**#3. Alpha/Omega (Infinity):** I am the Consciousness in and of all things. I am the Universe.

#### **From the panel members:**

**Omena** – back in the US; still thinking about it all – missed the 90<sup>th</sup> birthday of an aunt; saw lots of family – attended the wedding that was the reason for her trip

**Randy** – it's 70\* F at night; they are not far from the equator and are experiencing cold air!

#### **HARD NEWS**

**R:** wild stories to share!

**Update:** Car situation: they received an anonymous contribution – some things have changed -

- ET says they have 3 weeks to come up with the money for the car due to some competition now. ET has said he also has access to other cars that would be suitable

**T:** all kinds of other things converging right now – Rosie is leaking: send love!!!

**R:** So many good things happening in the world, in spite of the war stories, and the various kingdoms joining with humanity to say enough is enough! No more war!

**T:** from **Tuesday, Feb 3**

- Rama was saying the energies are getting higher and more and more disclosure every day. As he walks up the mountain and on the trails at St Johns College, he feels great upliftment and walks around the universtiy
  - As he called those on his Faction 3 his list, the messages were stay in balance and love; the energies are moving at quantum light speed, and anything and everything that is not of the Office of the Christ are indeed a distraction.
- Ram put a text **message out to Tom the Cat** about Greg Palast's interview with David Cay Johnston this week. Tom responded, "Voter Fraud, Election Fraud. They are going to go all the way down, now!"

**It's Even Worse Than You Think: David Cay Johnston & Greg Palast**

<https://www.youtube.com/watch?v=eAmKwAcjha8> LINK HERE.

**Tom:** "Everything that is going on right now has to do with the Clinton Foundation going down right now, along with the rest of the 13 families. The market went up 550 points today, back into the green they say. Yet this is a hiccup at best – we are teetering on the edge of a world-wide economic crash.

This time, we will get a Debt Jubilee and arrests in front of everyone and NESARA will come into place.

Then St Germain shows up – no details. Arrests, of course, yet no details, and love to all the situations going on, no matter what they look like. Send love. Love is the answer."

Ram got a call from Sweet Angelique the Cat and Tom the Cat. They spoke about two YouTubes, the first one being Mount Kailash and the megalithic god which has been discovered there. The second one is about an ancient Mayan civilization discovered in the Guatamalan jungle

11 Jan 2018 ... Ancient Gigantic Megalithic carvings and statues found on Sacred Mount Kailash in Tibet. Why has this ancient wonder been kept hidden from world? What . . .

Hidden Ancient Mayan Civilization Discovered in Jungle - Lost Ancient Human Civilization

<https://youtu.be/GKFr3aTgh8I>

**Both said:** inside Mt Kailash is an Ashtar Command Base, and there are galactic teams of scientists and engineers there who are working with the ancient Aryans from the time of the Mahabarata. And these Ayrans, indigo blue-black in colour – Lord Shiva, Parvati, Krisnhna, Radah, Ramasita, Ganesh, etc - are working with the Ashtar Galactic Teams to help enlighten the pilgrims who come to Mt. Kailash to do their meditations and their prayers that a miracle will happen in their lives and, oftentimes, these miracles happen as they are ushered into the inner healing chambers of Mt Kailash. They were able to receive the gift of immortality through the healing process.

**Sweet Angelique and Tom the Cat** went on to say, "These things we tell you are part of full disclosure to help humanity know there is hope, more than enough time, love, money, energy, and air to breathe. Despair is not an option. Hope blooms forever.

To **find the Mayan civilization in the Guatamalan jungle**, the British scientists used some kind of galactic satellite technology to detect these hidden cities in the jungle. More to come. Michelle for President. Blaze the Violet Fire."

### **And today, February 8, 2018**

Ram called the Poppy Lady's daughter today and asked if she could get her Mum on the phone, and she said "Just a minute, Lord Rama" and put him on hold. Ram found himself listening to Afghani music played on a Middle Eastern instrument called an ude, similar to a western mandolin. Thirty seconds later, he hears

"Hello. As-Salaam-Alaikum."

Ram said, "Wa-Alaikum-Salaam. How are you today?"

She replied, "I am fair to middlin' today."

Rama asked, "What is going on with the situation there, concerning 'The Empire'?"

She responded, "The empire is suffering heavy losses because empires come to die in the land of 'the Buddha'. We are in Sat Yuga, even though it looks like Mad Max and Thunderdome out here. You know the US soliders guard the poppy fields with all kinds of super advanced weaponry."

