Ed Schultz dies at 64

<https://www.msnbc.com/katy-tur/watch/ed-schultz-dies-at-64-1270827075820> Katy Tur

Journalist Ed Schultz dies at 64. Schultz was the host of 'The Ed Show,' a weekday news talk program on MSNBC. Jul.05.2018

From Wikipedia: https://en.wikipedia.org/wiki/Ed_Schultz

Schultz's death was announced on July 5, 2018. According to unconfirmed reports, he died of unspecified [natural causes](#) in [Washington, D.C.](#) where he was working for the Russian TV network [RT](#).^{[47][48][49]} RT's Editor in Chief Margarita Simonyan said, "We are devastated by the news of the sudden death of our brilliant anchor, one of the best TV journalists in America, Ed Schultz".^[50]

ED was a Faction 3 White Knight, also Chris Hayes, Laurence O'Donnell, Rachel Maddow – put them ALL IN THE CIRCLE OF SUPPORT. There is one good mole in Fox News: Shepherd Smith – he is the one who announced that the Euro was in place and backed by gold: the plan for it was to take out the dollar, and it is.

UPDATE FROM THE PANEL

Omena McGee

- the explosion has begun with the departure of the EPA Secretary – beginning of the fall of the current Empire
- has abused his power very greatly.

MR: He was one of the first one to take so many flights, take his wife everywhere

Randy

- The Empire is starting to fall; they have served their purpose – can't lie or hide anymore
- energies are pushing things to the point where everything has to be gotten rid off – a collective event: not just for one or two people

HARD NEWS

T, R: Greetings!

T: Rama got a report yesterday – it came via his phone - on ethnic cleansing in Palestine.

R: This may have been overlooked in the regular news, but it was pretty prominent with what's going on right now.

- There's a village on the edge of East Jerusalem that's been there since the original Nachtba, when Israel claimed "All this land is ours," and kicked the Bedouin Palestinians off their own land.
 - T reads article headline RE attacks on Palestinian village

[Nakba Day - Wikipedia](#)

Nakba Day (Arabic: يوم النكبة Yawm an-Nakba, meaning "Day of the Catastrophe") is generally commemorated on 15 May, the day after the Gregorian calendar date for Israeli Independence Day (Yom... More

- This particular village—I'm not sure why they weren't displaced till now. It has to do with the unlawful settlements Netanyahu wants to build.
 - These people, like the Native Americans here, are being kicked off their native land, or they'll be killed. I was told by Rana Mu is that this is an international war crime that will be brought to the ICC [International Criminal Court] and ICJ [International Court of Justice], and heads will roll.
 - On a larger, grander scale it's a reflection, as Omena and Randy have just said, that the Empire has indeed fallen, and these pieces of it that have fallen are going through their death throes.
 - Former head of the Environmental Protection Agency Scott Pruitt is another example.
 - And John Kelly in the White House—I keep being told he might just completely lose it with Mr Drumpf. There's a level after which you just don't take it anymore. And then Divine Intervention—so be it!
- T:** The event in Palestine happened on July 4th or the day before.

Rama speaks: Today I went to see RanaMu, and we sat in her office and watched 4 TVs. On each of the sets, they were reporting on the Palestinian Bedouin people who have been living on their land, along with their ancestors, for thousands of years. Yet since May 14, 1948, as Israel claimed statehood – although

they never defined their borders! - since that time, the security of these Palestinian Bedouin families has been in jeopardy.

Now Israel wants to banish them completely from their land, put them in refugee camps in Palestine – somewhere in the already most densely populated open air concentration camp on earth!!! Then Israel wants to build more settlements on the Palestinian Bedouins' land for 'their people' - ie, Israelis, of whom over 90% are not Jews, though they claim to be Jews. The true ancestral lineage of these people is Khazarian: the true Jewish people of the land there are the Palestinians.

RanaMu went on to say, "This activity needs to be called by its true name: **this activity is an INTERNATIONAL WAR CRIME.**" She went on, "I know very powerful people within the international community who are whistleblowers and, as these Palestinian Bedouins are going to be removed from their land, these whistleblowers are going to take up this criminal act with the ICC and the ICJ."

RanaMu also said, "Mr Netanyahu is facing life in prison or the death penalty for what he has done for decades, and this includes doing 9/11."

2018-07-04 **J Street: Netanyahu using July 4 as cover to demolish Bedouin village**

Liberal pro-Israel group 'outraged' at preparation of bulldozers to raze West Bank hamlet of Khan al-Ahmar

<https://www.timesofisrael.com/j-street-netanyahu-using-july-4-as-cover-to-demolish-bedouin-village/>

In closing, Rana Mu said, "Let's hold the United States of America in its true light, and honour this land in its true form as Turtle Island, the Motherland of all its indigenous peoples, and offer a peace prayer: pray peace.

