption as a norm in the lives of the leading men & heads of nations, to be supported with controlled perverse & false curriculums of education promoted and strengthen by a world media coverage that will conquer the nations.

Wars should be administered not to result in territorial gains, but on economic gains, in order to prevent the nations from recognizing the strength, predominance or tactics that will put both sides of war at the mercy of the ‘international body of agents’ (Agentur), with millions of unidentified eyes always on the watch, unhampered without any limitations whatsoever.

The advocacy of international rights through legislators should be done in such a way that, when enacted, it will wipe out national rights replacing the proper perspective of law and rights. The aforesaid was used to cause nations to be ruled by ‘civil laws’ (rules & regulations) which regulates the citizens relations, fading natural law into nonexistence, forcing immunity from law for the super-rich.

wars, genocide planned, executed including the abuse with COVID19 designed as a bio-weapon, economic weapon, war catalysator, financial extortion, genocide attempt against humanity which each subject on its own can easily add a thousand pages of evidence. The Annexures 01 to 07 are deemed sufficient to present an understandable presentation to all levels of society all over the world.

- [2.1.2] The World Bank Group and all aligned corporations, The International Monetary Fund (IMF), The Bank of International Settlements (BIS), ASBLP Banking Group and all wealth provided for in all banks and/or financial institutions are to be returned to the Management of the Alpha Omega Trust with immediate effect.**
- [2.1.3] Any and all liquidation movements against the World Bank Group and aligned corporations, the IMF, the BIS, ASBLP Banking Group and all banks are ruled illegal and void until all capital accounts {inclusive of the White Spiritual Boy (WSB)- and Spiritual Wonder Boy (SWB) Accounts} capital accounts according to agreement are being repaid by every institution and or major shareholders who has illegally benefitted from disbursement(s) from whatever source, while not rehabilitated from bankruptcy. (1930 Geneva Convention).**
- [2.1.4] All payments made from historical assets, off ledger funds being kept off-ledger to ease the theft thereof by means of Sender-Receiver accounts are being recalled irrespective of its nature as the property and ownership of the Alpha Omega Trust, and belonging to the Population of the World to be redirected under the control of the population.**
- [2.2] This order/instructs all financial institutions to transfer control with immediate effect to Marthinus Christiaan Landman, an experienced International Banker with South African Passport A08262078, of all WSB- AND SWB accounts worldwide and to recover all transfers from each banking institution, not being applied according to the principles agreed upon and recorded with the World Bank Group, Committee of 300, Infinity Accounts as conditional to the use and application of all wealth from the Alpha Omega Trust, including but not being limited to the White Spiritual Boy (WSB)- and/or a Spiritual Wonder Boy (SWB) accounts.**
- [2.2.1] These written orders that the recovery awarded are properly recovered with assistance of the local law enforcement – ‘fieri facias’ and,**

- [2.2.2] That from a shameful cause, no legal progress arises – *‘ex turpi causa non oritur actio’* with specific reference to the banking families and the willing footman in governments, and
- [2.2.3] That general prescription has no influence on these specific determinations – *‘generalia specialibus non derogant’*.
- [2.3] That the officials and the families of the officials that authorised the World Bank, the UN and all subsidiaries like the WHO, the IMF, the BIS, and all government officials to spend/release funding for the COVID19 Scamdemic, are to be held accountable individually and severably for the recovery of the worthless expenditure directed against HUMANITY. (Refer to Annexure 05 to 07).
- [2.3.1] Any person who was involved with or who are in the process of advocating for universal vaccination (that is a biochemical weapon), or involved themselves in research of gain of function for whichever virus (poison) since the signing of the “Biological Weapons Convention (BWC), or Biological and Toxin Weapons Convention (BTWC), a disarmament treaty that effectively bans biological and toxin weapons by prohibiting their development, production, acquisition, transfer, stockpiling and use, (The treaty's full name is the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on their Destruction), are by this order declared as an enemy of the human race – *‘hostis humani generis’* and is ordered to leave earth by means of any form of presence.

