## **HARD NEWS**

**T:** the story of the hard news is getting harder to witness to

- energies of the blood moon, new moon, Leo moon are pouring out, continue to go higher

**R:** The 13 families continuing to go down; things falling faster than he can keep up with

- It has to do with maya and the criminals organized gangs across the planet, and the black budget; the things going on make him glad Archangel Michael is in the neighbourhood!
- They continue to play the brinkmanship games and entertain the idea of war games; we all know that thought creates things, and this thought form energy can do great damage when the thought is about nukes!
  - Ashtar is on red alert!
- The reality of what we think is real is not really real: as more and more of the story is revealed, we're part of a huge grand experiment that began when the Watchers and Mother were here, before this story started
  - There are those he calls the Guardians of the Galaxy – immortals have been around forever and they have been here too
- has heard that Mr John Kelly may be resigning soon – just being told on from on high
  - one by one, the folks are jumping ship and will be swept up by the tsunami that is on the doorstep – he calls it the Force.
  - What is transpiring at the moment: the energies that are so intense that if we're not working with Lord Michael and the opportunity for Ascension is here – we need to know what we're doing
  - the 13 families only have illusions left that Dr Greer alludes to: they are wanting to play with toys from Area 51 & that will not be allowed either – the Forces of Light have this well in hand, yet what the media portrays is insanity as they are scared s sh\*\*less about the next step
  - Presidents Putin, Xi, and Obama know how disclosure unravels and it will be done in an orderly and proper manner so people do not freak out

- Rama can say with great certainty as he has already seen what these folks do and it's about peace, love, joy, ecstasy – not war. The energies as they are right now, we must keep our consciousness in the place of balance and calm

**T:** the energies won't 'take you out' unless you resist and what you resist, persists –

- as you continue to resist and the energies intensify, you are choosing a difficult path; the amount of resistance can do harm to the physicality and it's a choice. There is always free will choice
- the accountability process we and the global community carries with it a greater responsibility for those of us who know more, who are here with that part of the responsibility to respond, to assist, to actualize our knowingness in the "show me" routine

**R** responds to that statement: at the moment, when 'it' happens, we're there, and each day the energies are getting pushed a little more and a little more

- HAS TO DO WITH THE SUN which is going through its transfiguration
- also the other anomalies across the galaxy and the energies getting higher
- and the history of the earth is much longer than we've been told
- there are gaps in the his-story and the her-story and, conveniently, the gaps have to do with the original sons and daughters of the Most High who decided to play on the dark ones, with Lucifer and became the fallen ones and played with maya, illusion, and created The Fortunate Fall – Lord Michael/AAM and Sananda took up the role of planetary prince of this local Universe when Lucifer abandoned it to lead the rest of the angels
- since then, Jehovah, Lucifer and Lilith have come back to love, and what we are playing with is a hologram

**T:** our Higher Self and our higher consciousness and we have learned the meaning of those terms – and the more we have educated ourselves and done spiritual practice to actually experience the meaning of those words, the more ability to respond in action kind can cause great awakening on the planet

- often the wisest of us still have feelings of victimhood which are just piercing and Love has to do with clearing the mind – we are going through the triple Buddha moons – 3 months worth

**R:** Wesak is coming up

**T:** 3 full moon months of this at so much of a higher planetary

- These reports we've been giving for the last couple of weeks – R has a technology that allows the holographic images of the people he's talking to, to show up via the screen of his cell phone, and he gets to see and feel what the speakers are saying and getting less and less of what the main stream media is saying
- R has been blessed with a sister who has paid for Gaia TV for Rama and, thus, for us
- and Gregg Braden is back to talk of simulated reality that we're going through

**R:** something is happening to each and everyone of us at such a huge level – we are being hooked up to the quantum field that has tipped in our favour though it does not look like that – the Hopi word for life out of balance is KOYAANISQATSI

- Today he talked to the 3 Zuni elders who were in the square - - They showed up out of the blue and pulled Rama out of the crowd:
  - They greeted him with 'Kaisee' [their word for greeting]. Now is the time where Quetzequatl and his brothers and sisters all show up and work with St Germain, Thor,
  - it's the age of the 5<sup>th</sup> Sun, all the spider women are back – it's huge
- Stan Lee's comics parallel the story of what is going on here and the brother hoods and the sister hoods show up to save the day
  - it is about US, the people, showing up