She went on to say, "How can this false president say he is concerned with the opiod crisis in America, yet his own soldiers make sure the poppies get delivered? It is reminiscent of the days past of the British East India Tea company line."

The Poppy Lady described the US military stance in Afghanistan as that the empire is on the way out of this space/time continuum, even though they put on a good face in the main stream media.

She closed by saying, "Stay in love. Do not get distracted. Meditate. Pray peace. Sat nam, Lord Rama."

**R:** When they [the media] report on Afghanistan, they don't tell the whole story, and it is about the vast amounts of money that the US military is making on the opium trade that is essentially US military being part of the drug-dealing of the heroin epidemic across the planet.

- That is how the buinssess of commerce and trade gets done these days – with the organized gangs that do the trade with the lobbyists!
- He has also heard that Mr Putin is going to pull the plug on the Grump as he is getting too pushy on the planet. He also owes so much money to Russia and China. It's not about geopolitics, it's about his own family empire about to go down now.

**T:** Another major thing that the Grump did; not so long ago he called for Jerusalem to be the capital of Israel – that is so beyond the pale! and now on the border between Israel and Palestine -Netanyahu is talking about building another fence. Gaza is like Thunderdome – a horror show on the border between Israel and Palestine.

**T:** the polarity game is about separating and dividing people, and a house of cards like that falls – it's not functioning in love.

**Marietta:** is there anything that is good news?

**R:** Yes, there is lots of good news!

**T:** yes, story about the war crime tribunals being held at the Solar Tribunal on Saturn is GOOD NEWS – THIS IS HAPPENING AT THE GALACTIC LEVEL NOW!

- They are being held there as Lady Master Nada is a special lawyer of the International Court of Justice in The Hague, which is the highest court in the world. She is the link through the authority she carries by being a special lawyer on earth, and being in charge of the Solar Tribunal on Saturn – she moves between them.
  - This is not just going on in Afghanistan, it's happening all over the world.
    - The US is the worst purveyor of violence on the whole planet
  - on the practical 3D level on *All in With Chris Hayes* – Ali Velshi sitting in for Chris on Feb 7, 2018
    - yesterday, he interviewed Elizabeth Warren [EW] addressing an event from a year ago an extraordinary scene on the floor of the Senate when Warren spoke against the nomination of then Senator Jess Sessions and read from a letter by Coretta Scott King about Jeff Sessions and his role in suppressing the black vote in the South
      - Mitch McConnell rose to – MR President, the Senator has impugned the conduct of our colleague
        - the Senator has impuned the
- EW:** Mr President , I am surprised that the words of Coretta Scott King are not suitable for debate in the Senate in the US Senate, and the President told her to take her seat!
- later McTurtle tried to explain his actions and it backfired: **nevertheless, she persisted.**
  - Those 3 sentences, and especially those 3 words, resonated with women across the country and became a rallying cry for resistance across the country.
  - And now the woman McConnell tried to silence, Elizabeth Warren, joins me
- on the House Floor yesterday Pelosi set a record for the longest speech – talked for more than 8 hours – and her marathong speech came on the anniversary of Warren' s speech on the floor of the Senate in opposition to the nomination of Jeff Sessions as Attorney General
  - Elizabeth Warren tells Ali Velshi what she thinks about the budget deal.

### **2018-02-07 Warren: Congress has responsibility to DACA recipients**

Elizabeth Warren joins All In for an exclusive interview on the budget deal, DACA and immigration, and the anniversary of her 'nevertheless, she persisted' speech. Feb.07.2018

<http://www.msnbc.com/all-in/watch/warren-congress-has-responsibility-to-daca-recipients-1156319811588>

**T:** see this as an attack on St Germain, on purpose – He came to the Founding Fathers when they were debating whether or not to sign; he told them that he knew they were scared and told them to sign it anyway and that he would make sure the job gets done

- NESARA is the 2<sup>nd</sup> Declaration of Independence – and Elizabeth Warren knows all about NESARA and is one of the people working from the inside to get it done!

**Be sure and listen to the video to both see and hear Warren's total response!**

**Guest: Omena      Call-in numbers: 888-429-5471 530 413 9537**

**Marietta:** asks Omena for contact information

**O:** has the gift of knowing; a natural born clairvoyant and medium

- When she asked what she was really supposed to do, she was told that she was to educate people about their souls
- The more she works in this arena, the more clarity she gets and the greater the ability to help those who come to her for assistance
- Tells us that we have to "claim our brain" - own it

**O:** People can ask anything: only needs first name of caller and first name

- She can actually send healing from where she is: while she was away, she was able to help some people out and she is continuing to do the same thing now she is back!

