Keshe:

- Week of Aug 3, peace treaties for all the nations signed and sent out to 196 countries : *only the Cherokee Nation responded*

IV HARD NEWS

III Mayan Calendar Rainbird

In the wave of Kan, and the year of Kan – a 6 Muluc - the last 5 days have been portal days and there are 5 more coming; there is lots of extra inter dimensionality to work with

19th Thur – 6 MULUC – red rhythmic moon – we have balance, equality, organize as the reference words; **new moon and a portal day:** I organize in order to purify; I balance flow; I am guided by the power of my own power double. This is **true of the 1st tone, the 6th tone and the 11th tone** – they double their own power. Can set intentions for the new moon cycle – set them for purifying!

20th Fri – 7 OC – white dog – unconditional love; 7 is the mid-point of the 13 tones; 7 is the mid point between 13 and 20, the guiding numbers of the fractal of the Mayan calendar so the 7 shows up that way too. Enjoy Friday with the attitude of love. Portal day.

21st Sat – 8 CHUEN - blue monkey – wants to balance work and play; 8 tone & we experience planetary harmony; it is the octave of 1, so we work with the higher energy. Another portal day.

22nd Sun – 9 EB – yellow human – the human servant warrior; 9 tone of expanded cycles
Another portal day – we're working on many levels

23rd Mon – 10 BEN - red skywalker 10 – manifestation of thoughts and actions; The skywalker wants to check out edges, an adventurer! Another portal day so the energies are magnified

24th Tues – 11 IX – white magician, jaquar, priestess/priest – a normal day! Working with the magic of IX; 11 is death in the vision quest – letting go of what no longer serves

25th Wed – 12 MEN – blue eagle-12 crystal tone – complex stability. Eagle energy is visionary aspect

26th Thur – 13 CIB – yellow warrior - a transformative energy as we move into the next wave of Caban

Guest: Was to have been Omena who can't be here. Caroline can't be here tonight either.
Guest will be a re-play of Frank Chille from Oct 5/17.

HARD NEWS TARA, RAMA – T, R

R: Today's message

As Dr Greer talks with the Health Ranger, Mike: all these folks have is the fear card – there is nothing else going on. We are watching the collapse of the entire empire that encompasses all the planet.

<https://www.naturalnews.com/2017-10-11-dr-steven-greer-interviewed-by-the-health-ranger-secret-groups-planning-false-flag-alien-attack-to-roll-out-world-government.html#>

T: They tried to take over the whole planet via the west; Ben Fulford said last Monday they completely failed in going to nuclear holocaust with North Korea and yet they are talking about it again today

R: Dr Greer: there will be no nuclear war – only have fear: blaze the Violet Fire

Puerto Rico:

- so many people coming forth to talk about what is going on there
- Grump continues to wash his hands of it like Pontius Pilate; that's not a good sign
- A major story that is not going away, as there are a lot of good people in Congress who won't allow this to happen – Grump will not get away with letting Puerto Rico slide into the ocean!
- The ongoing tirades of bad behaviour by Grump is an understatement: life forms that are thinly disguised and using their evil intentions every single nano second to create fear stories – so many people are coming forward and condemning the actions of the life forms in the West Wing
- other ramifications of the fallout: the other stories around the planet fit in with the fake fear stories – yet they are petrified about us finding out they are not human
- The next step is about the various other kingdoms which are here to join with us, saying there are more of us than there are of them: war is over as we want it to be;
 - He is hearing of so many different groups of folks coming together to focus on raising the vibrations in love and setting aside the fake stories that have nothing to do with reality – they are playing with dangerous moments right now
- He keeps being told in no uncertain terms: if they were to play with launch codes, etc etc – Captain Ashtar, Admiral Sananda, Lord Michael have this in the bag – **THERE WILL BE NO NUCLEAR WAR.** Yet they are playing with the fear card as they have nothing else left.
 - As things unravel more and more - Mr Mueller is one piece of the story and another is the various international criminal gangs that go into the other realms of lifeforms that have done dirty deeds dirt cheap with other lifeforms that slip into Black budget operations and secret operations, and funny things going on that have nothing to do with reality
- **Harvey Weinstein** – story keeps unfolding – more and more folks coming forward to say they got messed with by him: 45 women to date – getting out there like Bill Cosby and that is about the games that get played and how the spook runs gov't with the Wall Street gangsters and the lobbyists and other criminal elements that fit into the picture – like Eric Prince and other lifeforms like Deadpool needs to pay a visit to – and he leaves it there!

T: Last night – Oct 18 - she and Penny worked on a news letter from last week; things are moving so fast, it's a challenge to keep up – she brings up items from that work . . .

