

Creating Liberty throughout the Land: The Republic of Kanata

Establish Liberty

Republic of Kanata

The centuries-old dream of a sovereign, free Republic in Canada is coming to life. Patriots from all of our founding nations have gathered in assembly and launched a movement to take back the wealth and the land for all of the people by establishing local self-governance and liberty across Canada.

The time has ended when a few corporations and an aged monarch in London can own all of the lands and resources of our country while millions of our people are trapped in poverty. The criminal foreign regime known as “the Crown” has no right to rule or exploit our country. It must be replaced by a free Republic based on the common law, equality and personal liberty.

Our new Republic will cancel income tax and all foreign and private debts. All of our tax money will remain in our own communities, where the people will practice direct democracy through locally elected Peoples' Assemblies. The Law and the courts will be placed in the hands of We the People. And a national Congress will give the vote to every citizen sixteen years and older, and may be recalled by a majority of the people.

You can make this dream a reality today. For as a pledged Citizen of the Republic of Kanata, you will be granted free access to public transit and medical care anywhere in Canada, under the common law Right of Reparations from the criminal regime called “the Crown”. And you can speak and vote in local Republican Assemblies and make the laws that will govern yourselves.

Now is the time to reclaim the freedom and the land stolen from you. Help us establish our new nation at its grassroots. Take the Pledge to the Republic, join the Republican Party of Kanata and help make Canada the land of liberty it was meant to be.

For more information about the Republican Council nearest to you, and to receive a copy of our book and founding program *Establishing Liberty: The Case for Kanata*, see www.createspace.com/8644242 or contact the Republican movement at republicofkanata@gmail.com .

And listen to the Voice of the Republic: Here We Stand (formerly Radio Free Kanata), broadcast every Sunday at 3 pm pacific, 6 pm eastern at www.bbsradio.com/herewestand .

**Issued by the The Republican Party of Kanata
and the Provisional Council for the Republic**

For Sovereignty, Self-Government and Liberty