**M:** it is Robert's birthday tomorrow – has he a message for her?

*From Robert:* Marietta, you have to slow down – he will celebrate his birthday with her around noon so she has to be quiet

**Caller:** 2 family members having a hard time

**O:** Karen, the sister: is confused, not clear on her issue – might need some help – gets anxious; she likes to be in control, and it's one of her blocks

**Caller:** had a nervous breakdown after Christmas

**O:** for people to be calm around her; let her know she'll be OK – also wants to know she is loved. Important: don't tell her what to do – ask if you can help her

**Caller:** her granddaughter – will she find a place to live and a job?

**O:** has a big fear of failure – getting in the way of finding a job

**Caller:** asking about a friend – has heard nothing from her or about her from any source

**O:** she's not coming in right now; one of the guides saying she does not want to be found – taking time out to heal. She's OK

**Caller:** asks about finances

**O:** watch out how you are spending it – it's also about gratitude

**Caller:** calls about brothers who fight with each other

**O:** they have been fighting in other incarnations - one killed the other and feels guilty; the other one hasn't forgotten that and so they carry on. O helps the caller with some ideas – some funny comments, too!

**Caller:** Any advice on her mother? No – she just wants to be taken care of – is enjoying that – not ready to leave the world yet! The caller laughs!

**O:** have fun with her; enjoy her and sometimes she's grumpy – ask what will make her happy!!!

**O:** watched the movie "Michael" with John Travolta again; every time she watches it, she hears something different - this time she heard "laughter, humour is the true way to love!" the biggest thing in the movie is the humour – it's uplifting

**Caller:** 2 dogs died – have they reincarnated? Called Molly and Emmy

**O:** they are together, and have no intentions of re-incarnating – both of them are very happy, and Molly is grateful that she let the dog go – often the dogs don't want to go unless you give them permission.

- Molly comes back to visit between 8 and 11 – be aware of this

**Randy:** has shoulder pain in both of them

**O:** it's gas -

**R:** his message was he was getting his wings back!

**O:** that makes sense if he is getting wings back, those areas are affected

**R:** AA Raphael is trying to contact him and spent coeur de lion

**O:** Raphael also saying he is not good at receiving; the core issue is there's still not enough self-love – work on that and on taking care of self a little bit better. It's like doing little things that are silly! Letting his "kid" out to play

Back to Robert and Marietta: he says everything is going to be OK; things will work out; you are not alone!

**M:** What about the hip and the challenges from the red dye?

**O:** he says they are totally physical, he can't do anything about it – the red dye is out of her system now

**M:** still residual problems yet nothing shows up in the x-rays

**O:** it's more of her feeling that she is supported by the Universe – emotional

**Lyn:** has been getting so much info and trying to get back to her 3<sup>rd</sup> book – it's supposed to be integrated in with other programs

**O:** on the right path; putting it in right format – it will be integrated in some places and not others, depending on who is offered the book

**L:** will there be massive jobs created with this? It's dedicated to more lightworker / mental health worker jobs

**O:** some of those with mental illness – it's karmic – if they haven't done the work over lifetimes the question is how to reach those with mental illness

- keep doing what you are doing just be aware that one model does not fit each case

**T:** they have a mother and daughter cats; the mother has been losing a lot of weight lately, and has taken to jumping over the fence into the yard and sitting on the neighbour's outdoor furniture and only coming home for food – what's up?

**O:** something wrong with her teeth

**T:** has a tick of some sort in the main part of her body – constantly licking her paws and her back

**O:** she's either allergic or rolling around where she shouldn't be

**T:** got some help to take her to a vet

**O:** her skin is itching

**T:** sardines and eggs would help with her omegas -

**O:** give her a little bit of Benadryl – an anti-histamine

**Randy:** suggests having kidney problems; his shaman friend says something in the house bothering her – also has to do with her background as a recent descendent from a bobcat!

**T: has AA Michael** any message for us?

**O:** stay the course and allow it to unfold. If we interfere too much, we pull back the ropes by which they will hang themselves!

**M:** allow, allow, allow which means "a lot less ocular work" – don't have to see how something's going to end – just allow it to work itself out.

**O:** when you allow, allow, allow, you need trust! And trust will happen for the highest good! All she wants to know is when it happens!

**M:** tune in next week and we'll see how it's progressed

**O:** Blessings to all and humour is the road to love!

**M:** will have an astrologer in a week or two – let her know what other things we'd like to see!