Other valuable pointers to consider for the future are; -

- “Whosoever sheds men’s blood for ill begotten gains, by man shall his blood be shed.”
- Humanity means to respect, care and support humanity as the yardstick of value of all things on earth. Only humanity provides a value to all commodities on earth and it is a misconception that the ownership of commodities provides value to humans/humanity as the crown of creation. Every other objective, other than to care for the fellow man, seems to be destructive towards humanity.
- Cherish the natural wonders provided in abundance by the Creator EL SHADDAI, and cherish/care one another/the natural resources and the mysteries they provided as a sacred heritage, for only through that an inheritance is secured for your children's children. Do not let selfish men or greedy interests rob you and earth its beauty and splendour.
- As a human; we are born free with a clean canvas to created something spectacular, provided we are not corrupted by greedy and selfish interest enforce by an illegal legal-

and financial system and being robbed from being the crown valuator on earth as intended by the Creator.

So be it!!!

Dear Mr Trump, March First 2020

You are advised that the Trusteeship of the Philippine Government will terminate and be removed from said "independent government of Philippines", established in 1934, at midnight, March 3, unless certain conditions are met.

The Government of the Philippines is under demand to make correction of the following circumstance within three days of publication, or forfeit all trust assets back to the Donors, including the actual Julius Divinagracia. Rent on the Philippine Islands and the cost of defending the Philippine Islands during World War II and since then, will become due and payable on March 4, 2020, unless this matter is successfully concluded in our favour.

Julius Divinagracia entered the United States as a Permanent Resident and change his name to protect his identity more than twenty years ago. He adopted the State where he lives as his permanent home and domicile and has followed all the protocols his adopted State and the United Nations of America require to take this action, which stands published upon the Public Record.

Julius Divinagracia is under the protection of our government and has adopted a State of the Union as his permanent home and domicile.

He is not under any obligation of United States political asylum or citizenship.

He is neither a Territorial or a Municipal citizen of any kind.

An imposter of the Philippines has assumed his identity and has attempted to pass himself off as Julius Divinagracia, resulting in this nonsense.

<https://www.slideshow.net/ICJ-ICC/2017-uns-a-divinagracia-treaty>

This is Public Notice worldwide, that is a fraudulent and criminal action having no basis in reality, and it will not be honoured by the United States of America as anything valid.

Many hundreds of people worldwide have cause to know the truth.

We have the records and proof and we are not pleased with this dishonest attempt to (again) substitute a "ringer" just as the same Parties substituted their criminal commercial corporations and infringed upon our trademarks to promote confusion between "The United States of America Incorporated" and our government – The United States of America.

Any attempt to pass this fraud artist off as Julius Divinagracia is destined for failure and any action taken to acquiesce to this substitution will come to ruin. We denounced this as a complete and utter fraud owing immediate correction:

<https://www.google.ca/imgres?imgurl=https://i.ytimg.com/vi/DOE-xfopGM0/hqdefault.jpg&imgrefurl=https://www.youtube.com/watch?v%3DDOE-xfopGM0&tbnid=G8VZjPLCipl7GM&vet=1&docid=6SolhYhrs0HbhM&w=480&h=360&q=julius+divinagracia&source=sh/x/im>

We call upon you as Commander-in Chief to bring forward the lawful, legal and correct claims of Julius Divinagracia without allowing any further obfuscation, fraud, criminal interference, or obstruction. The funding for your government and many other governments depends on this chicanery being addressed and corrected.

No justice can result from further fraud and injustice. This pattern of behaviour must be overcome.

As of this afternoon, Julius Divinagracia has removed the Rothschilds and the United States from their Trusteeships, with prejudice, together with rejecting any role of the US Trustees and repudiation any presumption of bankruptcy

or abandonment of his assets. All treaties and papers and agreements signed by this Pilipino Interloper are denounced as open fraud.

The independent government of the Philippines has three days to get their man out of Shanghai and to come to Jesus. You, Mr Trump, and the Pacific Fleet are being requested and required to act in our behalf.