On Oct 17, 2017, R got a call from Katrina vanden Heuval, Sam Seder, David Corn – she's been in Russia looking into Paul Manafort's part with the Khazarian mobsters over there

- T re-states what Katrina vanden Heuval said: that it's never been about Putin or the Kremlin or the fake elections in the US –
 - In June or July, T & R played some Oliver Stone interviews in which he sat with Mr Putin who made it clear that it is Russia's policy to NEVER INTERFERE WITH ANY COUNTRY'S ELECTIONS.
 - This western gov't is not going to take that so it goes back to 100 AD all the way to the present where there has been a church thing juxtapositioning themselves against Russia. She brings up the Fatima story and the Catholic version of the Fatima event where they did say a silvery disc object was in the miraculous vision
- The Fatima story was brought up by a caller as it's been 100 years from this month when the kids had a series of 6 meetings /miraculous events; the Fatima story is about the last one.

From Thursday, Oct 12th:

"T: I thought it was interesting because what truly happened at Fatima was that Lady Master Nada appeared in front of The New Jerusalem, behind which the physical sun was shining as She spoke to Lucia who could both see and hear her. Another child, Jacinta, could only see LM Nada appearing in the form of Mother Mary, as they thought She was; Franceso, the little boy, could only sense the energies of what was happening. All the other people had all kinds of descriptions of what they saw.

- See the **excerpt below**, taken from the story of our Lady of Fatima, catholic version.

"It was Mary's final appearance, on October 13, 1917 [exactly 33 years, to the day, after Pope Leo XIII's vision], that became the most famous. An estimated 70,000 people were in attendance at the site, anticipating the Virgin's final visit with many fully expecting that she would work a great miracle. As everyone gazed upward, and saw that a silvery disc [**T's insert: The New Jerusalem**] had emerged from behind clouds. They experienced what is known [as] a 'sun miracle'. Not everyone reported the same thing. Some present claimed they saw the sun dance around the heavens. Others said the sun zoomed towards earth in a zig-zag motion that caused them to fear that it might collide with our planet [or, more likely, burn it up]. Some people report seeing brilliant colours spin out of the sun in a psychedelic, pin wheel pattern. The whole event took about 10 minutes.

With these apparitions at Fatima, God asked for the Consecration of Russia to the Immaculate Heart of Mary by the Pope in union with all the bishops of the world. Our Lady of Fatima said that as the Consecration of Russia was done, Russia would be converted and there would be peace. However, as the Pope and the Bishops did not obey the request, Our Lady said that Russia would spread her errors throughout the world, causing wars and persecutions of the Church and of Holy Father, the martyrdom of the good, and the annihilation of nations.

I find it interesting that Our Lady appeared in Fatima with these warnings exactly 100 years before the 500th anniversary of the Protestant Revolt [1517 - 2017]."

Source: 2016-02-10 Our Lady of Fatima, 1917-2017 – Why 100 Years Matters
<https://www.romancatholicman.com/our-lady-of-fatima-1917-2017-why-100-years-matters/>

T: The true heresy is what the Vatican put out about our Lady of Fatima!

Back to today, Oct 19th :

T: LM Nada overlights all the Marys and the Merlins so she was coming through that vision and bringing with her The New Jerusalem; the vision was in 3 parts – Lucia both saw and heard, and, over time, wrote lots of things about what happened; Jacinta could only see and not hear; Francesco could only sense the energies.

- Lucia wrote a letter to the Church regarding what she heard which was they were change their ways and tell the people the truth.
 - T thinks that John Paul II ad something to do with the opening of that letter
- the Church twisted the intent of the message, saying Russia was the culprit and as you do what we say, Mother Russia will convert and everything will be all right!
- Nada visited Pope Leo XIII 33 days before the final vision to the children; what was said made him turn ashen white; she probably told them where they were going to go – they represented the desolation of the souls of humankind: the abominations of desolation! They were supposed to say that and they did not.
 - the church did not follow through; Lucia’s task was to write her letter to remind the Pope what he was to do, and she continued to write things over time.
- Now it’s 100 years later and LM Nada, head of the Solar Tribunal on Saturn, is here as is the Ashtar Command, including all us Commanders, Eagles and Angels of the Ground Crew
 - It is also 100 year anniversary of the west decimating 100,000,000 Russians, just wiping them out, blood Bath – and it’s the same story about the Khazarian Mafia which represents the Obscene Rite and the story

T encourages people to read the newsletter: lots of information coming through, and as we can comprehend that, if we reverse everything that we thought was black and white, we’ll get closer to the truth! **It is not Putin, it’s not Russia, it’s not the Kremlin: it’s the Khazarian mafia.** In spite of what is being said . . .

- Putin gave a speech and ½ today[Oct 19th]: whether you like it or not, North Korea is a sovereign nation, and you have no business messing with that country.
- Yesterday [Oct 18th] **Watching the Hawks** had on a Puerto Rican guest who knew the history: The US invaded **Puerto Rico** and later on **the US bombed Puerto Rico, its own citizens!**
 - The history of the U S and the truth of what has been going on has never been told: it’s **not about Russia, but about the Khazarian mobsters**, and all the other mobster gangs: Italian, Jewish, etc, etc, etc

R: as Thom Hartmann has said about all of the baby boomers and following: we have been living under the big red threat of Mother Russia

- Rama got kicked out of grade school for refusing to get under his desk, cover his head and wait for the threat of a bomb dropping – this during a bomb threat drill.
 - He went to the principal and asked him what kind of help, reality are you in if you [think covering your head will help] when a so-called nuke comes in???