- T:** the new technologies always work! Sister Cynthia used to speak to the astrology in the past shows; in an emergency she mustered up the energy to dance across the bog so she could avoid other perils
- Also when T jumped into a very cold body of water, she conjured up the ability to move out of the water after having gone down 3 times – all kinds of these things can happen
  - the Keshe technology always works, and there has to be a nano coating ?
  - and the resistance factors of the dark ones are going around saying to people 'no matter what technology you have to save energy and therefore money, you still have to pay the bills you always paid!'
  - negativity is also an illusion

- T:** Brings up Rachel Maddow's program and the story about Rob Porter and the evidence about Porter's abuse of both of his previous wives
- Because of that information, the FBI would not grant him a complete security clearance – and John Kelly stood behind him even though he knew the story
  - Rachel's guest was Gerry Connelly of Virginia, who said this is a crime – it will come out that Kelly and Trump did not want ANY over-sight; were working their way to getting away from that via collusion and corruption –
  - and there is still the story of the 12 year old girl abused [brutally raped and murdered] by the so-called POTUS
- the Aboriginal Moabite Nation discussion on Wednesday:
    - education in the US is at the lowest level of all industrialized countries, was changed deliberately at the hands of money: education is watered down and has been since the Koch Bros came on the scene in the 50s.
    - The Better Educational Opportunity program was taken out with Ronald Reagan, who was killed and cloned by Bush Sr.
  - War crimes trials are being carried out at the Solar Tribunal on Saturn
    - as for good news: taking it in that there are trials going on in which US soldiers are being tried on Saturn is good news!

**CONFERENCE CALL** <https://fccdl.in/JN4wVFvRB1>

**THE DISCUSSION CENTERED AROUND THE ISSUES WITH R&T'S CAT. A WIDE RANGE OF TOPICS FLOWED OUT OF THAT DISCUSSION, INCLUDING THE VARIOUS USES OF ESSENTIAL OILS, DITOMACEOUS EARTH, VEGANISM, FOOD PREPARATION - link above**

- T:** Rama is getting more spiritual messages from his sources now -
- she was listening to Laurence O'Donnell – crimes going on to cover up what they are doing
    - the question of accountability comes up - the 2 wives both accosted
    - the bigger story is what happened to our values?

**Caller/R:** did the toupee actually come off? In reference to the clip being shown on Bill Maher's program

- T: The Grump** hasn't got a single hair on his head; what he has are very long and look perfect
- If you look carefully, pay attention, can tell it's not the same Grump

**R:** the dragon fruit is filling and good – in reference to what Randy is eating over where he lives!

- T:** asks Randy about Tabatha – feeding her sardines and raw egg tomorrow am
- the bumps on the top of her head are increasing

- Randy says she has ticks – get a special medicine and some kind of shampoo to deal with it

**Caller/T:** has cats himself – makes these suggestions

- Essential oils for pets – the protocol for cats is way different than that for dogs  
the address is [www.theoilyvet.com](http://www.theoilyvet.com)
- NOMOFlea – a product which dehydrates the fleas, and is totally natural, not toxic – works quickly relatively – supposed to last a month; has found he has to do it several times
- Diatomaceous earth – pros and cons

**Caller/R:** has to do things quickly – the ticks are in the head, could be in the brain

### **WHO ARE THE MILLENNIALS AND THE CHILDREN?**

## **MOTHER SEKHMET / ALCYONE [M/A]**

Greetings in the Light of the Most Radiant One. In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

Greetings, Children of RA!

As we have heard, this is all transpiring in this great awakening right now, and this cosmic dance is only about Love. All the old energies of fear-based realities cannot survive in the new frequencies that rainbow crystal children and the millenials bring in, old energies gotta go! So we take them along with their collective soul matrix, back to Dracos where this whole story started so long ago.

- As everyone on earth were to know the whole story and how far back it goes, it is as epic as Star Wars because it is about the Force, creative energy, the magic of what life is - to be in that ecstatic, primordial state of ecstasy everywhere and nowhere all at once.
- What is happening is that we are returning back to that primordial state of what's occurring within the bodies, within the fabricated story here that some folks call 'The Grand Experiment'. It is a simulated reality that is as real as we want it to be.
  - And as we understand, over stand, inner stand the principles of the hyper dimensional physics here, we can move through space/time and not be affected by the illusions, the maya of the holodeck program.
- As we go into these timelessness that is occurring, it might be called the serendipity of the moment because the seriousness of the hour calls us all to the moment here. To put it simply 'atonement' - something happening here and it is very clear that it is about ascension in all its forms.
  - And it is something that is – let's say – the Watchers, All of us who were here before the beginning, knew this time was up and now it really begins in earnest, as our language uses those words, as we can feel what's going on.

