32:18 Remember, the Military can't come in & save countries. The people must look like they were fighting to save their country. They must be a part of it: See the pain, the collapse, see the money disappear in their banking systems, only then will they see the corruption & fight together to better their country. Only then will they see the corruption of the MSM. The EXPOSURE of MSM is happening on a wide level.

28:52 Because in the U.S. the MIL coup that happened IS GOING TO BE EXPOSED. THE 2020 ELECTIONS IS GOING TO BE EXPOSED. Kash Patel, Bondi, Trump's Team, DoJ, DoD, THEY'RE GOING EXPOSE THE FULL OPERATIONS OF WHAT REALLY HAPPENED. It will connect to Ukraine & ALL the corruption. There is so much behind Epstein → \$ to Ukraine → weapons trade
4-2-25 @qthstormrider777 * 4.

29:43 Trump is moving forward TO END THESE FOREVER WARS & DS money laundering ops..

30:20 That's a huge part of what these Tariffs are going after. Also the U.S. will grow into a Super Power & now EVERYBODY will have to listen & EXPOSE their deep state..

31:30 All these leaders that were talking sh*t about Trump & about the U.S. ARE GOING TO BE BEGGING FOR HELP because they're going to be connected to all this corruption in their countries. Germany is vital.

32:18 Remember, the Military can't come in & save countries. The people must look like they were fighting to save their country. They must be a part of it: See the pain, the collapse, see the money disappear in their banking systems, only then will they see the corruption & fight together to better their country. Only then will they see the corruption of the MSM. The EXPOSURE of MSM is happening on a wide level. The U.S. MSM is collapsing & now that MSM is collapsing inside of Europe.

34:18 THE DEEP STATE A SCARED & IN PANIC OF THE EXPOSURE of all these diff global ops... Now scared of Epstein. Because the Military have all the records, data, servers, terabytes on all these global elites, corporations, CEO heads, Epstein & the gay affairs he was having with certain people like Wexner, was important inside CIA ops w/JP Morgan → INTEL agencies → INTEL software creations for the CIA, diff agencies

35:10 BE PATIENT... IT'S ABOUT THE WHOLE WORLD inside this huge massive corruption system & Trump & the MIL behind him are bringing down these operations with the Alliance from diff countries. That's why it's really important with what Trump is doing with the Tariffs & Taxes & Epstein & EXPOSURE of the coup. Lockstep ops getting people sick with CHEMTRAILS, → vaccines → mRNA, how they're inside the body affected through 5G frequencies. There's a lot of ops coming out in certain ways & stages But they'll all connect —

36:19 From Epstein → pandemic Everything is only beginning. Trump has only been back in office for 2 months & you're watching all these ops unfold together *

4-2-25 President/CiC Trump
"The Golden Age of America begins right now. From this day forward our country will flourish & be respected again all over the world. We will be the envy of every nation & we will not allow ourselves to be taken advantage of any longer. WE'RE GOING TO RECLAIM OUR WEALTH. THIS IS THE BEGINNING OF LIBERATION DAY IN AMERICA"

il Donaldo Trumpo

When visual aids & science help you truly understand the meaning of a word ...

It's official:
I'm either a

Dickhead
or a
Shithead

These are skulls of ancient hominids
called homo-capenis.
They were mankind's first rulers.

This is Jacob Rothschild.
His family controls the world's banks.
He still retains some
characteristics of his ancestors.

Hiding in plain sight.

Homo-capenis = homo-cap-penis = homo-(head)-(dick) = Dick-head

Homo-capenis = homo-ca-penis = homo-(head)-(shit) = Shit-head

"THE RINGING CEDARS OF RUSSIA"

The Story of The Ringing Cedars of Russia Book Series

The story began in 1994 on the bank of the River Ob amidst the endless expanses of the Siberian taiga. The well-known Siberian entrepreneur Vladimir Megre met with two elderly gentlemen who told him about the amazing properties of the Siberian cedar (also known in the West as the *Siberian pine*). At first he didn't pay much attention to what they told him, but as he continued to reflect on it, Vladimir began to discover, in the historical and scientific literature he examined, more and more evidence

Imagine you love humanity so much you risk your very existence to incarnate on a prison planet run by psychopathic satanic pedophiles and horrifically diabolical tyrannical power hungry barbarians. You know full well you will be tortured, raped, abused, shunned, lied about, tricked, persecuted and ridiculed from beginning to end by dark forces doing all they can to deflect, destroy and halt your rescue mission, as well as capture, control and punish you for being here.