T: Today a map came out about 8 new quakes in California: have been 162 quakes in last few months – and 8 areas will be hit

- still having kids get under desks, put something over their heads!!!
- They’d [Ashtar and co] better dare not let these guys get away with these things; wants Rama to have indepth talks with his people about what the operation is to stop this from happening - there are over 40 million people in California

- she knows there are no nukes, yet they can play with other toys & create similar effects! And that's not nukes! Need a better answer! Talk to Faction 3!

About Harvey Weinstein

From Oct 17, 2017 UPDATE:

Rama got a call from David Corn, Sam Seder, Katrina vanden Heuval:

" Harvey Weinstein is a member of Shin Bet, is connected to the Khazarian mafia, is a member of AIPAC just like Clinton, the Grump – this is about the Grump and Hillary for over 30 years not child protected use the list and using the Clinton foundation to funnel trillions of dollars

Katrina: so much more is going to come out now – fasten your seat belt and be careful how you react.

From Oct 12/17 UPDATE:

" Harvey Weinstein is the tip of the iceberg of the pedophile stories that go deep into Hollywood, and the human trafficking, drug running, and arms dealing [that the Hollywood system is involved in].

- For an overview of this story, see 2017-10-13 Black males get smeared and falsely prosecuted: Harvey Weinstein gets a 30-year cover up by [Ezili Dantò](http://www.ezilidanto.com/2017/10/black-males-get-smeared-falsely-prosecuted-harvey-weinstein-gets-30-year-cover/) , a Haitian international lawyer.

<http://www.ezilidanto.com/2017/10/black-males-get-smeared-falsely-prosecuted-harvey-weinstein-gets-30-year-cover/>

Rama: October 19th - I was told by Mr X, Harvey Weinstein is a member of AIPAC [American Israel Public Affairs Committee], and is beholden to Netanyahu and the Shin Bet [Israeli security force], over there in Israel.

T: That's why the Grump is getting ready to decertify the Iranian nuclear agreement in the face of all of this, because Netanyahu wants Israel and the US to be in line with this. All the European countries: Britain, France, Germany, the US, Russia, China—no one wants this to go through, except Netanyahu who is head of Luciferian forces on Earth, called the Khazarian mafia.

- The Republicans and the Grump want to decertify the Iranian deal (1) to destroy Obama's legacy and (2) to bring Iran to its knees because Iran is planning to dump the dollar as Saddam did in Iraq, which action resulted in the invasion and occupation of Iraq by the US." [from the October 18th newsletter]

T: You can see there is also a connection to Hillary Clinton who is also beholden to Netanyahu and the Shin Bet, as well: hence, all the donations to the Democratic Party by Harvey Weinstein – and there's more!!!

T: The Grump and Hillary have been in bed together for 30+ years: running massive child porn; global human trafficking, child trafficking; drug running; arms dealing, money laundering – and using the Clinton Foundation to funnel trillions of dollars to have these operations continue, a slush fund to fund all that is going on and Harvey is in bed with this

- **Other items from Katrina, Sam Seder and David Corn**, who are all Faction 3 White Knights:
 - They all said there is a problem in the United States: the spook industry is embedded in every sector of our society.
 - She said there is **a lot more to come out** about Russiagate, human trafficking, child trafficking, the child porn industry, drug running, arms dealing, etc etc etc. Fasten

your seat belts and be careful how you react to these things. And Harvey Weinstein is just the crack that begins it all breaking down.

- Grump is losing it because the hammer of Thor is coming down hard, and it has to do with the corruption / collusion / money laundering that both Hillary Clinton and the Grump are involved with **together**.
- This ties in with other international criminal gangs who are connected with off-worlders, namely the 13 families who answer to the white albino dragons, trapped here on earth by the solar system lockdown. [R: Some live in the superstition Mtns in Arizona and eat people . . .]
- They told Rama that as these reptilian invaders – the 13 families and their white dragon overlords – as they surrender to the good secret forces on this planet, they know in advance that they will be taken into custody, turned over to King Dracos and Princess Ardala, taken in starships and ushered back to Dracos where they will be tried for inter galactic war crimes. [Rama explained that Queen Ardala, mother of Princess Ardala, wife of King Dracos] after being killed in the Orion War, merged her consciousness with the constellation Ariadne / Arachne / Ophiuchus.]
- All people of earth will fully witness this operation and will be communicated with by the Ashtar Command.
- All people of earth will get a full introduction into Galactic Law in person by Ashtar and the Command, including and especially by St Germain – on screen.
- Katrina, speaking for all three, said “As we get asked about this, we – at least David Corn and I - will say that Sam gave us some really good mushrooms!!!
Have a nice day, Lord Rama! NESARA NOW, AND MICHELLE FOR PRESIDENT.”