"Place in the Circle of Support all those who have been slaughtered along the way by foreigners who considered the indigenous people to be – by edict of the Catholic Church and its Doctrine of Discovery – animals and worthy of less than life.

"As we and all the people of the world go together now to hold this Empire accountable for all of its crimes against humanity, remain in Divine Unconditional Neutrality. Remain calm. Meditate daily. Continue to seek knowledge of the truth. Invoke Freedom's Holy Flame often. Blaze the Violet Fire. Surround all Whistleblowers with freedom's Holy Flame, and may Justice be seasoned with Divine Wisdom, Mercy and Compassion.

"Here is a mantra written by Moabite Thelma Williams:

Life is a song - sing it!
Life is a game – play it.
Life is a challenge – meet it.
Life is a dream – realize it
Life is a sacrifice – offer it.
Life is Love – enjoy it!

Peace can never be obtained from the outside world; rather, it must be obtained from within.
So giggle for an immediate return to your youth. And so we wish you Love, Truth, Peace,
Justice and Beauty for all it can be. And So it is. All Be It.' "

In closing, RanaMu just said again, "Namaste. NESARA now. Michelle for President. See you on the bridge, Lord Rama. Celebrate the 4th of July like you never have before, for we have won!!!"

T: This is a mantra of the Moorish people—the Aboriginal Moabite people. The Aboriginal Moabite nation is a worldwide nation and includes every nation on Earth. In the Western Hemisphere, 1,734

indigenous nations exist, with their own cultures—languages, traditions. All of it has been recorded. They have their own flag in The Hague.

Tara: Anya Parampil of RT has been trying to remember Ed Schultz, and is in tears most of the time – Ed talked a long time ago of 9/11, even though no one was supposed to; he did in spite of the gag order and they picked this time to take him out: which is what is suspected – too early to confirm. [KOS, Larry, Curly]

Remembering Ed Schultz - RT America July 5, 2018 Published on July 6, 2018

<https://www.rt.com/shows/rt-america/431853-remembering-ed-schultz-rt-america/>

Ed Schultz, host of 'News with Ed' on RT America, passed away on July 5 at his home in Washington, DC. The veteran radio and television broadcaster was 64. RT America's Anya Parampil is joined by Ed's RT colleagues for a tribute, including Larry King, Lionel, Mitch Ceasar, Ashlee Banks, Steve Christakos, Dan Cohen and Ed's longtime producer, Brent Jabbour. For decades Ed was a prominent sports and political radio commentator and personality in the upper Midwest. After several years as one of the most watched anchormen on MSNBC, Ed moved to RT America in January of 2016. The News with Ed Schultz aired weeknights, Monday – Thursday at 8PM Eastern. Ed's broadcast was the flagship show at RT.

Rama Speaks: Thursday, July 5

- When I heard that Ed Schultz had passed, at the young age of 64. **I called King of Swords, who got Larry and Tom the Ring-Tailed Cat on the horn with us.**
 - I asked them, "Did Ed Schultz get taken out because he spoke out on MSNBC about 9/11 being an inside job?"
 - They said, "It's too early to determine, yet we all smell a big rat." And place Wendy, his wife, who is battling cancer, in the Circle of Support.
- T:** He has six children. He was from North Dakota originally. Ed had a cabin in Minnesota where he loved to go fishing. We all thought he was on vacation—other people have been covering for him.

KOS, L, T: "There are a lot of things going on right now about the deep state going down all the way, and it is about the Khazarian mafia and all the other criminal gangs and their minions, of this giant octopus stranglehold on humanity. They went down—the Light of 10 trillion Suns is pouring in now, and is providing Divine Chaos in the lives of all the dark side.

- **Tom, KOS** went on to say that the dark side is receiving their karma back from what they and their lizard ancestors have done to Earth for 13,000 years and beyond. In this relatively short period of time—since Sam Brown, one of the 5 major noteholders of the original 40 noteholders of the SBC Charcoal Project, which began in 1949, decided to help the people of the world instead of just a small group of elites.

T's insert: That was happening in the same year Israel decided to declare itself a state. They purposely didn't announce their boundaries because they want to eliminate every Palestinian in the planet because they are the true Jews, and then claim the land for themselves.

R: They don't answer to "We the People"!

T: So the US Police get ordered to kill people of color, and they are told that they will die, too, if they don't carry out those killings. Those in charge make sure the police don't get charged.

- **The police officer who shot Antwon rose in the back has been charged with homicide, so this is something big.**

- Although Lawrence O'Donnell announced last night—there was video footage of this gentleman, this 17-year-old Antwon Rose who was shot by the police. He was unarmed and running away from the police, and the people watching said, "Why are they shooting him and targeting him in the back?"

- 2 years ago, Antwon wrote a poem in his sophomore honors English class, and they read it at his funeral.

