HARD NEWS TARA – T RAMA – R . . .

T: This weekend, Samana will be adding some fairies to the website info – 2013 Rainbow Roundtable - regarding the various accounts

SEE THE CHANGES BY GOING TO <http://2013rainbowroundtable.ning.com/>

- makes a request to new people to help with contributions to keeping this information channel going – this included galactic connections, as there are galactic interventions occurring, and help from the galactics is increasing with every passing day

- Yesterday's speech by Martin Luther King was found in **The Pacifica Archives**, which were started in 1949 and those involved with the Archives went through huge amounts of recordings from the radio to make them digital and thereby save them

This day was a huge distraction – what follows is Bernie Sanders' take on things . . .

T: reads what she has transcribed – here is the video

Audio: Bernie Sanders on Chris Hayes last night

Breaking News1/18/18 | Chris Hayes interviews Bernie Sanders

<https://www.youtube.com/watch?v=nAF105ez-fs>

All In with Chris Hayes 1/18/18

Senate 101: Chris Hayes & Bernie Sanders blow up GOP CHIP Lie

Bernie Sanders says that if Mitch McConnell had brought CHIP up for a vote three months ago, he would have gotten 90 votes on the floor. Duration: 0:40

<http://www.msnbc.com/all-in/watch/senate-101-chris-hayes-bernie-sanders-blow-up-gop-chip-lie-1140326979857>

- Every single Republican is a dedicated Nazi and is tethered to the coattails of the Koch Bros, Adelsons the coalition of the willing of the dark side of the Force is responsible for murdering over 2 BILLION humans since the 1980
- The summit in Vancouver was very ugly; China and Russia, who border the country of North Korea on two sides, were not invited. Those present want what they want when they want it.
- Today there are many discussions about Europe picking up their boot straps as the US no longer has the same place in the world as it used to
 - 1988, the US was #1 in prominence & US respect for things – today, #16 in “free world”
 - Today, over half of the US holds less than 1% of the collective prosperity of the country
 - Over ½ of the people in the US make less than \$27,000 a year – can't even quality to get an apartment, never mind all the other needs
 - 2.3 MILLION children [+/-] do not have enough to eat, are homeless
 - We live in a time where the atrocities in the US are not spoken of, and the intent is to make it worse

Rama, Curly, Moe: Stephany Clifford aka Stormy Daniels broke her agreement – the \$130,000 was a bribe, she signed a gag order; has gone public on TV about her affair with the Grump in 2006;

Said on the Stephanie Miller that said he liked to be butt spanked with a Forbes magazine until he was bright red, and he had her chase him around the hotel room, while he had on a diaper

- She said she was afraid at time as she's seen Dr Jekyll turn into Mr Hyde
- this has upset the White house, because of the video Putin has and also Mr Comey, is also in the hands of a group of attorneys working with the inner circle group of #MeToo people which brings in the bigger sex abuse stories of Harvey Weinstein – which include murder

Chris Hayes: a breaking news story: white house denies public affairs with adult film actress

- so this is all linking up to the 100s of women he has sexually abused over the years
- and the Violet Flame of transmuting love can change everything

R: send more love to all situations; they want to create as much chaos as they can to distract

Julian Assange: last week, he got his citizenship in Ecuador and the UK refuses to give him diplomatic immunity which is required for him to leave the Embassy in London

Fusion GPS – more has come out in addition to the 312 page transcription of testimony by Glen Simpson the CEO

- MR Steele has ties to Hillary Clinton: all this is very dirty

- **JFK Sr had something called Addison's Disease** – related to something up covering up Grump's condition; T, R are saying Grump has syphilis which impacts the brain and can only be controlled for a little while

- **Heather Newart** – have to refer to DOD re a press secretary meeting about a speech that Mad Dog Maddis gave: is he saying as the Pentagon says will try and get a force of 37000 people on the border to Syria?

- Turkish military has already shot 70 shells into Syria in the northern area of Turkey and 100s of thousands of the Kurds that live in Syria, the south side of Syria
- The US has been working with the Kurds in Kurdistan – what the US wants is their oil and access to the stargates

- We, the star seed children – stay in our hearts.

CONFERENCE CALL **Here is the link to the entire hour:** <https://fccdl.in/NiuCITUA1>

Question about the UK gov't not giving Assange diplomatic immunity to make the trip to the airport, now he has Ecuadorean citizenship - because the Khazarian mafia runs the world – he has stuff on them that will remove them completely, and HRC wants him off the planet

- It's important to expose them in that way – Rama told someone today that everyone in the world has to go "Ooooh:
T thinks the best remedy is the galactics to land and bring the heart-altering energy with them as the monkey-mind is disabled.

