International court to investigate Pope Leo's complicity in the ritual murder of children and the disappearance of Emanuela Orlandi

Eyewitnesses saw Leo/Robert Prevost at Ninth Circle sacrificial ceremonies as early as September 1978

**"DISAPPEARED"**

Rome and Brussels:

The court that prosecuted Pope Benedict and forced him from office is launching a criminal lawsuit against 'Pope' Leo XIV/Robert Prevost, charging him with complicity in murder, criminal conspiracy, and crimes against humanity.

The case against the Bishop of Rome is based on new evidence linking him to the ritual rape and murder of children as a newly ordained priest, and to the torture and disappearance of Emanuela Orlandi on summer solstice of 1983.

Investigators with the International Common Law Court of Justice (ICLCJ) have interviewed a former participant in the Ninth Circle cult as well as a victim-survivor of its grisly rituals. Both witnesses claim that Robert Prevost participated in the killing of children as part of his induction into the cult.

The witnesses state that Prevost was also present at the rape, torture and subsequent disappearance of Emanuela Orlandi on June 22, 1983 in a chamber beneath the Vatican.

The Court has obtained corroborating Vatican archival evidence consisting of a "log" of the details of all Ninth Circle ceremonies held in Rome since 1870. This record confirms Prevost's presence at these events in September 1978 and June 1983.

According to the Court Prosecutor,

*"Apparently the new pope Leo, Robert Prevost, was inducted into the Ninth Circle soon after his ordination as a priest, in September 1978, the same month that the former Pope John Paul I was murdered in the Vatican. Prevost's induction into the cult occurred at midnight on October 16, 1978 in a sub-basement catacomb beneath the Vatican. During that initiation, the newly appointed Pope John Paul II presided at the ritual killing, dismembering and cannibalizing of a four-year-old Italian boy.*

*"Prevost was also present on June 22, 1983 when Emanuela Orlandi was kidnapped by Vatican agents, raped and tortured by Ninth Circle members, and then taken to Germany to be sexually trafficked and possibly sacrificed.*

*"Like every Roman pontiff, Robert Prevost was chosen as pope from a select stable of Ninth Circle members who have been groomed by the cult for years and have proved their loyalty to its carnage."*

In addition, the Court will be investigating Pope Leo's links to Catholic-run child trafficking and killing cults in Canada, America, Peru, and Argentina, including those connected to the deceased Pope Francis/Jorge Bergoglio.

The Court will convene on Monday, June 2, 2025 under the Law of Nations and with the participation of international jurists. That same week, the Court Prosecutor will present lawful Summonses to 'Pope Leo' and his accomplices to appear before the Court for arraignment when the trial begins on Monday, September 1, 2025.

Regular public and media briefings on the Prevost case will be issued by the Court during the summer and prior to the trial's commencement.

The Court is offering rewards and immunity from prosecution to any persons with information or evidence that leads to the criminal conviction of Robert Prevost/'Pope Leo XIV' under international law.
