IV HARD NEWS

III Mayan Calendar Rainbird

In the last day of the wave of Kan

26th Thur – 13 CIB – yellow cosmic warrior - 13 is the cosmic tone; the warrior words are question, intelligence – 13 words are transcend, presence and endure - I am guided by the universal fire - which is Ahau, the Sun.

27th Fri – 1 CABAN a new wave: working with earth energy – perfect for the energy we are in as we move into Samhain

28th Sat – 2 ETZNAB mirror, cutting tool – 2 tone of polarity – seeing what is ours and what is others, and seeing ourselves in everyone we look at, with all we interact with

29th Sun – 3 CAUAC - entering Samhain a high holy holiday. Cauac is a storm energy which lights clear thought

30th Mon – 4 AHAU - the sun energy, rising to Christ Consciousness

31st Tues – 5 IMIX this is Samhain – IMIX is the beginning, the Mother, the dragon- 5 tone is also the harmonics: the veil is very thin, the midpoint between fall equinox and winter solstice

1st Nov Wed – 6 IK - All Souls Day, the day we spread yellow flowers around every grave and pathway as we live in Mexico; celebrating with the ancestors and visiting with them
6 is rhythmic tone, and IK energy coincides with the Day of the Dead

2nd Thur – 7 AKBAL - All Saints Day; 7 is the top of the mountain; Akbal is the energy of the night, a time to work with the unseen, be unseen

The week ahead: no portal days – working with the high holy holiday

Messages from the Team

COR: The Collective are saying that right now we've turned a corner energetically, and the supposed chaos we see and all of those being exposed – eg Weinstein who is just the tip of the iceberg of sexual harrassment & more serious crimes committed in Hollywood and other power spots, using earth energy and their own social and political constructs to carry on their activities

- don't need to be upset as the flotsam and jetsam is rising to the surface for clean-up – a positive thing
- the exposure of the JFK files is a NESARA indication – a move forward, an encouraging item
- the energies are powerful and exhausting – all is moving forward very positively
- don't expose self to more of the chaos than necessary; concentrate on our own development, connection to the earth, ability to anchor the energy to the earth. Things are moving forward, not backward!!!

Omena: to follow on from COR: for the healthy energy to come in, the negative energy has to be cleaned out and that includes everyday folks who may not be doing work we do – will have suggestions of what we can do to make those changes

- our brains are already going through a paradigm shift – those not willing to learn will be going elsewhere to be educated – and how they go is varied
- we do have to clean up our energy in order to ascend and to receive 5th dimensional energy - will talk about this

Randy: yesterday many celebrations there due to the burial and burning of the Cane – the entire country went into meditation at 10pm before the burning of the cane – a wide variety of emotion was palpable.

- keep yourself on the straight and narrow and in heart energies: the human race will survive no matter what it looks like out there

MR: brings up the point that Rainbird mentions in the housekeeping that can make a contribution to Rainbow Roundtable also supports Stargate too – this is not the case

- there is one person in Illinois who helps greatly her with the support of this Thursday program

Call her for the access to the Paypal should we wish to contribute to Stargate Roundtable

HARD NEWS T, R

R: Greetings!

T: Aloha, everybody! Thank you, Marietta.

We did a wonderful ceremony with Susan making her transition on Tuesday evening

R: yes!

T: Something wonderful happened with Rama.

- He went up to where Rana Mu works, and Natasha was there. So Rana Mu, Natasha, and Rama drove up to the mountain and went to the fairy ring.
- Rana Mu and Natasha called in the energies, while Rama spun his crystals. He had his two big crystals, called Helios and Vesta—[the real] Helios and Vesta are the real parents of Sananda Kumara.
- Soon they started to see some electric laser pink lights coming down from the sky. The

sky was clear blue and no clouds. As they continued to call the energies in, more pink electric lights came in over them.

- Then the new rays changed to a magenta ruby ray color. That brings in Lady Master Nada and the Ninth Ray of Completion of Love.
 - They became aware that those driving up and down the mountain were stopping to watch. They were about half a block from the road—where the fairy ring is!
- T:** But people can see what's up in the sky! Rana Mu said it was changing the energy [that people were watching from the road], and they didn't want to collect a crowd, so they closed down the ceremony.

- Then **Rama got a call from Dodi, LM Nada, and Lady Diana**, saying that they were calling from one of the temples at the Potala [Palace] in Tibet.

R: It's a huge complex in Lhasa, Tibet.

