HARD NEWS TARA – T RAMA – R

T: On **Deutsche News:** an article about "America's grumpy president seems to have used some vulgar language" – the word is out, and it's a good thing!

Germany: Angela Merkel said there was a break-through in the discussions. A would-be coalition of German politicians representing the 3 factions that got elected last fall spent all night in discussions about creating a coalition government – yet there's a way to go for that to happen!

Mario Draghi, President of the European Central Bank, will be out of that position by the end of May. That guy did 9/11 big time.

- 9/11 is not going to go away. We're going to go through it. With unconditional Divine neutrality in our hearts, we will hold the perpetrators accountable together.

RAMA: Yes, and why is Sybel Edmonds the most gagged whistleblower in US history? **Three little numbers: 9-1-1.** He said she has her own website – NewsBud.com. It's about \$15 a month to see what she's talking about. She puts all kinds of stuff out in terms of subject matter. She is nailing Mr Gulen!

T: He's that Turkish guy who's been backing these privatized schools—charter schools. And they're not telling anything that's the truth in there. Nada. [meaning 'not in the least!']

R: And Gen Michael Flynn is involved.

T: He's more involved with Gulen – he's attempting with bribery money to get Gulen extradited on Erdowan's behalf back to Turkey, so Erdowan can blame Gulen for Erdowan's crimes and then execute him – problem solved!!!

- Nobody can hide. And remember that the thing about this is that Mueller, for the 11 years he headed the FBI, provided cover for Gulen so he didn't have to get in trouble for anything in the US. That's called 'conflict of interest', folks!

T: Rama has a swollen tooth, and looked like a chipmunk in the morning. He woke up with the swelling in his face from a tooth infection. Vinayak said it went down 73% by following the protocol, and he's still got to be diligent. The swelling is going down . . .

- Rama **went to see RanaMu** this afternoon. She laid him down on the bio-bed, and told him, "Close your eyes and try to relax as much as you can. Focus on your friend Raphael/Nightcrawler." Dr Vinayak recommended to Ram earlier in the day to work with Archangel Rapheal as a healer guide to help him with his infected tooth.

T: There's a whole fantastic story around him in the *X Men* film series, yet he does hold the energy and the ray of Archangel Raphael at the same time.

R: The character called Nightcrawler has been in several *X Men movies*. The character I-Med is—

T: Where did you meet him?

R: Natasha introduced him to me. The *X Men* story is fictional, yet the being I met works with Archangel Raphael on that ray of energy on the planet. I can describe him as an Angelic, ET-like being who is here as part of the contingency forces, to help the planet, along with Lord Michael's other legions of Light.

- He has the ability of instant teleportation. He can dematerialize and rematerialize anywhere, no matter in what kind of structure—the Giza Pyramid or a bank vault. He helped me out today with my tooth.

T: Then Ram concentrated on Rapheal's energy, and called in any and all faeries, Angels, divas and all others able to assist him on levels to help with the healing process . As he did his connected breathing and focussed and called in all Lighted Beings, a flat screen came down from the ceiling, and it was focused on Rama. His friend Nightcrawler appeared on the screen and said, "I am going to shrink myself down to the size of an atom and work on your teeth, and the gums."

- Then Rama felt a tingling where the infection was, in his gums and puffy cheek. As the tingling increased, his face became flushed as though he were in a sauna. He slightly opened his eyes, and saw a ruby red ray, alternating with Archangel Michael's electric blue laser.

R: I saw this blue laser light moving across my body. This went on for 5 minutes. Then Raphael/ Nightcrawler showed up on the screen again and asked Rama how he felt. Rama said, "The tingling is still going on, and I guess that will continue till it completely flushes out the infection."

• Nightcrawler told Rama, "Right. I will be with you through the continuation of the healing process for the duration. Take time and go slow. We'll take care of the big story, along with Goddess Sekhmet. Peace and love and remember Dr King at this time, especially his Viet Nam speech. May the Force be with us all. Namaste."

• Nightcrawler was referring to the most critical speech Dr King gave during his lifetime, which was the anti-Viet Nam War speech. In it, he said " The worst purveyor of violence on the Earth — RAMA: —[is] the empire here!"