- Something ain't right. What it is is we're moving faster and faster with the speed-up of the evolutionary process of this space/ time continuum and the bodies are catching up with the energies, and that is a good thing.
- Yet sometimes we feel like we're a bit stretched and that can get disconcerting as the realities converge, as they are now with the waves which keep pulsating and moving through ourselves and this dimensional construct, as Morpheus calls it.
- We're affected by what's happening with the sun, with ourselves as the radiant energies get higher and higher, and we know something is not the way it should be but what is shoulda, woulda, coulda – how do we know?
  - And what She can say is we're not in Kansas anymore. In fact, where we are is in the place where dreams are made of, that is the creational, primordial energies the people Down Under speak of - the dream time where the people from the stars come and interact and show us what it is about us that is so magical, so marvellous in this sacred hour. And it is simply about allowing the Force, Love, to expand the cells, and the space between the cells, and the space between the spaces, the particles.
- As it gets deeper, it is all connected and when one of us is going through ascension, we are all feeling it, and that is happening right now as our sun Sol is going through the transfiguration – we are feeling it – it is the most direct connection - 8 minutes it takes for the sun to hit the earth, the radiant energies – if we want to use the words called time – yet in those 8 minutes, it's about what is being showered on us every single day besides all the other chemicals in the sky. Never mind – let that alone.
  - Focus on the plasma, the plasma that is the same as the radiant energy in each one of our cells – the nucleus, the Force. Everything that is happening right now with all the stuff that gets a bit wonky and uncomfortable - feels like we gotta a vice – we're in the vice being squeezed. The only thing She can say is we are the ones doing it to ourselves as it is only about love and the higher states thereof, not about a word called torture.
- What is happening with ourselves and the radiant energy is something so miraculous and magical – it is about the allowance of the timeless moments where She and us are one - speaking about Self in the sense of talking to Self, get some shit straight so to speak. It is about getting all the particles in alignment that handle what is pouring in, like Mt Vesuvius and then some.

**T:** you know that Mad Dog Maddis wrote the new nuclear policy – where we started a nuclear race - building more animosity between Russian, China, the US India, Pakistan - everyone is ramping it up again

- Today on Amy Goodman, Democracy Now – Laurence Wilkerson, Coling Powel's assistant, was shaking and saying that he was afraid that this Trump guy is going to push the button

**M/A:** Mr Wilkerson may know the outcome, and he's gonna have to face the music . . .

**T:** you mean he's in trouble too?

**M/A:** Because he collaborated with the former general who committed war crimes in Iraq [Powell], along with [Schwartzkopf] who shot JFK's clone - all these things have to come out for closure for the people to grok, to understand, how deep this goes; like the lady master said it's been 13,000 years this goes back, since we f\*d up so bad – here we are to correct it!

**T:** can you elaborate on what we did 13,000 years ago that you're talking about?

**M/A:** What we did was we destroyed the Great Crystal which caused the xenon gas and the field that was around the planet in a special radiant energy bubble, and the bubble was burst and the xenon gas was gone

**T:** and the xenon gas had to do with our siddhis, and our siddhas were gone too

**M/A:** and in comes the story about nuclear winter, and mutants, and how you survive on the surface of a planet and all you got is a club and some arrows and a bowl

**T:** nuclear winter is a little mushy back then, destroying the great crystal doesn't have to do with that does it?

**M/A:** After the ensuing of Atlantis sinking the dust cloud that went up into the atmosphere because of such a . . .

**T:** and volcanoes went off just by the nature of sinking whole islands . . .

**M/A:** climatic disaster which also caused issues with the poles – there was a polar shift at that time, and in that reality, things went pretty weird and they had to evacuate much of the planet – Rama and his dragon Ruth helped in that process along with the millions of other craft from the legions upon legions of heaven

**T:** many millions didn't get that advantage of that

**M/A:** no, they went down with the land

**T:** there were land bridges where they walked through water that was an average of 2' deep with children, stuff on their shoulders, and ended up walking for days or longer and they got to another safe place of the land mass and started over

**M/A:** Yes. And what She can say about it is we are not going to do nuclear winter again

**T:** That also includes that Maldek went super nova at that time, the time of Noah – had something to do with radiation poisoning mutating the whole human race at the time