Thursday, Oct 19th - About the significance of Ariadne, Arachne, Ophiucus

In the Medicine wheel, spider medicine discovered and created the entire alphabet of all language on the planet; they go back to the galactic language of Solex Mal, the Solar tongue, the original language. Atlantean is close to that, and Hebrew comes after Atlantean. As they are eradicating the languages of the indigenous people of the earth and therefore the truth of the history of this planet all the way back. Love Spider Medicine!!!

St Germain's teachings are connected to this spider medicine constellation energy of Queen Ardala. The symbol of Ophiucus in the constellation - the picture of a man – it's St Germain who has been and is on the planet now, with offices in DC and VA – is holding the head of the serpent in one hand, with the tail of the serpent in the other, and one foot on one side of the equator and the other foot on the other side – in symbology, he is ending polarity, and ending the Divine Leela – the story of karma and re-incarnation. This is done now.

- There are varying levels of consciousness in the population where some are trying to co-create more karma! The light that is available now to us, and all of us have the responsibility because we have the ability to make our lives work in real time, in higher conscious awareness! That's our job!

“Oct 18, 2017 UPDATE. Today, Rama met Natasha at the library in St Johns College

- Natasha brought a friend, Lianara, who is from the eleven kingdom, and lives in Hesperus, Colorado. She came out of the breathing hole / emergence place right after the destruction of Atlantis. She appears to be between 65 – 75 years old, yet she looks ageless, very tall and thin, with an elven face and snow white hair.
- She has an alternate way of travelling and R did not ask about this

- Lianara said
 - there are so many fleets upon fleets upon fleets of ships here, while fear is the only card the Dark Side has in their pocket.
 - Samhain this year will be like no other Samhain: Kali, Durga, and Sekhmet – these goddesses show up this Samhain.
 - Remember the gold dust: all life is made up of the gold dust. All of this sacred energy and the gold dust and all other sacred elements are used up in the Grump and his cadre of mobster friends. [Meaning they have no gold dust in their being - soulless, in Omena's words - all they can consume is the fear of others as they turned away from it. The gold dust represents love which is the essence of our being.

RAMA TO LIANARA - after crying his eyes out with her for about half an hour:

We have seen so many rivers of blood here.

L: You have not seen anything yet!

R: what does that mean?

L: I saw the destruction of Atlantis.

R: So did I, and so did Ruth, the White Dragon.

L: Yet I am still here. You had to reincarnate. [meaning she did not have to die - Lianara is at least 20,000 years old, in the same body!]

R: Yes, I know and I am here, dedicated to service to the transformation of all life on earth, including humanity, as we all are. Ascension now!

- Rama said Lianara told him that, after the sinking of Atlantis, she went to Arcadia, an inner earth Light City, deep inside the core of the earth, close to the Terra, the sun, which is also close to the core of the earth. In fact, It IS the core of the earth - a bluish whitish kind of sun - nuclear fusion
- She suggested that we play the golden dolphin and whale attunements on the radio programs."

Guest: Frank Chile from October 5, 2017

<https://bbsradio.com/podcast/stargate-round-table-october-5-2017>

**GO HERE TO LISTEN TO ALL THE DISCUSSION WITH FRANK AND CALLERS, ETC.
this is NOT A TRANSCRIPT: JUST NOTES.**

- Has been in touch with Walter, a friend of Bill Tompkins: the material coming through to Walter confirms much from Bill T: now working with others on the other side; is reunited with his galactic family
- has a storage place full of material to be looked after by Bob Wood
 - Michael Salla will work with the Bob and validate as much as he can
 - Michael said he has found photos he thought he'd never see again: they place Bill in the scenes / think tanks he described when no one else believed him.
 - people behind the scenes want this material to come out
 - Enough material for at least 10 books!!!

MR: if Salla never thought the photos would be seen again, that speaks to the importance of them

FC: the photos are mostly black and white, show that Bill was in the facilities
hopes others will come forward and share their parts in these stories

- a speaking engagement thanks to Jennifer Stein, director of UFON near Philadelphia
 - 80 or so professional people to listen to him; all anxious to hear the stories, asked profound questions
 - one person who introduced himself was in the Rockwell; had inklings that they were so far in advance of what the public knew – a week later he got back to Frank about one of the charts – the trade going on out in the solar system and other activities

- the copy of the chart from Rockwell was in the vertical format and Bill Tompkins said it needed to be horizontal for easier understanding
- the people at the meeting wanted the validation – know the time is NOW
another person: Caroline Cory – has been a frequent contactee – a full documentary called **Gods Amongst Us**, and interviews people from various realms of Science; her doc to be released Oct 15 in theatres, Netflix; **see her website godsamonstus.com** –
- she validates so much of what we need to know
- **The documentary has been renamed** so as not to put off the fundamentalists:
now called **Gods Amongst Us: ET contact – they are here!**
- She talks of the love they bring to the planet now, and all this will be accomplished in the twinkling of an eye; it will be as we see things and suddenly it will be at the advanced level of consciousness
- She says same thing as Judy Beebe and others: don't allow what is happening in the 3D realm to knock you off your focus; this is about love, and helping us remember who we are as Divine Beings.