T: Lawrence O'Donnell wrote a book called **Deadly Force** which came out in 1983, about a case that occurred in the 1970s, about an African-American man, James Boden, who was shot in the back. But there was no film footage of it, so the police claimed self-defense.

R: "He made threatening moves, so we killed him." This is what was/is always said by the police involved.

T: They got away with it at the time because there was no footage of it. Lawrence O'Donnell's father took the case through the court system. This man was killed in Boston, by the Boston police, and Lawrence's father had been a Boston police officer before he'd become a lawyer. So he took on the case— the case was tried twice, and in both cases, he won the case. That was 40 years ago.

- The poem written by Antwon Rose a few years ago is titled, "I Am Not What You Think."

"I am confused and afraid;
I wonder what path I will take.

I hear there are only two ways out
I see mothers bury their sons.

I want my Mom to never feel that pain.
I am confused and afraid."

Antwon Rose Jr (2001 – 2018)

- Going back to Sam Brown and the original 40 notes: they contained the worth of all the gems, money, gold etc from all sources **on the planet – Lucifer's plan in action – through the agency of the Vatican - was to steal all the money from every leader / country in the world and use it to rule this entire planet as an elite group**
- One man, Sam [Brown]—that's how we get the name 'Uncle Sam' - decided he would take his note and let it help a lot of people.
 - That was a time when the Knights Templar, which Princess Diana was part of—[interrupted by Don]
 - Mother Sekhmet did some readings for some of the good intentioned ones and this is when the **Faction Three White Knights got started then too**, catching the baton from the Knights Templar, as they left the planet.
 - It started with Isis and Osiris. Isis volunteered—she didn't need to incarnate, but she volunteered, and came into an Earth life, born in Australia of Aboriginal parents. The Australian outback people, the Aboriginal people, knew they were from the Ashtar Command, and that they were on the Earth to do the same mission as the Ashtar Command carries out currently. Isis chose to do her work on this Earth through [being born to] the Aboriginal people.
 - Osiris didn't really incarnate. He stayed in the fifth dimension, but he materialized a body. He was an aspect of St Germain, and picked his beloved Twin Ray Flame Isis at her rite of passage, as she was becoming 13 years old. He picked her up on The Solstice, his starship, and they went to Siberia.

- While there, they picked up a Siberian living in a cave. When Atlantis was sunk, people all over the planet had devolved back to the cave dweller age, because of the ice, and everything that caused millions to die back then. There were starships and the beaming up of many people – lots of 5d stuff going on
 - They beamed up one being called Imhotep, and brought him to Egypt, where they taught him, and trained him in the temples. He became a laser scientist doctor and was taught about [Hermes Trismegistus](#)
 - Isis and Osiris stayed there for 600 years in Egypt, and brought the teachings of the Atlanteans to Egypt, merging them with the Ayurvedic teachings of India.

- **East meets West in Egypt**, and the teachings were synthesized. Lord Kuthumi came into a life existence then as Thutmose 3rd.
 - We are much more than we think we are. This history has been buried!!!
We were never third dimensional beings. Our DNA was compromised by these invaders of the planet, because they didn't want us to remember who we are, they did lots of mind control, and devolved our DNA as they knew how to do that. Nassim Hamein discovered that none of us has been controlled by gravity and never has been – it's part of the mind control
 - It was part of the dumbing down of who we are. Inside what they call our "junk DNA" are our immortality genes.
 - Russia did a study 50 years ago about our so-called junk DNA, and, in 2006, our sister Cynthia Rose Schlosser came on the show and cited that research told us we had immortal codes in our DNA.

So all of this information, along with the 60,000 technologies that will emerge with the enactment of NESARA, **is starting to come out.**

- Sam Brown had decided to help the people of the world. It's been a mere drop in the ocean of 450 billion years of time. Yet Now is the time, and This is the place—the United States of Altea America.
- We have come to this Universe as a human race to evolve beyond polarity, beyond war, beyond karma, into the Sat Yuga.

KOS said, "Be patient, be calm. Not one stone shall be left unturned!

"Always remain in balance. Be gentle. Be kind. Walk gently upon sweet Mother Gaia. Tag, we are all it! Democracy, as President Obama has said, is not a spectator sport! Help your neighbor, help a friend. Namaste! Michelle for President!"

T: The lady Rama goes to see is 20,000 years in a body—she works in an internal library that Rama gets to see. There are holographic libraries there.

R: They're like living records, where you can watch, like on a computer screen—she can pull up on this computer living stories of what has happened in Earth's history and the surrounding 26 galaxies, that are around this Milky Way galaxy.