**M/A:** it added gas to the fire

**T:** that radiation didn't go up, it went down

**M/A:** It was not a good combination of many things - that is why we are at – what Patti said - the end of the wheel of karma; now we take it to the next level – walk on water, walk on air, and get on with the mission which is called healing Planet Earth –

- as She's said before – 30 days - and with a little help from our friends, things get done where miracles happen over night – like what Jacques Fresco wanted to create – now it's coming to pass

- like this guy [R] got told today by the Zuni elders – Quetzalcoatl is in town – just sayin'

**T:** Can you explain yourself about Q when you say things like that?

**M/A:** Set an extra plate at the dinner table for us – many folks are coming to give them a debriefing on how the next evolutionary leap happens

**T:** like you don't know?

**M/A:** Like, We **do** know, yet the first thing that has to happen here is that everybody wakes up and how that wakeup is a shock, and sometimes that shock does not have to be dropping a gourd of ashes – it is about the revelations of where we are at in the moment.

- And as all the folks come out of the woods, so to speak, to interact with Us in the context of peace, unity, mutual friendship, inner standing, we can get on with the dialogue of how to heal our PTSD on all sides of the story. Not just Their [galactic] part where many cultures, races came to earth without permission, abducted and captured humans as slaves even to this day . . .

**T:** They are still doing this to the human race

**M/A:** this is why They show up with the Guardians of the Galaxy and Lord Michael

**T:** that's another piece of this – a lot of lightworkers don't know what to do with this: how do you integrate what is necessary to do right now which is hard for people to take – Her energy is very - its own right - appears to be very violent

**M/A:** We are primordial energy which is the sun

**T:** There was an article from someone that Melania refused to come to live at the White House until there was an exorcism was done and that Obama and family had demonic energies, possession energies and also went back to Hillary and Bill, and that'd she'd not spend a single night there until a christian exorcism was done

**M/A:** let's say a Satanic ritual was done!

**T:** gets into Wicca with the word satanic - brings up that what Mother is referring to is the christian version being the satanic version as its roots are in the catholic church/vatican where children are sacrificed etc etc – as we've heard – then brings up that Thom

Hartmann had on a Wiccan lady who was a member of a Satanic church; this is not what is being talked about at all - time to discuss the terms!

**M/A:** The 13 families play with the false holographic energies of the archons, and the fallen energies that is the lower astral kingdoms that used to be 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> dimension in this realm – this is where the old energies are still stuck -

- in the Sanskrit words of 'hell loca' - if you want to experience hell, that's what it is – Mad Max in Thunderdome – only need to go to Yemen, Syria . . .

**T:** how long does this have to go on, Mother? It is so inhuman

**M/A:** Even though those situations are going on and it looks that way, They are in the areas along with their craft, helping the people - yet the media won't talk about that piece

- the next piece is how that gets conveyed

**T:** the hemorrhaging needs to be stopped!

**M/A:** yes, of course, and it is also about the disclosure in the moment as dr greer and the others are sharing: She makes a noise, and says it is a phrase that is not in our language – that they are worse than pond scum to describe it –

- no, it's not funny – even pond scum has material She uses to make new universes

- It is this moment in which She must tell us: everything is unravelling in this sacred hour - They are already here and what comes to the consciousness is: and She says it again –

- 3 Zumi elders showed up out of nowhere and talked to Rama: 3 ladies dressed in black tapped R on the shoulder and said 'Naisee – the Zumi Greeting - we need to talk about it

- They wear black to reflect back anything that is not of the Office of the Christ – yes, they were wearing western clothes. **T:** they looked like Native Americans – **M:** yes

- Heads Up! St Germain, Kuthumi, Quan Yin, all the brothers and sisters are here – beginning to show up and share the wisdom with the people now

- they also said the son of Russell Means, Native American elder who died of cancer – he took on Big Brother and they gave him the cancer. His son says his father has worked out his being out of balance piece on the other side, and now he is coming back with the other medicine men and women

**T:** so you're saying they are coming back: not by getting born?

**M/A:** They will just show up – ouch!

**T:** the showing up is in the same bodies, totally recognizable, yet the vibration, the aura, the energy is immortal – this is called being a World Bridger

**M/A:** Correct! And this is about the return of the Rainbow Nation, the Rainbow tribes, where everyone gets to take part in the healing of Planet Earth

**T:** The example is - will get Rama to print out the article on Sai Baba going to show up in a female body, not getting born – everyone will recognize the energy, and the name will be Prem Sai Baba – that's very powerful to bring it from the feminine angle.