Caller/C: (1) has just heard that there has been legislation being drafted in the Senate to do with advancing some kind of space treaty; on the surface sounds like now is the time to consider these things; people who know what Frank does might think of it as advancing war. Please comment.

(2) Also, from the work he does and Dr Greer: many vehicles we think are ET are put together by the gov't – how can we tell the diff?

FC: if you direct your thought to the craft you see and ask it to move left or right, or up and down, it will usually do that if it's a visitor star craft

- A friend in N J taking inter dimensional photos of ships all sizes, and shapes – positive beings of light; are telling him to share the photos who are open and receptive; also saying that they are very close to making their presence known
- yet there are aspects of the gov't stoking the fear factor: this aspect will not succeed; they are being prevented as their activities are being barred & neutralized; what is happening cannot be stopped -
- Major George Filer still has lots of contacts within gov't and there are green lights at the highest level seeking to get this information out to the public so they can accept what is happening
- when Greer met with Bill Tompkins, Bill asked Greer who he was getting his support from
 - the FBI, the US Navy, the Air force saying that the military people could now come forward and speak with no fear of retribution

MR: how has it happened that these people are cleared and able to do this – divine intervention?

FC: Bill T said he always felt protected – he'd feel an invisible presence that kept him from being run off the road, etc

- the people in the gov't want Bill Tompkins to come forward: A conference started in 2000 until 2017 - Bill always attended this conference of navy personnel and nato personnel – can only go if invited; Bill had the 2nd highest classification possible - they discussed off planet technology; interaction with positive space beings; new vehicles for Solar Warden that he would design
- FC asked Bill if he ever got negativity or blocking of what he was sharing – NO. and he continued to design craft for them until he passed this summer.
- the Nordics continued to give him advanced ideas and he designed them, and they worked.
- Bill's mother was a Nordic

Explanation of Nordic: as a young boy, he could bi-locate at the age of 5; he went to other planets where people looked like us and there was no conflict, no weather issues, using technology in the rightful cause of the Divine plan

- there were 234 groups interacting with us; some of the groups look like us, some would be taller or smaller, some were not human looking

FC: at Jennifer Stein's presentation, he was asked to speak about Valiant Thor

- Also spoke of Judy Beebe; when he talked to her later, she told him she felt Valiant Thor's presence as she was working; so she spoke to him and he to her: "Just checking in" She felt it wonderful that such presence was near by – he's still working on the planet and people have meetings with him when they least expect it
- Craig Campobosso going around showing his film; people talked to him afterwards and said they had seen VT, and that he looked just like the photos of 1957
- One person at Jennifer Stein's presentation asked if VT would have reached out to Trump and Putin about working with them FC answered that VT has met with both of them individually – was told that VT would work with neither as they had no integrity
- the woman who walked out was upset: how could anyone come into the library and say the president of the US had no integrity? The woman did not want to hear that FC was merely reporting what he'd been told: she was only one who responded like this

- Exciting to know that these things are coming together – the Divine Feminine energy has been awakened and is active – more women than men are coming forth
 - someone he knows has felt a beam of light into her 3rd eye – we are being guided in such a wonderful way

MR: question by text – was there any kind of timeline given for when these things will happen?

FC: no specific date but sooner than people think

has been talking to someone who travels to other countries – only on the surface does it look like countries are in conflict

Scott Jones and his website: sharethelight – he's working with 2 groups of programs for star ambassadors to come to the earth and people from earth to go off planet – this is a man of immense integrity!

MR: when can we sign up?

FC: when we quiet our mind, meditations are deeper and more profound than before

MR: good news that this is progressing – have been hearing it for so long and we're grown just to be patient – now it's time for things to manifest!

- Brings up Craig's film at the film festival: space was made to re-play it 6-7 times – a first time for this to happen.

FC: Recently 2 women contacted George Filer about 2 ships that came down on a horse farm and made an indentation of 60' across – FC and GF went there to investigate

- When she bought the land, had been told a meteorite landed on the land – it's about 12" deep and 60 feet across; the indent fills with water and the animals will go and stand or lie in it and the horses who are lame or otherwise hurt go there and are healed.
- If it's not wet, the horses still go there and stand in the depression.
- A Neighbour saw a craft land and has told the new owner
 - someone who could interact with animals has confirmed that this truly happened
 - The current owner has to be careful as she could be belittled, have her integrity attacked; is not talking about it much
 - GF, FC took soil and water samples, had them tested – no bacteria at all
 - when she tried to fill it with soil, the soil disappeared – happened many times when she tried to level the land

- Jacqueline Smith confirmed this: it's a healing ring and the animals know it

Caller/C: heard what FC said about the treaty someone is working on; asking again about the question asked originally about legislation on Capitol Hill

- And what is his role in this current situation, the coming changes taking place?