RI: same as he thinks!

Caller/R: knock them right out of their bodies!

C/R: Saw Dr Strange movie – opens himself up to the world of magic, spirituality – a good movie!

T: more and more good movies are the order of the day – lots of them!

- Heard Meryl Streep is stellar in *The Post*

P: gave grand-niece a book on the Jedi for Christmas: a big hit – going to the library with her mother for more!

- owls – master beings had owls as partners

RI: has noticed that we have to talk about all the crap and not let it spoil our vibrations while we talk – takes metaphysical techniques: we have to be masters of our attitude

T: deporting the activists out of the US

- the Homeland Security Secretary Kirsten Nielsen – was in the middle of the Katrina debacle and has blood on her hands
- Activist people deported back to Mexico or any central American country – changes of getting dead are increased by 100%

- Thanks to Mitt Romney's funding in the 1980s
 - 75,000 people in El Salvador were killed
 - 200,000 people in Guatemala -
 - Romney funded a program that is part of the School of the Americas - the School for the Americas is between Atlanta and Maca
 - the military are trained in crowd control – **a big lie:** US soldiers are trained to train local military go about murdering their own people and call it 'crowd control'

Caller/C: how is it that Romney was Governor in Mass, and now is being considered as senator in Utah?

- Will he replace Orrin Hatch in the Senate: And moved back to Utah to do that?

RI: head guy of the Mormon church died a few weeks ago; Romney is in the upper management

T: The upper echelons of the Mormon church have sex with the women and sacrifice them to the owl god; kill the children and eat them

RI: the psychic trauma here on the planet is huge.

C/C: always thinks of Idaho as an attachment of Utah

RI: agrees -

C/C: there's a Mia Love who married a Mormon from Utah; she's a Congress Representative and is a Republican

T: the majority of the Mormon locations are solidly Republican -

- and all Republicans are Nazis
- the whole thing has to be shut down [the religion and the political parties] as this is an antipathy to the mission – the party is doing evil things; people voting against their own best interests.
- Ignorance is rampant

RI: caught in the yin/yang polarity condition which is the nature of the cognitive mental battle ground we are dealing with. He looks for a 3 way relationship as he tries to think about these conditions

For example: the mindset of mormons in relationship to republicans in relationship to control freaks

- the nazis don't trust us – they are all sick with vanity, greed,
- we are on the planet to educate ourselves and help others: his anchor is the Law of One and taking care of neighbours –
 - the rest of our condition here for the next month now the sun is in Aquarius – 23 minutes ago! [8:33 pm] - the solar system condition is having us work in the air element – lots of thinking to do and through thinking, wise meditation, reflective capability
- as a hermit, and with none of us being there where he is, he has to do Self Care – the better able he is to take care of himself, the more able he is to have the energy to counsel others

C/C: phones in the report about the vote

- Schumer wants to give it another 5 day extension and force a longer

RI: should be obvious that Schumer is making a power play – AND he's making a power play – feeding his vanity -

T: time to take them all out.

RI; C/C – both have access to a big talk radio station in Atlanta; 3 NPR radio stations

T: looking at the photos from the incident in Hawaii – brings up the writer's comment that even lighting up the colours doesn't reduce the degree of brightness of the objects in the sky

T: the light in Michigan: a meteor that, due to the speed at which it was travelling, melted

RI: at 11 pm, a radio show called Ground Zero – host brought up the Michigan event and other UFOs in Indiana and Ohio and Middle, GA -

T: all good news!

C/C: one of the astronauts – a female African American - was pulled from going to ISS

- She is currently encouraging children to go into science
- Nothing found out so far about this situation.

[VLOG] A QUANTUM SHIFT TOWARD CHRIST CONSCIOUSNESS

https://eraofpeace.org/pages/premium-content/?mc_cid=9985a17354&mc_eid=86ae4ec55d

Greetings in the Light of the Most Radiant One. In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame!

Greetings, Children of Ra!

Mother / Alcyone **M/A**

Indeed, the gold dust – what a story! Goes so far back – gold dust is in everything, everybody

T: . . . awareness of *the how* of it, Mother!

M/A: Yes. It is aware of itself in that Christ Consciousness form. As we know, Monoatomic gold has consciousness in and of itself. It is self-aware. We can say with great certainty - everybody's consciousness – it's is the soma in the brain – put to a terry pineal gland, getting turned on as it were.