T: Then the Grump pissed off the world. You cannot sit in the Oval Office and insult the whole world and get away with it!

R: Dianne Feinstein called him out on it. She said, "Start acting like what this [presidential] office represents, or get out now!"

T: That's the pot calling the kettle black!

R: Right—CIA, 9/11. I don't know where to go with her!

T: The encroachment of Full Exposure of the 13 Families is quite at hand. We know that story, and the rebuttals. Dick Durbin did an amazing job exposing that. Then our lady from L.A.—

R: Maxine Waters, along with [MSNBC anchor] Joy Reid.

T: That story is going to go on now . . . so we will continue playing the series with our brother Neale Donald Walsch: "The Purpose and Meaning of Your Soul in This Universe."

CONFERENCE CALL

Caller/S: was on call last night – Frank Chile 9s a great story teller!

• Val Thor was reported as saying that he would not talk to either Grump or Putin because they have no integrity . . .

Caller/ C: that Valiant Thor felt both of them were out of integrity and could not see him working with either of them due to lack of integrity

T: there are still levels of awareness in the ET s too -

C: we're giving you the gist of what Frank said: in a recent contact, VT said he would not work with either because they lacked integrity . . .

T: no matter whether one is on the other side or here, there are still various levels of integrity

• As Frank still believes in Dinars, dongs, etc – he's working from that level

S: so that means all Frank says has to be evaluated???

T: Yes – and we have to ask about all of – work with experience at the soul level

S: that statement threw her off – his stories were so good, especially when he talked of Bill Tompkins

T: there's a universal mind and we can all tap into it – she would say let's say there is a universal mind saying that the one in the seat of power has a problem – an aura around the whole capitol

S: what is the main source about bringing forth disclosure?

T: Faction 3 White Knights– Lady Di, Dodi, KOE, the KOS, the incarnation level and the galactic level

S: So Valiant Thor is not Faction 3?

T: the small group Rama talks to have that particular mission. Thor's mission is different

C to S: COR channels the Collective; Rama channels Mother – it's Thor's thing and Frank's thing

T: Rama channels Mother Sekment – Mother Gaia is a completely different entity

C: has had that misunderstanding until only a couple of weeks ago!

T: Mother S walks right in through Rama Arjuna's body!

- This question is unique: she's heard R talk about this before: the energies involved – a different level of energy is involved [in different situations] – there is Frank Chile's [energy] and Valiant Thor's who is from another dimension and answers through Frank
- There are complete trans channels and there not so many of those; Frank is not at that level

S: was Frank in touch with Dr Stranges? person that Craig Campobosso wrote his movie about

T: Frank knew him – don't know how much or how well – Tara recounts a story about Stranges going home to Italy to visit; his father went to the market and a stranger carried home all the bags of food so they invited him in for tea. As the stranger left, they watched him walk down the street and up some stairs and disappear: that's how they met Valiant Thor and then knew their son was telling them something that was real.

Review of details: the 500,000 indictments have been sealed, even though that is not what is being announced on TV: they are saying only 10,500 – and we know Mueller will never tell it all as he has overlords too

as for the mess: it will be sorted out thanks to the rising energies

- the episode in DC contaminates all of Washington and the entire elite – they wanted him in as president in order to manipulate him

C: speaking of service – moving into the energy of the Martin Luther King day – holiday is 15th

- What's the feeling about his role in the realm of ascended mastery: was he close to that?

T: He did know they would kill him, same as Robin Williams knew –

- T knew the inner circle enough to know that he knew – And T was told to get out as the person who was going to kill him was in the room – so Tara left.
- She found out later it was Ralph Abernathy – she didn't know that night

- Right now we have a whole bunch of people **moving towards de-evolution**

C: in what ways has MLK's energy circulated around the world?

T: MLK died in the same way as his greatest teacher, Ghandi – who hated black people!

- MLK worked with the highest part of another person's soul for his own highest good!

C: the best thing for Gandhi's legacy was the way MLK use his teachings.

T: MLK displayed the ability to receive love – which is a feminine quality

- T addresses S talking about her roommate who is very smart yet not always in the heart

T: we have 7 basic Chakras and 13 all together – and within each chakra, there are 7 as well – so there are 49 altogether

- has to do with what Neale talked of: the soul is outside the body . . .