FC: some info on the legislation about revealing information; doesn't know the timelines –

- something happening behind the scenes that would allow insiders to come forward and reveal their truths without retribution
- his job is just to gather and dispense information from various sources of those he has met
 - also telling us that as we remain open and receptive to these things and they will make themselves known to us – getting much more validity and accessibility now

CONTACT: frankchille@hotmail.com

- Just be open and receptive to this – the truth will come forth!
- June Bird from Wyoming: **UFOs Over Wyoming** is the name of her book. When she talks around the state, women come forward and tell of their experiences – they don't know each other, but are having similar experiences – he's trying to get her to come on this program
 - June met with Bill Tompkins in July
- also Jennifer met Bill, said he was the real deal!

MR: FC has been blessed to be in touch with this information, and now ready to share with us so we can get the info going

FC: each one of us is being monitored to find out how open we are to receive this information, and how willing we are to share it – helps gives them a voice.

- There is nothing anyone can tell him that he will ignore – we are all one family

Caller/CR: this kind of information comes to us via meditation; it's of the heart, not the mind

- Has he any insights to share to help us make better connections with these beings?

FC: always asks in meditation that only the highest and best come through, that only the highest and best be shared – uses a golden light around himself

- Judy has also told him: the new energy for meditation we call on should be golden – envelop self with golden light
 - and we each have golden glow inside us – we can reflect that glow to dispense that light to everyone we meet
- He also uses the imagery of a braided golden cord attached to his heart, throat, 3rd eye, crown chakra – visualizes this during the day
 - the heart is the real truth centre: we know it's true if it hits us in our heart wearing the gold and thinking of it as solidified sunlight
- talks of using the Solfeggio tones

Omena: during a meditation, had a lot of higher beings around her she could see; they put her in the middle of the room and from her body a huge burst of golden light came forth

- has a dolphin ring of 14K gold; another ring with rainbow moonstone

FC: think of gold as solidified sunlight not as an inert metal – **walking around wearing sunlight – a very powerful energy form !!!** if we have anything of gold, wear it – it's solidified sunlight and as we think of that, see what changes it brings to you

- a woman he knows who has known Judy Beebe longer than FC: she was waiting for her sphere to be delivered and it talked to her about where it wanted to be placed
- in sunlight and now everything in her house is connected with golden threads

Caller/CR: about gold & refineries which put markers in the bars to trace them – what about jewellery?

FC: Once it's made into jewellery, the tracers are gone

FC: Jephelin: The Mothership of the Galaxy – Blanche Pritchard – READ IT as it's very powerful - will send it as pdf to MR for distribution.

- People are doing things privately, like this book: don't skip to the end, just read it in order.

RB: working on a project in the evenings and hearing sounds running across the roof

- her friend says it's one of his ET friends – but she doesn't see it – and he's just laughing!

FC: ask it to reveal itself to you and only if it is of the highest and the best – challenge it!

- **E-mail him and he'll send us a copy of the book**

MR: have done lots of work on crop circles; subject went quiet and now breaking forth again

FC: the symbols are all triggers of consciousness

- Two women who are in touch with the animal kingdom: **listen to dolphin sounds** as there are triggers in there . There are these sounds on YouTube – some an hour long!!

MR: Bob Dratch was one of the first who listened to dolphins and dropped mikes into the water

- Bob has done a lot of research for the navy – still working; an advanced being of light

Closing and thanks!!!!

- Rama has some news about that!

R: Yes, what has been happening this week, since the fiascos in Las Vegas and the other wild, highly credible stories pouring forth now:

- David Wilcock has an epistle out there—51 pages if you print it out. It describes pretty much what is happening, though he talks about a Global Reset at the end. That is the wrong story. He says that because he can't talk about NESARA [due to gag order], but I can.
- Yet everything that's going on with this character who wasn't the shooter, yet he was an assassin trained by the black ops, and it's very interesting that Nellis AFB is 13 miles from Las Vegas—and another hop, and you're in Area 51.
- This is the larger story here. In the last few days, the lead singer for Blink 182, Tom DeLong, had a press conference talking about [whistleblower/insider] William Tompkins and the Secret Space Program, and how he was part of that since WWII, and how everything is leaking out, including those stories about the giant aircraft carriers that are antigravity, which the Grump would like to play with in North Korea—yet, "cancel / clear."
 - What I got in the interview is that things are rolling out faster than we can keep up with in the news. All of it is directly tied in with how they want to keep this veil of secrecy, as JFK described it, about the secret societies, and they can't anymore.
 - [See <https://wakeup-world.com/2011/-5/20> for J F K'S speech on secret societies Jack will be back is it was only A CLONE OF JFK that was killed in Dallas; he was 100 years old this spring]
 - This empire is in ruins and falling faster each day, as more and more rats are jumping from the ship, and the Grump is losing it by the second, getting into more altercations with people in the West Wing, with tirades, screaming rages.
- I heard some things this week that are kind of disconcerting about how insane this story is. I'll just say that he does not have the nuclear launch codes. Yet, he's a bully. He pushes the river with the tough talk.
 - He is a coward, and he's backed up by the criminal gangs around the planet. This goes into the realm of the criminal gangs that are running supposedly the various governments and politicians and diplomats. Folks that have to play one side against the other in order to get their money have to contend with how words are bandied about. Then let's say, words are retracted or changed.
- Everything that is unraveling right now all leads back to Full Disclosure and First Contact. It's not about a Fake Alien Invasion or a Fake Rapture or the Second Coming. They're at their final last moments. I keep saying that, and it keeps rolling out.
- I was told today by Mr X that Harvey Weinstein has molested and raped more than 45 women. This is **huge**. This goes into multibillion dollar directors and producers in Hollywood.

T: And Harvey Weinstein visited Jeffrey Epstein's island, along with Bill Clinton, Alan Dershowitz, Prince Andrew, and others who rape and abuse young girls on a regular basis.

T to R: You were talking to Mr X, and he said, "Need I say more?"

R: The attack on Lisa Bloom is all **not** true. Rama asked Stephanie Miller about it a few days ago, and she said, "You have to be quiet. This is serious stuff." She's representing the family of the young girl who was raped and murdered by Grump in a St Petersburg hotel many years ago.

- Bloom also represented Harvey Weinstein in the past and stepped down from that assignment. And there was another really good lawyer who stepped down at the same

time. There's more behind the story—meaning, they are being forced to do things, or be killed.

T: There has never been any power—even though they say there's power in the presidency—it's never really been there, unless you align yourself with the cabal, the Khazarian Mafia characters.

T: And this is why, as we've been saying for years—Barack Obama is a double agent, President Xi of China is a double agent, and President Putin is a double agent. They have been working together behind the scenes with the Galactics.

- [Insert: Putin has been working with the Andromedans; President Xi works with the Pleiadians.
- Barack is working as the 9th member of the Sirian Council of Nine. He is originally from Andromeda as a Paschat; he and others of Mother's Paschats from Andromeda, along with the Crystal People, travel to Sirius B in order to provide assistance with the Councils of Light which are working for humanity to break us free from the dark Satonian Sirians. These Sirians have dark underground bases on earth, and have been working in the deep underground military bases [DUMBS] in Earth's underground, to reduce the [human] population to 2%.
- It's a very long story!

R: I also wanted to say, as you read that epistle of David Wilcock—he goes into **the symbology of the Mandalay Bay Hotel**, and the pyramid on the Las Vegas strip, and that light on the top of the pyramid that's supposed to go into space.

- Also, there are two sphinxes in front of the hotel, and another on the Strip. All of this has to do with the symbology they've been playing with. This story with this shooter is way deeper than anybody knows. It is about the MK Ultra program that they are still trying to hold onto, with the various folks playing this endless war game.
- In the last day, I read somewhere that the shooter had sent his wife in the Philippines \$100,000 as a wire transfer. This story is getting more convoluted by the day. That story has faded a bit in the news, and now HW is front and center, along with the other pieces of this unraveling. [See this story: <http://www.gregpalast.com/went-school-vegas-shooter/>]

T: It doesn't change anything, other than to show the world that this man and those behind him—the Koch Brothers, and Shelly Adelson, who basically owns Israel due to his support of them financially— have the sole intention of keeping Lucifer in power, through them, their minions, and this criminal money system.

- They have intentions now to shut down even **more** social programs. Grump has already ended the CHIP program [Children's Health Insurance Program], with no intention of refunding it, and there are many other programs in the wings.

R: Also, today **Hamas and Fatah came to an agreement at Rafah** on the Egyptian border, so that Palestinians from Gaza can go to Egypt to escape the horrors of Palestine. Grump and Netanyahu are infuriated. They have condemned what Hamas and Fatah have done, and are still calling Hamas a terrorist organization.

T: It's never been a terrorist organization. A lot of those events were arranged by Netanyahu, to make it look that way, just like ISIL is set up and funded by our Black Ops.

R: Boycott Israel—boycott, divestment, sanctions!

- In this country right now, as more is unraveling, people who support the BDS movement [boycott, divestment, sanctions] are profiled by the ABC agencies, which is not a good thing, yet we have gestapo everywhere.
- It's intense to share these stories, because more and more things are unraveling as they try to create more and more distractions.