- This is a huge story, and it is a real shame that a small group of small-minded lifeforms that are xenophobic have reduced us to the story as it is at the moment.
 - **T:** This library is right here in Santa Fe, and it's connected with the underground tunnels that connect five cities on the East Coast.
 - It starts in Virginia, where the Bruton Vault is, under the Bruton Parish Church. [The vault is] underneath an actual grave site. It's exactly 10 feet below the surface.
 - Thomas Jefferson went down through the church, and at the back of it—he got underneath, and walked through one of the water pipes and actually found the vault. It's got a sealed coding on it, and you can't open the vault and get in unless you know the code. The Rockefellers own that land.
 - All of those codes will be released to the Light, and all in the vaults will be brought up.

SEE <https://atlantisrisingmagazine.com/article/lost-secrets-of-the-bruton-vault/>

- There are more vaults, in Williamsburg, Virginia, and more underneath Washington, DC, way below the Smithsonian Institution. We read *The Lost Symbol* [Don Brown's novel on our show] -there's stuff under there. Everything will be released. There's a pyramid as big as the Giza pyramids under the Capitol!
 - And there are vaults under Pittsburgh—records that tell the truth about what has been controlling this planet for the past 13,000 years. Then going up North, Boston is the fifth city [where there are underground vaults with hidden information]. All of this—it's the Commonwealth stories, which we never get told, going back to 1774 and 1776.
 - We're in for an amazing time! Sat Yuga is here! The illusion of what is next—Pruitt leaving—good night, nurse! He was head of the EPA, and was destroying all regulations he could get his hands on!
- **Surround all the whistleblowers with Freedom's Holy Flame.**
 - Ed Schultz was a Faction Three White Knight. Rama knows all of them. Rachel Maddow is one. So is Lawrence O'Donnell and Chris Hayes. As this breaks, they're going to tell the truth. It will come full circle. And even Fox News—there's one good mole in there, and his name is—Shepherd Smith!
 - T: Shep** was the first to announce publicly, on 2nd January 2002, about the euro, and said the euro was backed by gold. That was the first time it was said publicly. That was part of the plan to take the dollar out, and it's doing it right now.

T: Drumpf, with his tariff craziness, is doing the rest of the job. I heard on the RT show *Boom Bust* yesterday, that we're headed for getting \$300 million worth of tariffs sent back at us, for anything we want to send to other countries.

- Drumpf also wants to stop the oil flow out of Iran completely—he wants to ban it. The Ayatollah said, "We're going to stop the Straits of Hormuth (where all the oil goes)"—and the US Navy is going to go over there and supervise!

OMENA: To my knowledge, Lucifer has ascended.

T: Absolutely. These characters on the dark side know that, but they don't want us to know that, and they're continuing to play the Luciferian game and act like nothing's changed. The Light of 10 million Suns is coming in, and people are saying, "We don't have to play war games! We want Peace!"

O: Lucifer is saying he's not going to allow them to use his name this way. He's back with his army, so my guess is he may become active!

T: With Archangel Michael's Sword of Truth, probably!

- [The role] Lucifer [played], as we say about Drumpf, was/is a necessary evil. This Universe was co-created by all of us, to see if we could get beyond duality and polarity, and to see if we could remember, even with a veil, in physicality—we wanted to test ourselves!
 - We all tried to do the passing of this test! That's why St Germain always says, "I'll never say, 'God Bless you,' I always say, 'May you pass every test!'"
 - He's saying, "You are God/Goddess of All-That-Is! Wake up! Here's the keys to the kingdom, right here at your fingertips!"
- Archangel Michael and Lord Sananda are co-Planetary Princes. So now there's a threesome – and this now includes Lucifer [who was the original Planetary Prince] – and they're all on the same page again.
- O:** Because of Free Will, which is a big part of the test, and also the code to not interfere in Free Will – they are doing their best to guide; they're working on something that has to do with Free Will, which is

active to a certain point. And then the intervention will come when the Free Will is no longer working, so to speak.

T: The Angels have Free Will, but they dont really . . .

O: But they won't interfere with our free will but when our Free Will becomes so destructive and misused—

T: Which is Now!

O: Which is Now – exactly - and when certain ones impose their will on the masses, that's when the interference / galactic intervention will come from higher powers

T: Which is NOW!

O: There's going to be a big explosion. **Not a physical explosion.** It's like a domino effect, with the Empire coming down. It's begun and is just going to speed up around the end of August, at a very high rate. You're going to see some of the big ones toppling. That's all the info she got

- And they don't do Time, but that's what they said! They're saying **everything will be a lot clearer by the end of August, and there will be a huge big shuffling going on.**

- Some from the dark side will run underground, but they'll still be caught. They've done such a great mission of "Making America Great" that they've got the world looking at them. They just can't hide. There's nowhere to go, and nobody wants them, nobody will take them and there is nowhere to go.

- There won't be a war. Drumpf is **dying** for a war because he thinks that will make him the Greatest, but it's not going to happen! The swamp is definitely going to be drained and will be cemented over!!!

T: May they all rest in peace . . . it's been a long road . . .