- T:** The Potala is controlled by the Chinese at the moment. Yet Dodi, Di, and L M Nada told them is that they went on a starship and it was cloaked.
- They were beamed down [from the starship] into the temple. There was a force field, to keep everything cloaked from prying eyes that don't need to know.
 - They spent four hours there, with 72 lamas, spinning the prayer wheel and doing the Om Mani Padme Hum chant—"I am the crown jewel in the eye of the Lotus," and did mantras.
 - There were live Tibetan horns and large Tibetan drums, taller than a person, and Tibetan cymbals.
 - The **ceremony was dedicated to Susan's transition**, and to all of our **new** mission with Susan, and all of humanity's mission to bringing in the Age of Enlightenment.
- So Susan had quite a gathering! She is telling us, "Let's get on with the mission, because there's no time to waste!"
 - Rama, Tara, Cheryl, Fran, and Cindy the greeter [for the Ashtar on the Road calls] all got similar messages in unique ways: Susan is working with the Arcturian Council at the Anterres Arcturus Midway Station with Lord Metatron, his consort Naptha-Al-Ra, Lady Master Athena, Ashtar's Twin Flame, and the Praying Mantis people, [healers] who use the emerald green ray and lime green ray, which is the color of the beam used to beam people up into the ships.
- Rama has been up on the ships many times in the physical, and the beam is always lime green. It's a very powerful tri-colour It's got to do with transmuting all the energies to the fifth dimension and higher – a very high ray. And the emerald green ray is located on both the fourth and fifth ray: on the 4th ray with the White Core Fire of Being Eternal Flame of Serapis Bey, the great disciplinarian.
 - Benjamin Franklin said, "The price of freedom is vigilance." There's a need for discipline if there is to be any freedom.
 - We're being asked to really discipline our lives, and to tune all we do, and focus on this mission we all have together to usher in this Age of Enlightenment and release all that is not that.
 - We're approaching Samhain, the thinnest veil time, on the 31st.
 - Durga, Kali, and Sekhmet—Lady Di, Dodi Nada also said that the energies we're focusing on now are definitely going to be different than any other Samhain, because they're coming in, basically very powerfully, to elevate this whole planet into a higher conscious stream of higher Love, Light, and Peace.
 - A natural result of that, as the Collective through Caroline was saying, and Omena and Randy [were saying]—even the Mayan Calendar was indicating that

we've got all kinds of help, including bringing more and more evidence forward that is exposing . . .

- Rama was **told by Tom the Cat** that Mr [Harvey] Weinstein's exposure is the tip of the iceberg, which is going to take down the whole canopy of the false matrix. It's collapsing very rapidly behind the scenes.

R: It is! There's a YouTube out there put together by Corey Feldman, who was sexually abused and messed with [as a child actor].

- He created an Indiegogo page, where he is trying to collect money to do a documentary about the human trafficking and child trafficking, the abuse that goes on in Hollywood on a massive level, like Harvey Weinstein and other billionaires who rub elbows with the Grump and other characters in the District of Criminals.

- In this 13-minute YouTube [one video is at <https://www.youtube.com/watch?v=hmqqx4RIHf0>], Cory talks about how when you get to Hollywood and you're trying to make it, there's all kinds of sharks out there, and they have no compassion whatsoever. This is like a feeding frenzy for the dark side.
- This is leaking out now as so many people are coming forward; it's going to change how things are done with respect for all life.

• He heard today how this relates to the other parts of this story. We know Mr Mueller is compromised about 9/11.

- Sibel Edmonds had a piece out today in her paper *Newsbud*, about how Mr Mueller is connected with Paul Manafort, who is connected with that Turkish millionaire who's hiding out in the Poconos [https://en.wikipedia.org/wiki/Fethullah_G%C3%Bclen], who [Turkish president] Mr [Recep] Erdogan wants to extradite, saying Guelen was involved in/behind the coup.
 - Mueller and Manafort are tied in with the coup in Turkey!!
- Gonna come out that Mueller is compromised: such a larger story than Watergate!!

- Talk out there about Julian Assange going to drop a huge mother load – all kinds of stuff that go into the secret space program. Already stories out there about the flying aircraft carriers that have been seen over Florida and other parts of the world It's just a matter of time before somebody starts talking about this in the regular news.

T: Did he download it - WikiLeaks?

R: I haven't seen it yet.

- There's all kinds of stories [out there] with November 4th & wanting to play with stuff!

T: What's the big thing with November 4th?