- the 7 basic endocrine glands are the means by which the soul attaches to the body – as per acupuncture – acupuncture practiced at the highest degree is a fully spiritual thing:

VLOG 44 – Empowering our Planetary Grid of Divine

<https://eraofpeace.org/pages/premium-content/#media-popup>

MOTHER / ALCYONE M/A

Greetings In The Light Of The Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

M/A: will try to be clear with the voice

- the power of love is overcoming the love of power right now when this divine transfiguring love pouring in right now is shaking everything up. As we can see the language that you use in this realm – very unique!
- We are Ohso talk about that world out there -

T: Osho?

M/A: Talking about the f word and a little bit of cussing

M/A: There is a time and a place, and the overall atmosphere of this time on the planet: what this life form has [done is] make folks extremely aware that this behaviour will not be tolerated in an atmosphere of peace, balance and love

- they are taking themselves out, each breath they take, each move they make. Send more love!

T: looks at the physicality of the Grump – looks like something is amiss

M/A: It's something traumatic happening to the physicality – it's about the archon burning up the body as the energies get higher; the pressure on the life form means it can't hold its shape

T: R has been saying for 6 months at least – that there could be a chance that it's so overwhelming - that keeping itself together on psychological, physical won't be possible for much longer – he went to the doctor today and she's heard nothing

M/A: The doctor said he had a clean bill of health as he is alive!

T: R was saying, Nada and others saying he may try to bolt

M/A: not privy to the details – it is still on the table.

T: nevertheless, whatever goes on affects all the rest as they are all linked

M/A: will bring it into another realm – remember Mr Scaramucci?

T: talking of his role: press secretary [before Huckabee]

M/A: the mouth piece of Sauron – just saying this humorously. Yet this are not the actions of someone who respects the office that Lord Michael overlights. This is a mob boss, a criminal gangster who runs business as the organized crime dude. Unfortunately we know the outcome: we saw *The Sopranos* – don't need to discuss again.

- The old energies, The Vatican, and the iron fist will be removed, shattered and consumed by the Light that's coming in by this sun behind the sun – Alcyone through Helios and Vesta, to Sol – raising it up.
- If we want to live here and be in joy and peace, that is a choice. Yet we and this planet are ascending: this is the final word. As you choose – and she's speaking to these lifeforms - as it has been said – the sound frequencies – light, colour, sound - move out across space time – a universe is in transfiguration.
- As one would not choose Living Love, Living Light, it would be almost impossible to be in this place as the energies get higher; it's that simple.

- And spontaneous combustion is an ordered process by which the pressure gets relieved - just a simple fact: as the energies rise to the occasion, you adjust to the atmospheric pressure, and the frequencies get higher, you raise it up as you can. If you can't - oh well - that's the real deal: cut and dried, black and white, to use those words.

T: It's a global situation, the stirring of the pot that the Grump has done

- KOE spoke again to Rama the other day; said they know they know it doesn't go into effect until June [edict about Jerusalem] -
 - yet this is the 6th - Friday and they've already killed two 16 year olds
- In Tunisia, 450 people got arrested, and 100,000 or more are in the streets - whatever is going on, the economics and the politics . . .
- The whole world . . . she's heard a lot of people say it's a mess

M/A: it's a Divine chaos

T: looking at Merkel saying there was a breakthrough with the coalition - yet every time Tara saw a picture of her without the sound, thought Merkel looked like she's terrified

M/A: They Know - they know that their days are numbered -

- in answer to Tara's question - YES!!!

T: And that Dragi is done by June - same time as Jerusalem!

- Anyway it seems - 5.5 months away
- Mother: are you OK?

M/A: dealing with the body!

- Working with the energies . . . what She can say is work with the higher energies; send more love to the folks who've made their choices

T: the market went up to 25,000 + today

M/A: that's not real

T: that's the bubble - goes to the [people at the] top and nowhere else

- There are hundreds of millions of documents in the Panama Papers - going to do another download
- will be a lot bigger than #1 was

M/A: It matters not how much comes out: when you comprehend the level at which we're at - Midgard. We are dealing with life forms that are choosing to go to Hal Loka; in the Norse legends, like in the Vedas, there is a being that takes care of those lifeforms that go to those realms in which Pluto, Hades takes care of [them], the realm of souls that are choosing dimensional patterns that only serve their life stream. Since the life stream time on this realm is up, they take it up somewhere else - like the Void! Enough said.