Whoever has promoted this substitution of a Third Party claiming to be Julius Divinagracia in order to replace an American State National and to dispose of his assets under conditions of fraud and deceit is an international criminal – and any such person are to be identified, bound over and charged.

No funds from Alpha Omega or White Spiritual Boy or any other Legacy Accounts can be addressed or released without consultation with and approval of both our government and the actual man, Julius Divinagracia, who stand upon our shores and who is owned all right, title and interest in his private property and heirship, and who is the only one on Earth empowered to make treaties and disbursements in his name.

It is your sworn duty and the duty of every member of the American Armed Forces including all those under contract of the U.S. -Military, to uphold and protect the persons of all Americans as per Article IV of The Constitution of the United States of America.

Julius Divinagracia is an American, and his Good Name and Identity has been stolen, subjected to international theft, abuse and false contracting processes.

We believe that your duty in this matter is clear and that the government of the Philippines has been, at the very least, derelict in its responsibilities as Trustees of American Assets. They have been given three days to get this Mess straighten out. The clock is ticking.

Please Note: About the "QFS"

By Anna Von Reitz

I never said that the Quantum Financial System isn't real in the sense of existing. It exists. It was developed under project "Crimson Gate" at Wright-Patterson AFB immediately before and after the 2015 UNITED STATES, INC. bankruptcy.

What I said -- in not so many words -- is that it is another fraud scheme.

It's the same old SWIFT transfer monopoly updated and rebranded with a new name and operated from a new location -- China, and it leaves the same Miscreants in charge of everything.

It is not the brand new, whiz-bang, all-purpose, honest, transparent, and secure world financial system that Kim Goguen -- and now, Ben Fulford-- are trying to sell you.

It's an emergency rework of the old SWIFT Monopoly with upgrades installed to implement and enforce the Chinese "Social Credit System" on everyone worldwide. And it's the same old crooked Euro-Amero interests running the "new" system.

So go figure.

The world does have an option that is not QFS and not CIPS -- our Bilateral Bank System is not controlled by any little group of self-interested deviants with a kill-switch on your bank account.

It's a block-chain derived system so that your deposits and your credit can't just disappear with the push of a politically or financially motivated button.

I just forwarded the reports that UBS is failing to deliver (FTD) on bonds that are purportedly held by the DTCC, and DTCC is collaborating by erasing those bond numbers from its database.

Those bonds disappeared by hitting "delete", the same way your bank accounts and deposits can disappear from the current system or QFS. The digital currencies they are proposing to populate the QFS, known as Central Bank Digital Currencies, are created by people sitting at desks entering digits into computerized ledgers that can disappear just as fast.

It's bunk promoted by bunko.

So, call me nuts, but the only answer I see is a truly new system that's transparent and nailed down by multiple independent blockchain nodes, operated by people who are neither crooked nor crazy and not associated with the old Evil that we are exiting.

You can't fix Evil. All you can do is leave it behind in a cloud of dust.

Welcome to the Bilateral Bank System where you can engage in international trade or land-jurisdiction based commerce -- and imagine this, you can own and have control of your own deposits! You can enjoy privacy and security again!

In the world we are building, which is the only world in which we want to live, private property exists and is respected. In our bank system, you don't have to engage in maritime commerce to buy a carton of milk.

We don't leave the foxes in charge of the hen house.

We don't leave you and your money at the mercy of political hacks and criminals with their fingers poised over a "delete" switch.

Welcome home.

Depopulation Through Forced Vaccination: The Zero Carbon Solution!

"The world today has 6.8 billion people. That's headed up to about 9 billion. Now if we do a really great job on new vaccines, health care, reproductive health services, we lower that by perhaps 10 or 15 percent."

children. It also shatters their illusions that they're part of an organisation which is far from beneficial to those they believe they're protecting from illness.