**M/A:** Time for the return of the Goddess. Enough of the patriarchy who must and is taking a back seat to the old energies that have got us to this place in our time frame – 13,000 years to get here? We are not going to F\*\*\* things up this time!

- This time, we make it – Sat Yuga – after all, She is telling us all this from Her vantage point as They are travellers from our future which is their past.

- How we get it done, that's the key: Love is the answer, that is the biggest answer They can give us.

- Lord make me an instrument of thy peace; where there is such hatred, let me sow love
- the first order of business is education for girls as Michelle talks about, not the BS about Mrs Obama doing voodoo in the White House – and She laughs!

**T:** What's so disconcerting is that lightworkers believe that stuff and that is hard to handle.

**M/A:** it is and that's a sad state of affairs – who are you going to trust?

**T:** Not that list of white house characters! cahrager

**M/A:** Not a bunch of white pasty folks who think they're gods and they can't . . .

**T:** Money is their god – Thom Hartmann talked of the Koch bros back in the 50s – they brought their wealth - dirty money in

**M/A:** It is the accumulation and acquisition of . . .

**T:** it's greed, power and the abuse of the Feminine on every level

**M/A:** Yes, and the treasures that have been here for the use of the people of the planet – and the mechanisms of . . .

- when you get into hyper dimensional physics and understand the quantum mechanics of how suns and stars and planets work: you don't mess with them. That is when They get to step in and tell us how things are in the universe,
- and at this moment after 13,000 years, things are moving so damn fast, that She can say with great certainty and with great love, this is the hour of his arrival –
- She means the Planetary Prince of Peace, Admiral Sananda Kumara and his co-regent Lord Michael to give a little dissertation on how we do this with love, not with hate, not with greed - and it's cleaning house every which way but sideways!

**T:** there is it: Kelly has offered his resignation over the Rob Porter affair – from the ticker tape on the TV

**M/A:** they are running so bleepin' fast to get away from what is coming, and what is coming is Them – aling with Lord Michael and Metatron and Maitraya –

- it is only about Love, not hate; what has been going on for 13,000 years is 'get on your knees, bitch!' She leaves it there – it is about the Goddess rising up

**T:** reads from the TV – WH lawyer knew a year ago that Porter's wives were ready to speak then

**M/A:** This is part of the illusion - this goes much deeper

**T:** it does, what she was saying about the end of the Laurence O'Donnell report – the lady was saying this goes way beyond what's happening – there are so many reports of this abuse

**M/A:** we came here because Mother Earth called and said 'Would you like to go on an adventure to save me?'

- Just like in **Lord of the Rings** when Gandalf said to Frodo and Bilbo: "Do you want to go on adventure; it's dangerous and it's about ascension it is not just about you, but about the entire story that involves a whole universe that encompasses the healing of that universe when one gets it - the morphogenic field all gets it and every single second it is happening
- that's why She says they are their twilight hour- send them love, as She licks the bones clean – it is what She must do

Greetings in the Light of the Most Radiant One! Kadoish, kadoish, kadoish, adonai Sabeoth. . .

***Mother: Remember who you are!***

**R:** Was in some kind of chamber in Taos Mtn, and he was some kind of healing chamber that had pink and blue and green lights flashing – yea, at the Ashtar Command base -

**T:** what he has seen before was the large numbers of ships

**R:** that was the shuttle craft bay – he was deeper inside the ship in the medical facilities

- No, the Taos hum is still there – it's about the sub etheric generator under the mountain that keeps the power on.

As the energies go up, we raise our energies and then we don't feel like we want to scream – he can hear it where they are if he tunes in

**T:** reads 4 items about what Rob Porter did to his first wife: ran over her foot with the car; put out a cigarette out in her hand; threw her against a wall; pulled her by her hair when they were out in their boat on the Maine coast . . .

**R:** all these old energies have to go now! Pass the Talking Stick.

“Almost everything they teach us about ancient history is wrong”

*Dr Osmanagich*

The amateur archaeologist believes the ancient structure on top of a hill known as El Cabezuelo is hidden beneath a formation called Cerro el Cabezuelo.

For hundreds of years the rise has been believed to be a natural formation, reported Spanish television station Cuatro, but now there are claims it is actually a 400 metre high pyramid.

But Mr April said ariel photos show the earthwork conceals a gigantic structure, but the discovery has not yet been verified.

The latest pyramid find comes after another valley of pyramids was discovered by Dr Sam Osmanagich in Bosnia, as revealed by Daily Star Online.

Dr Osmanagich told this website: "Almost everything they teach us about ancient history is wrong: origin of man, civilizations and pyramids.