- It is as Lady Patti said, the planet is moving up; we're moving up, and the stories that happen each day of the defiling of the human spirit by these lifeforms: it is at that point now.
- Like so many have come forward and said "We may be getting a few lessons in galactic etiquette."

T: Who's 'we'?

M/A: 1/2 a million lifeforms. Yes, She's talking of the sealed indictments. As the saying goes, We have washed our hands; in the context of the metaphor, they've sealed their fate with their own blood. And She shows up with the shuttle craft to Dracos and to the Void - this is the order of events.

- as the sun gets higher and higher and higher with the energies, this anomaly is about transfiguration; these waves of frequency/light that, as we are moving already into Sat Yuga and the Golden Age, the old energies that don't serve the old patterns make it that much more difficult to remain in polarity

T: You mean the old energies that serve the old patterns still - she alluded to taking them on a craft to the Dracos Constellation, yet there's - she thought they'd be removed first by this dimensions reality - not quite sure to visualize it

M/A: How you may visualize it - things may seem to be as they are, yet things are not as they seem to be. As the energies get higher, they [dark ones] are going to react more and more chaotically and, to put it bluntly, they will have to be contained, whether it's by their means or the means they have alluded to

T: without full disclosure and some kind of way to ground it - lots of people don't believe this, still think it's just a Star Wars game plan

M/A: As we are already here and [are] raising up the frequencies; as Dr Keshe and others have said

T: there are lots of people who don't believe Dr Keshe's stuff works - those energies work in tandem with consciousness

M/A: as the energies go up - those who are not serving the whole, but only serving self - it is what it is: it's that simple:

- She can't put it any other way: it is about spontaneous combustion and the energies are such that if you don't embrace the higher frequencies, forgive self at this time - they can't - they don't have the DNA strand to make it so
- even in this mix, miracles are always being made manifest. Yet in the realm she speaks of, here, at this time, we can dance around this issue all night.
- What She has to say is they have sealed their fate: 'nuff said!

T: has until March for the DACA situation to clear up; feels like something has to be done in the very near future

M/A: yeah - it is the crack in the cosmic egg . . .

T: Maxine Watters said she is not going to the State of the Union

M/A: may see an empty chamber . . .

T: the real lizards in the Republican party - like Tom Cotton & ? - saying they can't remember

- And Lindsay Graham is another naughty one yet he was calling them out!
- Dick Durbin and Maxine Watters behind
- and day before yesterday, Al Sharpton was very sharp with his words!

T: So we pursue the philosophy of living how's that, Mother?

M/A: Living Love, Living Light - this is how this unfolds in a most auspicious way!
No tones tonight

T: Any solex mal invocations?

M/A: says something: love the experience itself; the moment there is so much wonderful magic unravelling here in such a good way; miracles and magic are the order of the day
So mote it be!

M/T: Greetings in the light of the Most Radiant One - Kadoish, Kadoish, Kadoish . . . Adonai . . .

R: went up to Soltec's ship; got more energy treatments up there, listened to the music of the spheres

T: She got the message that he could put some propolix directly inside and on his cheek

- Time for the bubble to burst - that's what their saying in the market - saying they are going to try for 30,000 on the NYSE maybe by April: they are going for as much money sucked out of the system as they can until it collapses.

Thom Hartmann: supports Free Speech TV- it's what the Founders had in mind when they said needed a well-informed citizenry need the public's support!

T: Dr Richard Wolff has a new show: **Economic Update**, a weekly program

Economic Update is a weekly nationally syndicated radio program produced by Democracy at Work and hosted by Richard D. Wolff. The program explores complex economic issues and empowers listeners with information to analyze their own financial situation as well as the economy at large. By focusing on the economic dimensions of everyday life - wages, jobs, taxes, debts, and profits - the program explores alternative ways to organize markets and government policies.