- It is because that, at this time, the energies are such: as we heard, the sun has moved into Aquarius – time for change! It is the story of humanity in all its forms – Divine Humanity meeting up with the Force.
 - What's occurring is so much light pouring in from our sun that it's affecting every cell - all the cells are screaming for more love, more light, more harmonious situations.
 - They can say with great certainty what is - all the beings coming in with all the energies, bringing that light in, that it's affecting every living thing, all the matter forms, as it were.
 - To put it simply – gonna be a rough weekend in DC!

T: It is?

M/A: Yeah

T: In the Indonesian stock market incident some time this week: there were people on the second level looking down at the main floor and the floor collapsed – none killed – being filmed as it went down: what a symbolism!

M/A: What a fake . . . the moneychangers with their tables in the temple

T: We were talking about it due to the report from Faction 3 White Knights: the money changers we got now – and we're looking for a realistic depiction of Jesus tearing down the temple: he was definitely not walking around with a lily white robes and a halo around his head

- He took the whole temple down!

M/A: What's happening here, with us, is the transfiguration from the inside out – it's happening now. And let's say the gold dust is helping in this time of the transfiguration back to this Divine Christ Consciousness. Everything is in flux and it is magnificent to behold.

T: it's . . . thank you for describing that – doesn't always look so magnificent from our perch!

M/A: Yes, we have watched so many worlds and systems go through these changes as a system ascends. What's happening is that the Sol sun system is ascending - all of us not, just earth - yet earth is the main star of this story – it is all the planets in this solar system

T: they are all losing their ice caps

M/A: and they are moving up in octave as our sun goes through its transfiguration

T: Not quite sure how to relate to it as it is causing so much death and destruction on this planet .

M/A: how you relate to it is – no, the polar bears are not having a good time – they are getting beamed up

T: and the acidic content of the water is killing all the fish, and their birthing places, also the coral reefs

M/A: in the same moment, same breath, the galactics are here and helping; at a certain point here – and it is RIGHT NOW – as we are watching the chaos unravel, that chaos will get a little more chaotic as the Grump takes a nose dive into the carpet

- To put it simply, as the energies get higher, the physicality of that form cannot eat dead food and stay functioning withing normal parameters; just doesn't work, therefore – something gonna change radically here

T: it has to, Mother

M/A: yes -

T: Is the market gonna crash?

M/A: The way they're pushing it – want to hit 30,000 and kick it into oblivion and, at the same moment, same breath, everything about it unravels –

- as we have a good gov't shutdown as of today, tomorrow - it's about the wake-up call that true reconciliation is not words: it's about the deeds, the Office of the Christ and serving all of humanity, not the lobbyists or Jaime Diamon. That's the deal. . .

T: something's gotta really get in there and take out some chunks

M/A: Yes, it's happening in so many ways – She can say with great certainty and love – everything we're experiencing right now is the return to love, and it is a very interesting magnificent time to be here, even if it does not look that way – even as it is a challenge to be in a body;

- it is those moments that are about being in the presence of All That Is – this is the biggest deal, as we extend our energies farther and farther out across this solar system, galaxy – no matter where we are, the energies are rising up and She can't say too much more other than . . .

T: Expect the unexpected?

M/A: Expect magic and miracles of the most wonderful kind with these energies pouring in right now. Aquarius in the sun sign doing the magic which needs to come about which is we are in service to all humanity – the humanitarian situation here, called survival on this blue green dot of magnficence as Carl Sagan put it – in the blackness of space.

- If we were to see what they see when we see our home world in orbit for the first time, it hits one with how big the story is

M/A: and let's just say: the talk here is talk – yet ask to be shown this shining star called Gaia/Vyamus in orbit –

- take our merkaba vehicle in the night work tonight; go and just spin with Gaia/Vyamus in orbit and feel the energies of what it's like. When we get it, we get it, and it never stops.
- This is about ascension and all the planets lining up, along with the sun, Sol, as this transfiguration happens.

- Like Lady Patti said: the radiant energy pouring in from All That Is. We must be about the mission: Lord make me an instrument of your peace in this moment.

T: thought . . . the question keeps coming up in different ways about time and the change of time, and then's there the 'before enlightenmeny, chop wood, carry water' and the same after enlightenment. Yet there is an implication that the perception about where we have been is changing very rapidly

M/A: It is - we are not in the same place in this galaxy as we were a little while ago. It is not that something magically happened; it is just that - we are moving across the Galactic Plane, getting closer to Galactic Centre

T: Hasn't this always been happening?

M/A: Yes - let's say something has sped up the pace and that is the anomaly that's growing at the centre of the Milky Way Galaxy and it expands out in conjunction with our sun going through its transfiguration/ transmutation - this is no small piece of work: it is the result of eons of time.