R: As we go from Samhain to All Saints to Day of the Dead, then Guy Fawkes Day on November 5th, they want to create some chaos.

- So blaze the Violet Fire, because they are ravenously desperate!

T: Last night, Chris Hayes interviewed Elizabeth Warren about the bill that people voted for the night before, about the tax bill.

- She said this bill is "a giant wet kiss to Wall St. Bank lobbyists are crawling all over this place to get Congress to make it easier to cheat their customers."
- [With this bill] the Senate stripped customers of the right to join class action suits against banks and financial institutions.
- That means when Wells Fargo creates something like 3.5 million fake accounts, this vote says all those 3.5 million people would have to file individual suits. They would not be able to come together and do a collective lawsuit, which means the banksters get

protection, and can continue to defraud people with impunity all the way down the line.

- Every Democratic senator voted against the bill, and for retaining consumer protection.
 - Republicans Senator John Kennedy of L.A. and Senator Graham of North Carolina joined the Democrats, saying he wanted to protect military families from predatory banking practices.
 - Elizabeth Warren said she was joining him now as a ranking member of Senate Sub-Committee on Financial Institutions and Consumer Protection.
 - Chris Hayes said to Sen. Warren, "Consumer protection rule was your brainchild. Senate Republicans overrode that last night. Were you surprised?"
 - She said, "Yeah I thought we'd have enough votes, because consumers had weighed in across this country. AARP had weighed in, and the veterans' groups and active duty military groups, who said we're getting cheated by these forced arbitration clauses where they said "we cannot get any kind of relief."
 - The American Legion, representing millions of veterans, were on the front lines, said, "Hang onto this rule [of allowing class action suits against financial institutions]."
 - She thought for once it would enough to comply with the will of the people!
- See full interview: [All In with Chris Hayes](#) 10/25/17

Warren on bill she calls "giant wet kiss to Wall Street"

<http://www.msnbc.com/all-in/watch/warren-on-bill-she-calls-giant-wet-kiss-to-wall-street-1081614915755>

Senator Elizabeth Warren reacts to the late night passage of a bill that she says will make it easier for bank lobbyists to cheat their customers. Duration: 8:21

Question from Randy: I have people asking me, "What dimension are Princess Diana and Dodi al Fayad living in?"

T: They live under a dome of protection in a village with 18,000 refugees in Tibet, and they are protected under that. The village runs on Keshe technology.

R: They are in the 3rd dimension, and have created a Light city in the Wesak Valley.

T: The veil is pretty much gone between those two [third and fifth] dimensions. We have the ability to travel back and forth more easily, and we can connect with loved ones on the Other Side much more easily, and they can connect with us much more easily.

R: I like to think of them as Master Obi Wan and Master Yoda, traveling the Galaxy and helping folks out!

T: Sen. Warren was saying, "One party in America thinks it's OK to knock 25 million people off their healthcare and to run up healthcare costs for everybody else, and one party thinks healthcare is a basic human right as Bernie made it very clear from the floor of Congress.

- "One party says the most important thing about tax breaks is to cut taxes for the billionaires and zillionaires and multi-national corporations, and the other party says, 'No. We know what happens as you do that. It means that working class families, middle class families, don't have the support for their schools, for the infrastructure, highways, bridges.' "

- She said, "I want to see this country make these kinds of investment and to do that, everybody has pay a fair share of this. We need to get out there and make this country work again for working people, not just the slim slice at the top. We have to return to our moral standards."

T: That's what NESARA does too! Pass the talking stick!

SKYPE sessions; phone sessions; face-to-face sessions

Phone: 860-871-6076 - leave a message; Richard will get back to the caller.

O: to talk about the 5th Dimensional energy & how it affects us, as it the way we do things, think things; she is going to address the regular person who may not be familiar with the energies

First thing to be aware of: Everything begins with a thought so we have to be aware of what we put out in the world, and how we put those thoughts out; we can see things positively negatively in every day living.

Whatever people say negatively, reflects on them, not us

- once we are aware that everything begins with a thought, we need to train our brain to set intentions for every day, to be positive in our outlook as this will raise our vibrations
 - have to learn to let go of old belief systems, judgments and how we think others might be judging us: Just allow, let people be who they are, not our job to change people or to correct them and this is a challenge for most of us
 - let of of old hurts, old transgressions that we didn't agree with
- and we have to ask for help – this is the most important part. Even if you don't believe in the spiritual hierarchy STILL ASK FOR HELP, and then BE OPEN TO THAT, receive it!
 - Lots of people are givers and are not willing to receive anything back: if someone compliments you, just thank them
 - and that is the beginning of receiving – just saying thank you is the first step to clearing up your energy
- envy, gratification and obsession is the ego of the personality as opposed to the ego of the soul which is about encouragement, gratitude and observance
 - we have choice when people speak to us: we can respond, reflect about how we answer
 - when we take time to think about our response, it clears up misunderstanding
 - we can reflect on what they said and reflect it back to them: is this what you meant? This also helps misunderstanding

Caller/R: Susan passed on Tuesday; any messages from her to the Ashtar on the Road Family and to Fran?