On April 26th, the Irish Independent published an article titled 'Concern for Children's Health as Parents ignoring vaccines'. Edie Kennedy, you should be ashamed of yourself! This is nothing less than an attempt by government, through their puppets in the media, to remove the rights of parents to determine the life choices of their offspring and removes any doubt that we now live in a dictatorship.

However, their hypocritical oath should compel them to investigate such wild claims put out by pharmaceutical giants and their drug dealer sales representatives instead of taking the word of an industry well known as being utterly corrupt and ruthless in its business practices.

The Irish haemophilic scandal, where patients were knowingly infected with HIV through contaminated blood products should be enough to convince anyone of Big Pharma's murderous intent.

This brings us to the real reasons for vaccinations. I'm not even going to prove to readers that they don't work. I'll simply urge you to look up the historical record. One simple example is the demise of measles.

The measles death rate had declined by 98% from 1915-1958 prior to any vaccination being introduced. In 1988 and 1989, 89% and 89% for measles cases in American school-aged children had been vaccinated! In 1995 56% of ALL measles cases in America were vaccinated.

These figures come from medical journals.

Those 3 simple examples PROVE that unvaccinated children are less likely to contract measles and that the ~~1999-2000~~ *measles in 1999-2000*

Chloroquine is a potent inhibitor of SARS coronavirus infection and spread

We report, however, that chloroquine has strong antiviral effects on SARS-CoV infection of primate cells. These inhibitory effects are observed when the cells are treated with the drug either before or after exposure to the virus, suggesting both prophylactic and therapeutic advantage.

Chloroquine is effective in preventing the spread of SARS CoV in cell culture.

Verbatim quote. "Video Broadcasted on US TV - approximately 23rd February 1956, for COVID-19/Coronavirus pandemic in 2020

"The future certainly looks bright, but it isn't without its darker sides. According to some predictions, obesity will likely run rampant and political corruption will become so common place, as to be accepted. People with nothing entertaining or informative to say will broadcast their demands for attention, and once beloved performer will become pushers of snake oil. Perhaps worst of all, will be the emergence of a deadly and potentially devastating disease. **Think of the last time that you contracted influenza.** You were likely bedridden for days, having no appetite or desire to play games. **Experts predicts that by the year 2020, a new virus will rise, spreading from somewhere in Asia to the rest of the World. And with International travel being available to even the most common citizen, a sickness that would have been contained in years past, will quickly spread to all corners of the globe.**"

The American civil war was engineered by the Rothschild Banking Elite.

The Rothschilds used a divide-and-conquer strategy to take back America by creating a conflict between the north and the south.

The North was to be a British colony, annexed to Canada and under the control of Lionel Rothschild.

The South was to be a French colony, given to Napoleon III of France and under the control of James Rothschild.

Abraham Lincoln opposed this destruction of America by issuing the 'Greenback' to fund its defense against the international bankers.

Interest-free and later redeemable in gold. Government-printed.

The Bankers wouldn't stand for this. 5 days after the south surrendered, on April 14th, 1865, Lincoln was assassinated by John Wilkes Booth, a member of *The Knights of the Golden Circle*.

Note: 'Slavery' was not the driving force behind the war. The primary issue, as with all wars, was that of who controlled the banks and the money supply. Research further online.

PROOF THAT THE PANDEMIC WAS PLANNED & WITH PURPOSE

Published on September 30, 2020

Written by Dr James Fetzer

A group of over 500 medical doctors in Germany called 'Doctors for Information' made a shocking statement during a national press conference: (1)

'THE CORONA PANIC IS A PLAY. IT'S A SCAM. A SWINDLE. IT'S HIGH TIME WE UNDERSTOOD THAT WE'RE IN THE MIDST OF A GLOBAL CRIME.'

This large group of medical experts publishes a medical newspaper on **500,000 copies every week**, to inform the public about the massive misinformation in the mainstream media. They also organize mass protests in Europe, like the one on August 29, 2020 where **12 million people signed up** and several millions actually showed up. *Why do these 500+ medical doctors say the pandemic is a global crime? What do they know, that we don't?*