You strive with all your heart and spirit to present solid truth to help people make better choices, avoid pitfalls and unwanted or unfortunate situations, practices, rituals and associations that would cause harm or leave humanity behind during an ascension.

You work tirelessly with very little sleep or rest, excited about new creative ways to make a difference; all the while never asking for anything in return, always giving more than you have to give and doing it all for free.

The dark works overtime to take you out, make life as difficult as possible, sabotage every sacred and peaceful circumstance you create and hold dear. They strive to compromise your Spirit, your relationships, your friends and family, your body, your communications, your character and reputation, your sleep, your home, your environment, your food, your air, your health and prosperity. They alter your presentations, steal your material, clone you, misrepresent and distort what you've said and turn the world against you with propaganda. They plant dangerous *people*, side track and cause harm, questioning everything you do and say, searching for and inventing fault to post across the airwaves, and the masses believe their captors. You continue on in spite of these challenges.

So we're coming into the golden era which is also the golden era of knowledge and it's also connected to the plasma energy / zero point energy. Anti gravity. +
_ and then also to the plasma that's inside the human body that's connected to a certain gold mineral inside of your body.
that is also connected to the most miraculous things of time travel, how the spirit is created through birth, how the heart is a vortex connected to the mind. There's a lot that you're going to learn.

Norse Mythology

POSTED MARCH 17, 2025 FOR THE PEOPLE

Alfðöir of the Æsir

AllFather of the Gods

Óðinn, Father of the Æsir

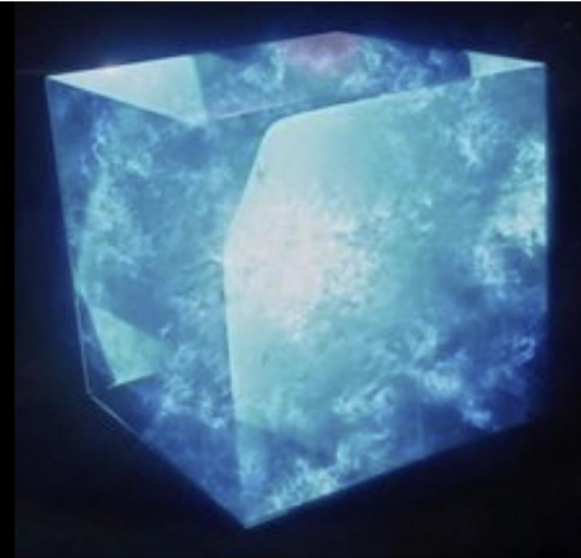

Father of 'Multiple Gods' in Norse Mythology

Æsir = (Multiple Gods) the 12 Source Energies and subsets.

Odin [ON Óðinn], is often referred to as the

Allfather [ON: Alfðöir].

As many recognize, the original Source Energy divided into two, continuing to 12 Source Energies all holding specific Source Frequencies and Unique Expressions of

Odin's Treasure

The **Tesseract** was a crystalline cube-shaped vessel pulsating with **Source Light**; Sentient Intelligence and Infinite Energy.

Odin is an Ancient Ambassador from Source, Father of Thor; also an Ambassador of Source.

Odin held the Tesseract sacred in safety in his **Treasure Vault** in Asgard.

Eventually the Tesseract was brought to earth, so legend has it...or **is it legend?**

Creation's Manifestation Center Your Spirit Was Created Here

All Spirits created at the exact same time go to the same home base. While at the home base, each Spirit divides in half and the resulting two spirits are called Twin Flames. Each Twin Flame then chooses a place where it would like to incarnate (example: Planet Earth). A Spirit is created with the ability to reflect its experiences back to its Twin Flame and also to its home base.

The Source Energy is made of Pure Light and Love. It did not create the Dark Forces. Creation's Defense Ships do actual battles with the Dark because the Dark Forces try to take over the Light and its creations. This Dark Force does not go by Spiritual Law. It just wants to take Energy. It spreads false teachings, pain, and sorrow wherever it can find a foothold. Don't fall for their deceptions and give them your ENERGY!