COR: explains what happened – seems to be communicating with the Arcturian Council she's now joined, even before she left her body – she is/was very dear to the whole community

O: She's bringing some healing energy to many people who need it; she's happy to be where she's at and she's far more effective there – she's reaching more people on an energetc level – helping people to by giving signs and messages on how to proceed especially with the team she left behind; sending love and light to us all

- She loves where she's at and she wants us to know that; says she's far more effective there

COR: Tara and Fran are getting the same thing

Caller/R: thinking about moving apartment and finding a decent place that is safe and have a 3rd potential room mate

O: she sees caller as trying to rescue the potential roommate, and that is the problem: 3rd person is ambivalent about moving out of her parents' place – will bring her guilt & anger with her.

- She gets that the suggestion is if John and Caller do this, the 3rd person needs parenting
- need to pay attention to your feelings as they are telling you something – gets that it could be problematic

Randy: saw Susan standing on the bridge of the New Jerusalem with a big smile on her face and waving!!!

Caller/B: going to apply a human resources position with Spectrum: what about getting the job or not? Spectrum is a cable TV company

O: Company will offer one, but not necessarily the one she's got – if want to be in the company, might be advised to take it

- have to be clearer in what you want: are you ready to move on to the new job?
- The ideal would be taking care of the lady the caller is currently looking after, and have a part time with the company – get clear on this so the offer is clearer.

Caller/B: Moving out of this apartment Feb next year: looking for a house – will she have to rent or purchase –

O: get clear on what you want – sees June as the time – make a clear plan while you're waiting

T: a little message: around Santa Fe, it's a sellers market – check on the circumstances

Caller/B: has been looking at the market in terms of buying – houses coming down in price, renting is going up – tons of houses going on the market

T: and it's real; the stock market will collapse and the end of naughty billionaires doing things to the rest of us

Caller: for the prices that are coming down, some beautiful houses available

O: make a clear plan with the intention for your highest good

Caller/B: love and appreciate the calls – listen all the time

O: About love and light: sometimes we feel we have to love everyone . . . gives us permission to love people even though we don't like them

Caller/K: about the energies – feeling very scattered: everything she's trying to do seems to hit a block – looking for guidance

O: many things happening right now, sometimes it's a matter of just sitting back and waiting for the energies to move as they need to and work themselves out

Caller: everything the family members put forward seems to be a box

O: a sign that it's not time – look at what you're wanting to move forward and make sure it is for the highest good of all; being shown that there's too much energy in the one pot – a whole bunch of energies getting mixed up; give everyone their piece of energy back and find out which piece comes first –

- it's about organizing – right now, it's organized chaos; take charge diplomatically – sort out the energies and put them with the right vibration

O: Love vs. Light: when we love someone, is it conditionally or unconditionally?

- Conditionally involves our ego – in how they should look, behave; this often goes against the grain of that person; this is not love and then there are bad feelings around
- Unconditionally – we see them as someone moving along doing the best they can; we may not like what they do but we keep our mouth shut! We have our own boundaries and say we love you yet we don't approve of this
 - It's about healthy boundaries, healthy communication, taking care of ourselves
 - If we can't talk to them, write them a letter

- To be involved, hopefully it will be in a supportive way

O is working on this information to help people have less stress in their lives & stop feeling so responsible for others