- Mr X also talked about this black man [**schoolteacher DeAndre Harris**] who was beaten within an inch of his life in Charlottesville during the riots. The white neo-Nazis were arrested for assault, and so was the black man [who was beaten]!
 - Greg Palast has said that Jeff Sessions is in bed with this story, progressing the Nazi movement in this country.

[<http://www.gregpalast.com/charlottesville-victim-neo-nazi-beating-charged/>]
- I saw a YouTube video today—"Remember, remember, the 5th of November. V for Vendetta!"

[This is the youtube Rama spoke of: **V for Vendetta - Remember, remember the 5th of November (HD)** <https://www.youtube.com/watch?v=LF1951pENdk>. You will also find a sequence of youtubes that present the movie in segments. This is the following segment which presents the speech: <https://www.youtube.com/watch?v=z1ikQQk8cJQ>]

[Insert: Following is the poem from which the name of the movie has been taken. Included is the link to the entire poem and the history behind it.

English Folk Verse (c.1870)
The Fifth of November
 Remember, remember!
 The fifth of November,
 The Gunpowder treason and plot;
 I know of no reason
 Why the Gunpowder treason
 Should ever be forgot!

[<http://www.potw.org/archive/potw405.html> . . . the November 5th celebrations in some time periods included the burning of the Pope or Guy Fawkes in effigy.]

- R:** They want to play with some very dangerous things in this country as things are unraveling more and more.
- Right now, tomorrow is Friday the 13th.
- T:** Mother's birthday—again! She has so many birthdays in a year!
- R:** This also brings in the asteroid Eris. As you read today's Oracle Report, Eris between today and tomorrow is doing her thing with the 'Apples of Discord'. [blue apples: a metaphor for psychedelic mushrooms].
- In the legends of Mount Olympus, Eris is also known as Lady Discord who is a temptress like Venus; she'll tempt you and take you on a journey with the blue apples; if you take the enticement, rather than deal with your shadow, you will be headless. That is, we have to face our demons and transmute them: praise, respect, thank and love all the feelings that come up.]
 - As the fake news stories continue to get more and more intense; they want you to lose it and go into depression and despair. [Despair is NOT AN OPTION!]
 - Mr X also pointed out today that Delilah's son, Zacharia, was being targeted with the ELF and ULF waves to increase his depression before his death. All of this is about these times we're in, where we're walking the razor's edge, and the light of 10 trillion suns came in in the last three days, and now—you drop the pebble in the pond, the ripples are going out, and they become tsunamis!
 - That eclipse on August 21st hasn't gone away. Those ripples continue on. It is **huge!**
- T:** Fatima is a **sister energy to the Golden Age energies** of 13 million years ago, bringing in the Ashtar Command and the Children of the Sun energy.

- The warning was, we needed to consecrate Mother Russia to Fatima and the Sacred Heart. The church and all of their oligarch friends and all of the cabal have completely refused to comply and thus delayed things.
- With the influx of consciousness and all of these higher energies coming in, it's inevitable that it shall come to pass through US, the people, lighting up the world with the Wisdom of change!
- I pass the talking stick!

PS#2: Puerto Rico is a genocide operation in living colour:

Freed Puerto Rican Political Prisoner Oscar López Rivera on U.S. Colonialism After Hurricane Maria

One month after Hurricane Maria devastated Puerto Rico, we hear from longtime Puerto Rican independence activist Oscar López Rivera, who was released in May and is now in San Juan to visit with community members affected by Hurricane Maria. Until earlier this year, Rivera had been in federal prison for 35 years—much of the time in solitary confinement—after he was convicted on federal charges of opposing U.S. authority over the island by force. President Obama commuted his sentence in January.

PS#3 Rosa Clemente on Puerto Ricans Drinking Toxic Water & San Juan Mayor's Message to the Diaspora

https://www.democracynow.org/2017/10/18/rosa_clemente_on_puerto_ricans_drinking

In Puerto Rico, residents desperate for drinking water have begun pumping water from the Dorado Groundwater Contamination Site—a hazardous waste Superfund site. The EPA warns the water contains chemicals that cause liver damage and an increased risk of cancer. We speak with Rosa Clemente, just back from Puerto Rico, where she joined other independent journalists in documenting conditions for a project called PR on the Map, including at the Dorado site. She also interviewed San Juan Mayor Carmen Yulín Cruz about her message for the Puerto Rican diaspora.

Message to the diaspora from MAYOR CARMEN YULÍN CRUZ:

“When you are more than 50 years old, you’re afforded the opportunity of getting a little emotional. So I will say this the only way I know how to say it. To the young people out there, the diaspora: *Coño, no nos dejen solos, usen su voz para que sean el eco de nuestras voces*. Without you, we are done. The world will not know what is happening here, because the twists and turns of a man that knows nothing more but to tweet his hate away will take over. And we cannot let that happen. So it’s on us, but it’s on you, because, after all, we’re one nation. One nation.” [Taken from news item above.]