- This planet has asked along with the other planets in the solar system - as earth takes her place as the 33rd planet in this grand story of the Intergalactic Confederation of Worlds, what we are all experiencing as we keep moving higher and each week, as She comes and shares the stuff that is happening in our local area of the Milky Way Galaxy - awesome to behold as things get lighter and lighter. They are more in our face

- As serendipity, as it would have it, set up a situation here in our midst that as the tensions and the energies rise to a crescendo in the District of Criminals - send more love as sparks are flying - may pull out the long knives before the night is out - they are that desperate, that craven, that insane

T: They are commenting on Paul Ryan - so out of integrity: pretty ugly

M/A: what can you expect from Eddy Munster -

T: not so funny anymore - he's got ? - lots going on there

M/A: Send more love to all situations - gotta give the voice a break

- Mother does some solex mal - yes, more inspiration based in the laws of Love and Peace
 - Greetings in the Light of the Most Radiant One
 - Remember we all have the power, and they have it in hand - as we work with it, we've already won; that's the deal as all the teachers, masters say

T: People would just like to see this intentional evil subside, and the Good Witch of the North . . . she bore the tidings that they want to go to war!

M/A: and one more bucket of Kentucky -

T: it's not just about him!

M/A: and it's the whole picture which is about the fallen human ego matrix which is being dissolved at this time, and what happens as the holodeck falls apart - already we see the dinosaurs naked as jaybirds saying: I didn't say those words!

T: 100 MILLION beings of adult working age in the US are OUT OF A JOB! Someone said he knows not where they get their numbers of 4% - it does not comport!

M/A: And to turn that around, as the Light performs - to take a lesson from Jacques Fresco and use the wisdom the Venus project, 100 million people could transform and transfigure themselves and the rest of the planet, and we return this planet back to what nature and nature's god based in the true teachings of the harmony of spheres.

- She heard an interesting little ditty from Hercules today: it was floating about in the ethers and this gem of wisdom was that, as all of humanity has awakened with this new frequency that has poured in, with what has happened with this first eclipse - now comes the next one: a blood moon - triple blood moon eclipse

- This is about the culmination of past years eclipses, about 3 years in a row of blood moons – this 3rd and final one is the end of this old empire story.

- Jeshu and Magdalene did not preach hate, did not preach war : only said come and meditate with us and let us work with the energies here that are pouring in from Galactic Centre;
 - it's come full circle – the energies pouring in from Galactic Center are here now as it moves higher up in octave – that anomaly, along with our sun gonna cook it - the anomaly that's happening at the centre of the Milky Way Galaxy!

T: Where the Hunab Ku is? YES **T:** It's where the 27 galaxies meet M/A: and the light pouring out of that is travelling at quantum light speed to our sun, to Helios and Vesta, to Alcyone and her What that light from Galactic Centre is doing is raising everything up

T: so there's a certain point where - the question of people opening their hearts because of too much fear – that's what it is ultimately: too much fear.

M/A: as the light gets more intense, will get to feel like you're on fire from the inside out and if you're the Grump and the other creepy crawlies, gonna be a humdinger – cos it's about the transfiguration – cannot continue ad infinitum to preach hate and not expect a backlash from the Universe, whether it's a heart attack or, let's say, Lord Michael's legions out of left field! We'll leave it there!

T: Thank you, Mother

M/A: Greetings in the Light of the Most Radiant One – Kadoish, Kadoish, Kadoish, Adonai Sabbaoth . . .

R: went to Beirut – was sitting under some trees in Beirut working with the energies of the trees – seems like he was calling in Treebeard

T: thinks the huge trees there are cypress

R: he went and hung out with the trees

T: hasn't heard much about Beirut – more refugees there than there are residents

R: people escaping from Beirut

T: things are so tight everywhere

R: just listening to the sounds of nature with the trees: they were telling him no matter what's happening, what's going to happen – stay in your centre and you'll be covered. Gotta walk off the cliff with the little white dog

This week on the show, 2018 brought us #TimesUp, but the history of collaboration between grassroots activists and Hollywood celebrities was already very long. Laura talks to Eve Ensler, who will be returning to Broadway with a new play titled "In The Body of the World," about why our bodies must be connected to our politics.

Then, an interview with Jane Fonda and Lily Tomlin, of the hit show 'Grace and Frankie,' alongside Saru Jarayaman, president of Restaurant Opportunities Center United. Laura speaks to them in Detroit during the summer of 2017 after they went to canvas door to door for a ballot initiative that seeks not only to win a single fair minimum wage, but to help build a broad progressive agenda in Michigan statewide.