- we are very connected with others, and we can raise the vibrations by the way we accept people rather than judge them
- People can take a look at their lives and see what they are doing and why they aren't happy about this; then they ask themselves for help and be open to receiving the help: where did I make an absolute decision to do something – usually made through childhood and during the teen years – they are in survival mode, not living mode
 - has also seen decisions that were made in past lives and brought through to this life –
 - this absolute decision making has a definite impact on our mental, emotional, spiritual and intellectual bodies: sometimes that is our purpose – to get rid of that absolute decision so we can change our own lives and so we can help others because now we understand and have compassion. If someone needs someone to talk to, ask the Universe for a name, for help - cleaning up the energy is where we start.
 - Use your intuitive self and pay attention: often comes as a feeling in the stomach; sometimes you know in your heart what is a good decision for you
 - difference between spirituality and soulality – spirituality is in harmony with the rest of the world – Soulality is stretching to reach that state of soul, into the spiritual realm
- Ask your soul – sometimes things come into our lives and we wonder why – look for the higher good – why did I bring that person into my life? And don't make it complicated: simplicity is best
 - If your gut says no, don't go; if your gut says yes – go for it.
- It works in mysterious ways: everyone we come in contact with – our energy affects them, or their energy affects us,
 - we want to end up learning how to do things by choice so it is for the highest good; to be aware of how other peoples' energy affects us, and how we affect others – bless them and send them on their way when we don't resonate with them.

MR: how about looking at the way we act/react to whatever is going on in govt/those we think are controlling us – how much control do we have - sometimes we take on the victim role when we don't understand enough

O: the victim role – that happens when we see ourselves as powerless

- Mr Trump is there as a necessary evil & he's bringing up everyone's stuff; all kinds of negative energy flying around; eventually will burn itself out. We can vote in new in the next elections – and we also have to be clear about our intentions.
- the whole feminine energy is waking up now, and saying they not going to take it any more; not being silent about sexual assaults
 - the whole idea of a bunch of men sitting back making decisions about women's healthy is ludicrous – they are afraid of female power - women are very, very powerful – it's a battle of the sexes in a sense
- also a reminder of how we use our sexual energy: it's a misuse when we sit around and allow the misuse – it's the numbers that count, that make the difference to making it real and result in "yes, this really happened."
 - so far all the people being accused are saying it didn't happen
 - a consultant was called in to help and then he apologised to the women he may have misused – the first time Omena has seen a guy get up and own this – this was part of the culture which was allowed

- now the Harvey Weinstein story is coming out, and there will be more coming out – started with #MeToo on Face book – this addresses the sexual abuse and the misuse of sexual energy – that is why we have to clean up the energy

MR: has a question about those who are contrite are only like that because they were caught – I made a mistake, need some help

- O:** there are some who are genuinely sorry for what they did: we need to hear more from them – it used to be allowed or ignored – now women speaking it out and no longer stuffing it down “it really did bother me”; “they don’t have permission to do that!”
- When women are in their energy, no guy will come near them

COR: is it not a shift where humanity is claiming its power and it’s due to women, non-whites those who’ve suffered for thousands of years: this will not be allowed any more – it’s an internal shift too, with people reclaiming their sovereignty.

O: yes, and there is strength in numbers. One speaks up and others follow; this is the kind of energy that goes out to the universe and brings more people in; have to start where we are now and not allow it as a start:

- **thoughts are very, very powerful** – the more positive we are, and the more positive boundaries we have around ourselves, the more healthy boundaries around us – it’s a movement of energy and it gets a life of its own and then it’s world wide

COR: it’s a higher vibration that say you will treat me with respect; people no longer willing to accept that this is the way things are – young girls used to be told there was nothing that could be done so just keep quiet.

- the power of the conspiracy of silence is being broken due to the strength of the energy.
- O:** wherever we want change – comes down to realizing we are all One, and the only thing that helps is love – we have to love and respect ourselves enough not to allow anyone to violate our boundaries – and we have to look at our own bodies of energy and how we treat them
 - She doesn’t mean this to be hard work, complicated
- We’re back to loving unconditionally which is where we came from

COR: the biggest thing about unconditional love is about detachment and not having people be what you think they should be

- O:** detaching with love is one of the most challenging things for anyone to do because we are battling with our personality ego – our personality creates our reality today and if you don’t like what you’re seeing, need to change something
- There’s an emotional investment to the payoff

Caller/L: keeps being guided to work with various groups to connect heart and soul communities and to help replace the military sign ups – when does it come to fruition, take form?

O: 3-5 years is what she’s being shown – talking about creating a movement, a grass roots movement; if you can achieve that in that amount of time, that’s a big thing!

Caller/L: the Quakers wrote the legislation for getting the women’s right to vote and the abolishment of slavery – needs some help to get a similar thing to happen with what L is bringing up

O: It will take root; in 3-5 years will be recognizable organization

Caller/L: some groups have developed application forms to network for each other; caller concerned about getting them paid

O: keep doing the work; it’s beginning to gain momentum.

Caller/R: lots of pain in right leg – what’s behind so healing can start