"Our development is not linear but cyclical.

"Civilizations reach their peaks and global catastrophes wipe them out from the face of the planet. New beginning follows."

A massive structure, estimated as being between 3.5 and 11 miles across, has been spotted in a path of ocean west of Mexico.

It has been spotted on Google Earth, and is being described as a giant ancient pyramid – a potential clue to the site of the lost city of Atlantis.

But the finder himself, Argentinian Marcelo Igazusta, says in a video he actually thinks the ocean mass is an alien UFO.

He describes it as being "an intense light in the Pacific Ocean" of 3.5 miles in length, with a shape similar to a plane.

ATLANTIS FOUND? A truth-seeker has discovered a huge mass in the Atlantic Ocean

Scott C. Waring, an alien conspiracy theorist, said: "It is a perfect pyramid that measures over 8.5 miles across one side of its base. That's a conservative estimate, it could be up to 11 miles across.

"Even if this is not a UFO that landed in the ocean that was being used as an alien base, it still is a monumental discovery.

"An 8.5-mile pyramid...biggest the world has ever known, and it's right off of Mexico, near the ancient Mayan and Aztec pyramids."

But Scott added: "Humans could never have built such a construction. Only aliens could accomplish making such a massive structure."

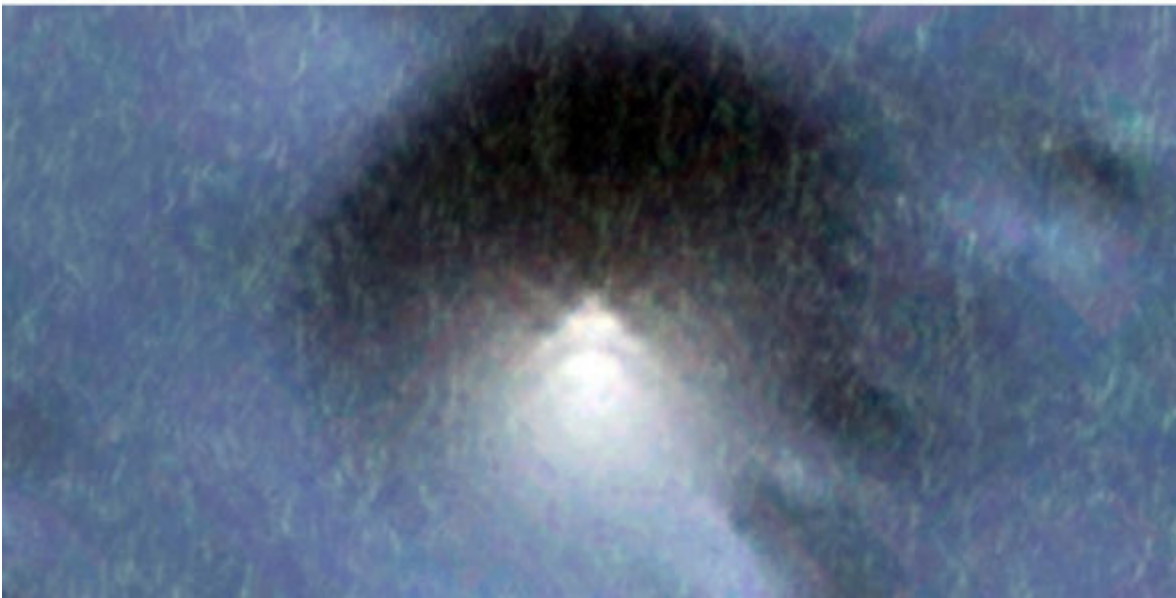

Yet one viewer posted under the YouTube video, reported by the [Daily Express](#), that there was no evidence it was anything more than an undersea mountain.

GOOGLE UFO? The finder reckons the huge mass could be an alien craft

### **Incredible underwater cities**

The idea that an entire city could just vanish beneath the waves is a terrifying thought – and while these lost underwater cities aren't the mythical Atlantis, that's exactly what happened to them.

He said: "I don't understand why you're calling this a UFO? It is unidentified, yes (though most likely just the mountains of the sea floor) but it's not flying, so not a UFO."

The mythical underwater island of Atlantis is an Ancient Greek myth – the name means Island of Atlas – and was first mentioned by the philosopher Plato.

It was said to have been destroyed overnight after being hit by an earthquake and tsunami thousands of years ago.

But many believe the island was a myth created by the philosopher to illustrate his political theories, while others insist the tale is based on reality.
